**Heading:     SERVICE IMPROVEMENT PLAN FOR 2018/2019 TO 2020/2021**

---

## **1.     Summary**

- 1.1     The purpose of this report is to seek approval of the Environment & Communities Service Improvement Plan covering the 3 year period 2018/2019 to 2020/2021, attached as Appendix 1 and as specific to the areas of activity delegated to this Policy Board, highlighted in paragraph 4.6.
- 1.2     Service Improvement Plans are important documents which provide an opportunity for elected members to scrutinise service levels, activity and associated performance. Service improvement plans are three year rolling documents which are reviewed and updated on an annual basis to ensure there is sufficient focus by services on improvement activity, and sufficient awareness of the key challenges and opportunities which have emerged for the service over the preceding period.
- 1.3     Environment & Communities operates within a dynamic financial, demographic and policy environment, with a number of new and emerging developments or legislation at a national level having a significant impact at a local level.
- 1.4     In light of these challenges, the service has reviewed its Service Improvement Plan for the period 2018/19 – 2020/21, and identified a range of actions, specific to each of the five Strategic Outcomes of the Council Plan, that will be undertaken to improve and develop service provision. Performance scorecards have been developed for each of the Strategic Outcomes and include specific performance indicators and associated targets which will be used to monitor and report service performance against.
- 1.5     The Service Improvement Plan is one of the key mechanisms by which elected members scrutinise service performance across the Council. The first progress update on relevant actions and progress on the Service Improvement Plan 2018 to

## **2. Recommendations**

It is recommended that the Infrastructure, Land and Environment Policy Board:

- 2.1 Approves the 2018/2019 to 2020/2021 Service Improvement Plan for Environment & Communities attached as Appendix 1 and as specific to the areas of activity delegated to this Policy Board, highlighted in paragraph 4.6;
  - 2.2 Agrees that progress in respect of areas of activity delegated to this Policy Board be reported to the Infrastructure, Land and Environment Policy Board in November 2018;
  - 2.3 Note that the attached Service Improvement Plan for Environment & Communities is also being presented to the Communities, Housing & Planning Policy Board and the Finance, Resources and Customer Services Policy Board to approve elements covered within that Board's remit.
- 

## **3. Role of Environment & Communities and Key Service Activities**

- 3.1 The principal role and purpose of Environment & Communities is to provide:
    - Amenity Services - Waste, StreetScene & Land Services, Roads & Transportation, Fleet & Transportation, Infrastructure.
    - Public Protection - Regulatory Services, Community Safety and Civil Contingencies.
    - Facilities Management (Hard & Soft Services) – including PPP & Compliance and Building Services.
  - 3.2 Services are provided directly to the public of Renfrewshire, to other services within the Council and to community partners. Services are delivered by approximately 1,700 employees employed on a full-time or part-time basis, with a gross expenditure budget of approximately £70 million.
  - 3.3 These wide ranging and highly visible services are delivered at around 270 Council premises, to over 89,000 households and businesses with more than 845km of roads and transport structure being maintained across Renfrewshire. Environment & Communities also provides statutory enforcement and related advisory/educational activities. These activities ensure the safeguarding of public health, and the protection of the environment, consumers, workers and local communities within Renfrewshire.

