**To:** Paisley North Local Area Committee

**On:** 14 May, 2015

---

**Report by:** Director of Finance & Resources

---

**Heading:** Applications For Local Area Committee Grant Funding

---

## **1. Summary**

- 1.1 The schedules attached as Appendix 1 to this report detail applications received for LAC grant funding from this meeting of the LAC.
  - 1.2 Taking into account past experience, consideration of grant applications at the May cycle of LAC meetings has proved to be time consuming. In this connection, please contact the Committee Services Section on 0141 618 7105 should you require any further information on any of the attached grant applications in advance of the meeting. Members are also asked to take into consideration the total potential value of the applications as £134,204.13 which exceeds available resources.
  - 1.3 At the last meeting of this LAC held in February 2015 it was reported that a sum of money had been returned to the LAC from a grant applicant and that this sum required to be allocated before the end of the financial year. In consultation with the Convener, grant awards were made to Paisley Pens and Twist and Shout Cheerleaders. Further details are included at Appendix 2 to this report. The LAC is asked to homologate the award of these two grants.
- 

## **2. Recommendation**

- 2.1 That the applications for Local Area Committee grant funding, as detailed in the schedule attached to this report, be considered; and
  - 2.2 That the award of funding from the 2014/15 budget underspend to Paisley Pens and Twist and Shout Cheerleaders be homologated.
-

How much grant funding are you seeking from Renfrewshire Council?	£4800.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	The grant will help young people to experience a visit to another country. This will broaden their horizons in terms of language, culture and travel. For some this may be their only opportunity. They will be introduced to the history of early civilization. Also It is also hoped to explore the remnants of Pompeii and visit the sanctuary of Montecassino	
What is your group's current bank balance?	£11,500.00	
Are there any significant items of expenditure to be set against this bank balance?	The Group has decided to not carry out repairs to lighting and floor covering at our meeting place and to put back the purchase of camping equipment until after the expedition. Any available group funds can then be used as a contingency should the need arise.	
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding) Have you undertaken any other fundraising?	The Scout Group has applied to the Scout Association for a grant for training and preparation. We have held fundraising events and are proposing further events to help fund the expedition.	
Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	It will help with the development of young people in achieving their potential, as individuals and responsible citizens in the community. It has the potential to be a springboard for them to plan their future life in art, education or finance.

We were very fortunate to be invited along to a new and exciting last summer. It involved a 2 residents to enjoy short sailing trips around the loch on a wheelie boat that provides inclusive disabled access. We want to arrange six visits to Castle Semple. The boat can take four people at one time so whilst some are enjoying the boat experience, others will have a great setting to go and feed the ducks, bird watch or generally get some fresh air. Given that we were invited along to this activity by others, we would like to invite residents from other cares and day centres in our local area to share the experience with</p>

Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	We will be enhancing the health and wellbeing of everyone involved and it will be fully supporting resources available in our local community. For many years residents have went along to participate in boats trips, for example the Seagull Trust canal trips. There has always been an keen interest in this type of activity, particularly with older adults who tend to reminiscence about their childhood. Not to say everyone enjoys being close to the water, we found last year that some residents simply enjoy getting out of the home for the day so they can have a walk in a new setting, get fresh air, feed the ducks and take in the atmosphere. The wider community benefits greatly because we will encourage family members to join us, we will invite residents from other care homes and sheltered housing complexes along on our trips, we will be contributing towards the use of castle semple facilities and we will also tell people how great the sailing has been to encourage more participation.

