The group noted that Renfrewshire has diverse cultures, but it lacked opportunities and places for people to share such cultures. As a result the carnival idea was identified as a good opportunity for encouraging members of the wider community to come together, share cultural experiences through art, dance, drama, and celebrate.</p> <p>On the lead up to the actual West Indies type of parade, we plan to arrange a programme of activities in partnership with local youth groups operating around the Renfrewshire area. These activities will cover such things as a National costume designing and making, playing musical instruments related to certain cultures, and fun around finding out about each other cultural beliefs and history by way of dance, story-telling and other art mediums. The parade and event will be organised.</p> <p>Our main objective is artistic development through this specific project.