#### **4. Service Improvement Plan 2018 to 2021**

- 4.1 The Service Improvement Plan is part of the process of cascading the Council's priorities throughout the organisation. It also provides the means to integrate the various other operational plans and action plans and links to financial, risk management and workforce planning processes.
- 4.2 The Service Improvement Plan provides a strategic assessment of the key challenges and changes which will face the service during the period of the delivery of this plan, including the challenging and uncertain financial environment and expected significant demographic changes that will impact on the demand for services.
- 4.3 The Council Plan, 'Thriving People, Connected Communities', clearly articulates the Council's priorities for Renfrewshire and along with the Community Plan sets out an ambitious programme of work.
- 4.4 The Service Improvement Plan details how Environment & Communities will contribute to and deliver these outcomes. It provides an overview of how the service will contribute to each of the 5 strategic outcomes of the Council Plan. Under each outcome the plan:
- Highlights the service's achievements for the year up to 31 March 2018
  - Outlines the key priorities the service aims to achieve over the duration of the improvement plan
  - Identifies the key actions to be undertaken to meet the priorities
  - Sets out the performance indicators to be used to monitor progress
- 4.5 The current strategic priorities identified for Environment & Communities reflect the key challenges and opportunities identified by the Service and can be summarised as:
- The Council's Budget for 2018/19 was approved on 2<sup>nd</sup> March 2018 and included a number of key service investment priorities for 2018/19, with some spread over the next 5 years until 2022/23. Environment & Communities will lead on the delivery of a number of these key investment priorities as set out below. Those specific to the remit of this Policy Board are detailed under Council Plan Strategic Outcome 5 at paragraph 4.6.
    - Investment in Environment & Place and Team Up to Clean Up through a budget commitment of £2.5 million over the next 5 years.
    - Revenue and capital investment of £1.87 million in green spaces and play parks and the establishment of a villages investment fund.
    - An ambitious £7.23 million roads capital investment programme.
    - Elements of tackling poverty including support for Streetstuff and Breakfast Clubs.
    - Development and implementation of a respectful funeral service and revenue investment of £1 million to deliver improvements in the Council's cemeteries estate.

- The Council continues to face a number of financial pressures and challenges in both the medium and long term. Environment & Communities will help deliver, for the Council, future financial efficiency savings over the medium term. In order to identify and deliver efficiencies, Environment & Communities will continue to review its services to help the Council manage this reduction in resources.
- The Better Council Change Programme - Environment & Communities has supported the strategic development and delivery of the transformation programme during Phases 1 and 2 of the programme and will continue to play a lead role in the delivery of phase 3 of the programme. Phase 3 presents the most challenging circumstances to date and will impact on all service areas within Environment & Communities as well as requiring cross cutting work with other areas of the Council and key partner organisations.

4.6 During 2018/19, the key priority focus of activities delegated to this Board for Environment & Communities will be:

**Council Plan Strategic Outcome 1:  
Reshaping our place, our economy and our future**

- i) **Paisley 2021 Legacy** - Leading on the delivery of public realm and transport infrastructure improvements. This will focus on working with stakeholders including the business and local communities to promote a clean, safe and welcoming Paisley. Supporting the annual events programme and growing the evening and night time economy.
- ii) **Economic Framework and Paisley Town Centre Action Plan** – Supporting the delivery of the 10 strategic priorities of the Economic Framework with particular focus on the following two priorities:
  - Regenerating and investing in Paisley Town Centre – Investment in the public realm, in particular walking, cycling and civic space and the creation of improved connections to the wider Glasgow City Region.
  - Strengthening the transport infrastructure – Achieving a behavioural shift to more sustainable modes of transport; an improved road network; walking and cycling provision; and the development of an enhanced transport infrastructure.
- iii) **Roads Infrastructure** – Maintaining and improving strategic road, rail and transport connections and maintain the road network based on the most efficient whole life costs and delivery of the 2018/19 roads and footways capital investment programme.
- iv) **Invest in Renfrewshire and Regeneration** - Actively being involved in the Invest in Renfrewshire scheme through modern apprenticeships, graduate internships and the Project SEARCH initiative.

**Council Plan Strategic Outcome 3:  
Tackling inequalities, ensuring opportunities for all**

- i) Promoting equality and diversity through all of its service provision and contributing to the development of the Council's six equality outcomes.