Our project will see our outdated and manual cricket scoreboard replaced by a modern, electric powered scoreboard which can be utilised by all junior and senior teams. It is significant to note our existing scoreboard is not utilised by all our junior and senior teams due to the manual operation that is involved. Indeed it is becoming more and more difficult to secure volunteers to operate the scoreboard at all our games. In addition our existing scoreboard is requiring increased maintenance every year due to its age. The use of the scoreboard at all our games is considered vital in creating an environment which encourages people to play cricket on a regular basis. The use of the scoreboard at our junior games is especially significant as the young people need to be encouraged at all times and the use of the scoreboard

	shows the commitment the club has in providing the same opportunities to our junior players as well as our senior players. The installation of a new modern, electric scoreboard will help to enhance our facilities and will be utilised by all our junior and senior teams as well as local schools, colleges and universities who may use the ground. The opportunity to host regional and national representative fixtures will also be enhanced with a new modern scoreboard thus helping to attract visitors to Paisley and Renfrewshire. Our project will complement our nets and practice facility project and will help provide a high quality cricket environment that can be enjoyed by all.

Where is it based?	Paisley	
What area does your group cover?	Renfrewshire	
What does your group do?	<p>With a history in the local community dating back to 1887, Ferguslie Cricket Club is one of the main sporting and social clubs in Renfrewshire, promoting health through participation in sport, a social focus for the community and a sporting reputation that promotes Paisley and Renfrewshire on a national basis. We intend to continue our marketing and promotion of the club in order to continue to attract new players. A leaflet drop and poster campaign is already planned. Our cricket sessions in local schools helps to introduce young people to the game while also giving them an opportunity to lead an active and healthy lifestyle. Opportunities to play cricket in Renfrewshire are limited and as such we aim to provide opportunities for all no matter ability to play cricket on a regular basis in an environment which is of the highest standard.</p>

Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	Our aim continues to be to provide opportunities for people to play cricket, no matter their ability, in a setting where playing and practice facilities are of the highest standard. Our project will fund our Junior Cricket Coaching Programme which will provide 142 hours of cricket coaching to young people, no matter their ability. Our programme will run from Spring 2015 to Spring 2016 which will include: Coaching provided in local primary and secondary schools throughout the spring and summer months. Coaching sessions made available to local college and university students. Cricket summer camp held in school summer holidays. Weekly cricket coaching sessions at Ferguslie Cricket Club. Winter cricket sessions commencing January 2016. Our project will introduce young people to cricket, provide them with the opportunity to learn about the game, learn and develop their skills and technique and participate as part of a team in regular matches, no their ability.

	<p>Our junior cricket programme is open to all no matter ability and thus encourages all young people to participate in a team sport where friendships can be created and strengthened and key transferable skills can be enhanced. Communication and teamwork skills will also be enhanced, while the young people will be participating in an activity which promotes an active and healthy lifestyle. Self-belief, self confidence and self-esteem will also be enhanced thus having a positive effect on their educational attainment. In addition it should be noted that our junior cricket programme will help provide regular activity for young people and will help to reduce the opportunities young people have in becoming involved in disruptive and anti-social activities within our communities.</p>

Where is it based?	c/o G6 Alexandra Gate, 22 Neilston Road, Paisley, PA2 6LN	
What area does your group cover?	RENFREWSHIRE	
What does your group do?	We work with young people who reside in areas of high deprivation. Initially we provide opportunities to take part in various sports and use this as a medium to transmit discipline, respect, teamwork, learning and health benefits. This has since revolved into working with young people and adults who are some of the most vulnerable, multi deprived individuals in Renfrewshire. In addition to the sports sessions we are now delivering workshops on team building, drug and alcohol awareness, nutrition/hygiene and 1 <sup>st</sup> aid. We also work on an intergenerational basis in relation to young people and their kinship carers. The young people involved in our project work towards certification awards that will progress a way into further education.

What is the name of your group?	Food Train (Renfrewshire)	
How many members does your group have?	152	
Where is it based?	Paisley	
What area does your group cover?	Renfrewshire wide	
What does your group do?	Food Train is a national charity, celebrating 20 years of supporting local older people in 2015. The Renfrewshire branch launched in October 2013, providing our core grocery shopping and delivery service. The service is led by a team of local volunteers, who collect orders, shop and deliver to over 150 local older people across Renfrewshire.	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to. <b><u>If you are applying to more than one LAC you must submit a membership list which clearly shows members' post codes.</u></b>	Renfrew & Gallowhill	X

How much grant funding are you seeking from Renfrewshire Council?	£10,000	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	The purchase of a transit van	
What is your group's current bank balance?	£3,800.53 (branch balance)	
Are there any significant items of expenditure to be set against this bank balance?	No	

Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding) Have you undertaken any other fundraising?

