3. **Background**

- 3.1 This area of land, which is held on the General Services Account, extends to 62 sqm or thereby and was an area of open space, having been combined with the adjoining garden some years ago.
- 3.2 The Council received a complaint that the applicant had extended their garden into Council owned land. A site investigation was carried out which confirmed an encroachment had taken place.
- 3.3 The owner of 123 Glencoats Drive was approached regarding this encroachment onto Council land at which point they expressed an interest in acquiring this land to formalise their use as off-street parking. An agreed purchase price has been reached; but this is subject to the Board declaring the ground surplus.
- 3.4 The applicant will require to obtain planning permission for a change of use.
- 3.5 The purchase price of the land will be at a level upon which delegated powers granted to the Head of Economy and Development for disposal purposes will be utilised.
- 3.6 The purchaser will be liable to meet the Council's reasonable professional and legal expenses incurred in processing this transaction.
- 3.7 Environment and infrastructure have confirmed that this area of land has no operational requirement and is not opposed to the land being declared surplus.
- 3.8 The Chief Planning Officer will place an advert in the local press in terms of the Town and Country Planning (Scotland) Act 1959 for the proposed sale of an area of open space.