#### **Council Plan Strategic Outcome 4: Creating a sustainable Renfrewshire for all to enjoy**

- i) **Team Up To Clean Up** – Continuation of the campaign to engage communities in delivering environmental improvements in their neighbourhood. The service will provide support for litter picks, gulley cleaning, dog fouling, street cleaning and road infrastructure improvements. The service will also support communities and build their capacity with communications, training, equipment and skills development.
- ii) **Street Lighting Infrastructure** – Completion of the Street Lighting Investment Programme and replacing conventional street lamps across Renfrewshire with more energy and cost efficient LED alternatives.
- iii) **Clyde Valley Shared Service Residual Waste Project** – Delivering the shared service residual waste project to ensure compliance with the landfill ban to be introduced in January 2020 and to contribute to the National Zero Waste targets. The project will be commissioned by East Dunbartonshire, East Renfrewshire, North Ayrshire, North Lanarkshire and Renfrewshire Councils mid to end 2019 and be fully operational by December 2019.
- iv) **Waste Strategy** – Implementing a Waste Strategy taking into account the legislative obligations for reducing waste being sent to landfill and the Scottish Household Recycling Charter and associated Code of Practice.
- v) **Sustainable Food Strategy** – Leading on the development, design, implementation and awareness raising of a Sustainable Food Strategy for Renfrewshire in partnership with Engage Renfrewshire and the local Health & Social Care Partnership. The strategy will: tackle food poverty; improve access to healthy food; boost the local food sector; create employment opportunities; promote food growing; and community enterprise models around food.
- vi) **Air Quality Action Plan** - Delivering the Renfrewshire Air Quality Action Plan and implementing action measures to improve air quality across Renfrewshire.
- vii) **Fleet Vehicles** – Rationalising and delivering improvements in fleet utilisation and efficiency, expanding the use of alternative fuels, improving maintenance and procurement processes.
- viii) **Flood Management** – Undertaking actions in the Clyde and Loch Lomond Local Plan District Flood Risk Management Strategy to mitigate and reduce flooding in identified risk areas.

#### **Council Plan Strategic Outcome 5: Working together to improve outcomes**

- i) **Service Investments 2018 onwards** – The Council at its budget meeting on 2 March 2018 approved a number of investment priorities some of which will be led and delivered by Environment & Communities. In particular
  - Investment in Environment & Place and Team Up to Clean Up through a budget commitment of a further £2.5 million over the next 5 years.
  - Revenue and capital investment in green spaces and play parks and also the establishment of a villages investment fund.
  - An ambitious roads capital investment programme.
  - Elements of tackling poverty.
  - Development and implementation of a respectful funeral service and

revenue investment to deliver improvements in the Council's cemeteries estate across Renfrewshire.

- ii) **Better Council Change Programme** - Environment & Communities has committed to the delivery of an ambitious programme of change throughout 2018/19 and 2019/20 to deliver transformational change that will change the relationship the Council has with its communities, delivering workforce integration and making better use of the Council's assets. This transformational change will ensure that our services continue to deliver for the communities of Renfrewshire, whilst increasing productivity and reducing cost.
- iii) **Workforce Planning** - Implementing the Environment & Communities workforce plan which recognises the changing workforce profile over the last few years and the workforce profile and skills that will be required for future years. Focussing activities on address age profiling, learning & development, succession planning and skills development. The plan will deliver a flexible, skilled, modern workforce that will deliver for communities in Renfrewshire.
- iv) **Information Technology** - Information Technology will be used within Environment & Communities to modernise service delivery and support efficiency and productivity improvements. The service will support the implementation of the corporate Enterprise Resource Planning system.

- 4.7 Priority actions and performance indicators are core elements of the Service Improvement Plan. The priority actions set out how each of the key priority outcomes will be addressed, the key tasks to be implemented, an implementation time-table, and the measures of success. A range of performance indicators are provided to monitor progress over the period of the plan.
- 4.8 Implementation of the Service Improvement Plan is monitored and relevant activities and progress will be reported to the Infrastructure, Land & Environment Policy Board on a six monthly basis. The first progress update on the Service Improvement Plan 2017 to 2020 will be submitted to the Infrastructure, Land & Environment Policy Board in November 2018.
