**Celebrating Renfrewshire
Participatory Budgeting Results
October 2020**

Introduction

Renfrewshire Council commissioned Young Scot to manage an online vote for a participatory budgeting exercise taking place in October 2020. This was branded as the 'Celebrating Renfrewshire' event.

Young Scot Supported the vote in two ways. Firstly, a campaign was created at the Young Scot website, young.scot. This campaign allowed young people to check out the projects before the vote went live and also allowed the projects themselves to check the information that they had supplied. After the vote is complete we will change the campaign page to reflect the winning projects.

Secondly, voting took place online using the Young Scot online voting platform. Young people were able to vote using a valid Young Scot card issued in Renfrewshire or by using one of 50,000 temporary numbers that were issued to Renfrewshire Council staff. The vote was open to all young people aged 12-25 in the area. We know that the vast majority of young people in the area have been issued with a Young Scot card. Renfrewshire Council staff handled the issuing of temporary numbers with a robust process to ensure that young people were not issued with more than one number.

Voting took place from Midday on 12th October 2020 until 17:00 on the 6th November 2020. This was during the global COVID-19 pandemic, which meant that all promotion of the vote was online rather than face to face

One vote was held with seven geographic areas as constituencies. Young people logged into the system using their Young Scot card number or a temporary number issued by Renfrewshire Council staff. Young people then had to choose one of the seven geographic constituencies based on the Local Partnership Boundaries within Renfrewshire. Each card number or temporary number allowed that young person to vote in any one, but only one constituency. Young people were then presented with between 5 and 24 projects to choose from. Voters had to use 3 equal votes, with only one vote being allocated to any one project. This gave a first past the post result.

Voting could be carried out using a computer, phone or other internet device. Renfrewshire Youth Services promoted the vote by visiting schools and youth groups around the area.

Voting summary:

1721 individual young people voted in total

5163 choices were made in total – (exactly 3 choices per person)
