There was submitted a report by the Director of Finance & Resources seeking authority to conclude the disposal of the Council's ground lease interest at Wellmeadow Street, Paisley to the Co-op on the basis of the main terms and conditions detailed within the report.

The report intimated that Renfrewshire Council currently leased the ground at Wellmeadow Street, Paisley to the Co-op on two separate 125 year leases both scheduled to terminate on the 21 March 2018 at an annual rent of 1p, if asked. One lease was in relation to the building of a supermarket and the other was in respect of the formation of a car park to serve the supermarket. Both leases required the tenant to operate the premises for the specific purposes only, albeit the Council had in the past consented to the occupation by Renfrewshire Association for Mental Health.

The report highlighted that the Co-op who had operated the supermarket for approximately 30 years closed their operation in 2009 and proceeded to market the property as available for let or sale. Recently a provisional agreement to dispose of the property to Sanctuary Housing Association had been agreed. As Sanctuary Housing Association were not looking to operate a supermarket but to develop the site for social housing, the Co-op required the Council's agreement to dispose of its interest in the two ground leases to enable the proposed sale to proceed.

10 FORMER ROADS DEPOT, SCOTTS ROAD, PAISLEY

There was submitted a report by the Director of Finance & Resources seeking approval to revise the purchase price payable for the former Roads Depot at Scott's Road, Paisley.

The report intimated that the Board had approved a report recommending the disposal of the property to Mac Asphalt Limited for a purchase price of £280,000. Since this meeting, the property had been targeted by vandals which had resulted in significant internal damage to the building. Although the building was in need of some refurbishment the recent acts of theft and vandalism had increased the redevelopment expenditure required by the purchaser by approximately £50,000. Mac Asphalt Limited had therefore requested that the purchase price payable be adjusted to reflect the increased costs. The costs of the vandalism had been investigated and it was considered that the request for a revised purchase price of £230,000 was reasonable.

The report highlighted that in terms of the Council's Procedural Standing Orders, it was competent to amend a Board decision if the Chair was satisfied that, due to a material change in circumstances not apparent at the time of the original decision, it was reasonable for the original decision to be altered or suspended. The reasons for the request to amend the decision of the Board on 15 March 2016 were detailed in paragraph 3.2 of the report.

Councillor B Brown, seconded by Councillor Gilmour, moved:

- (a) That the Director of Finance & Resources be authorised to conclude a sale of this property to Mac Asphalt Limited on the basis of a revised purchase price of £230,000;
- (b) That an amendment to the decision of the Planning & Property Policy Board on 15 March 2016 in accordance with paragraph 28 of the Council's Procedural Standing Orders for the reasons set out in paragraph 3.2 of the report be authorised; and
- (c) That remarketing of the subjects be authorised, should a suitable bargain not be concluded with Mac Asphalt Limited.

Councillor Nicolson, seconded by Councillor McGurk, moved as an amendment that:

That the following be inserted after paragraph 2.3

Instructs the Director of Finance and Resources to conduct an inquiry into the circumstances which has resulted in this Council suffering a loss of £50,000 and to the steps which could or should have been taken to prevent the Council from suffering said loss with regards to the former road Depot on Scott's Road Paisley. There was submitted a report by the Director of Development & Housing Services seeking authority to extend the contracts for staff currently employed by the Council through the Glasgow & Clyde Valley Green Network Partnership (GCVGNP) until 31 March 2017.