No

We have investigated other funding options but the purchase of a vehicle has not been included in the criteria.

We regularly participate in fundraising activities, the result of which generate some funds, for example a recent bag packing event generated £500, but the cost of the van purchase is greater than any amount of local fundraising could generate in a year.

Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant

Referrals for our service have been very steady since we launched in October 2013 and we note an **increase** in referrals coming from RAH discharge team and social work.

With an additional van, we can reach and support **more** local older people in each of the 5 Local Areas. This means more older people in each are **getting access to food**, and some **social contact** with a team of local friendly volunteers. Our service addresses a major issue for older people living at home – **malnutrition**. Many older people have or are at **risk of falling** by struggling to carry their shopping. Malnutrition and falls among older people are two of the biggest cost preventable spends facing the NHS but one of the easiest and quickest to tackle. By investing in the purchase of a vehicle, **more local older people can be assisted to live independently in their own home**.

How much grant funding are you seeking from Renfrewshire Council?	£8000	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	 <p>1. <b><u>Young @</u></b> – The aim of this project is to provide stimulation and expression. We are in partnership with the RL Renfrew and TownHall, Johnstone. The project will provide Social Inclusion Intergenerational and educational activities. It has proved that older people can express themselves more and provide a wealth of their knowledge that they could not do elsewhere. We are also wanting to move this forward with music, dance and drama</p>	

in the near future. This project was started in May 2014 and has been so successful in RL Paisley that we wish to run this in RL Renfrew and the New Town Hall, Johnstone. The Paisley club will be sustainable as from 1<sup>st</sup> June with 45 members regularly attending. **This application relates to the Johnstone element of the project only.**

2. **Exercise RUS** – This is an active aging exercise programme to improve mobility, posture and balance we can evidence this that exercise can prevent fall and reduce the need for care at home services therefore promoting independence. It can also reduce isolation and loneliness and the ability to exercise in their own environment. This will also give the individual opportunity to socialise and improve health and wellbeing. Research shows that physical activity can boost self esteem, moods, sleep quality and reduces risks of stress, depression and major illness. **This application relates to all four LAC areas**

3. **Singing Through the Ages** – This is a choir that has been running since 2013 it was started up using a grant from Renfrew LAC & change fund. This runs out in June and we would like to keep this going. Our group meet every Sunday from 1.30pm till 3.30pm we have a vocal coach and every week we sing out hearts out for the 2 hours. Singing is so therapeutic and good for our health and mental wellbeing and there is a growing body of evidence which claims that singing as part of a group can have a range of health benefits. Singing in a choir is as good for you as yoga, according to a study which found that the regular breathing

	<p>patterns it requires can reduce the variability of your heartbeat. <b>This application relates to the Paisley and Johnstone elements of the project only.</b></p> <p><b>4. <u>Therapy for the Body &amp; Soul</u></b> - This will include blocks of Massage, Reiki and Hydrotherapy. We gave a tester session last year to the tenants and they loved it. These 3 different activities each provide their own advantages.</p> <p>Reiki is a natural simple safe and effective healing system with benefits such as strengthening the immune system and keeping tenants healthy.</p> <p>Massage for the elderly has various physical and mental benefits with again improve health and general wellbeing as well as a communication for other tenants with Alzheimer's or other related illnesses.</p> <p>Hydrotherapy this is a valuable asset that we have sourced that keeps our tenants fitness up as well as benefits our Arthritis sufferers by using water. One lady's quote to me was that "Hydrotherapy is like medicine". <b>This application relates to the Paisley and Johnstone elements of the project only.</b></p>
