7 CLIMATE CHANGE (REN-ZERO) - PRESENTATION

R Smith and P Moss, Chief Executive's Service provided a presentation relative to Climate Change.

During the presentation a definition of Climate Change was provided, while reference was made to the local impacts of Climate Change, the progress and achievements, to date, of Scotland's Climate Action and Renfrewshire's Plan for Net Zero.

It was highlighted that Renfrewshire's Plan for Net Zero was Council- led but was for the area as a whole and required everyone to participate in order to achieve the ambitions. In addition, it was also highlighted that the local aim of working towards Net Zero by 2030 was to ensure the whole of Renfrewshire was a safer, healthier, greener and fairer place for everyone to live, work and spend time in and that repeated small individual actions, repeated on a large scale could have a big impact in tackling climate change. On that basis it was deemed critical to identify key sources of emissions to be targeted to enable progress to be monitored using an open and transparent process. The importance of knowing the starting baseline for emissions in order to work to collectively reduce emissions was also emphasised. In this connection, the evidence used to determine the emissions baseline which would be used to monitor future progress and achievements was outlined.

A summary of the avenues via which local communities could get involved was provided.

Following discussion, it was agreed that a hyperlink would be circulated for the Business survey, In addition, it was intimated that copies of the Plan for Net Zero were available on request from the Climate Emergency Lead Officer (Comments/feedback on the Plan were invited and would be incorporated into the ongoing engagement process. Information was also requested by members of the Local Partnership relating to the Community Climate Action Fund projects and it was agreed that arrangements would be made to circulate details following the meeting.

DECIDED:

(a) That a hyperlink to the Business Survey be circulated to members of the Local Partnership, together with additional information relating to the Community Climate Action Fund projects; and

(b) That otherwise the content of the presentation be noted.

8 PAISLEY MUSEUM

A Morrison, Head of Economy and Development Services, provided a verbal update on the progress being made on the refurbishment of Paisley Museum – a flagship project for Paisley Town Centre. He advised that on completion there would be around 27% increase in space within the venue which is due for completion around Autumn 2023

and due to open around Spring 2024 dependent on supply availability of materials.

DECIDED: That the information provided be noted.

9 **COUNTY SQUARE/TAXI RANK**

A Morrison, Head of Economy and Development Services, provided a verbal update on the proposal to create the County Square area as public event space. Plans for this had been put on hold as a consequence of the owners of the Piazza Shopping Centre progressing plans to redevelop the multi-story car park of this shopping centre. This was put on hold as it had been identified as being unviable at this time. An update would be provided if there were any further developments in this area.

DECIDED: That information be provided if plans go ahead in future to develop the County Square area.

10 **ENERGY COSTS SUPPORT FOR COMMUNITY GROUPS & CHARITIES**

J Wilby, Paisley West & Central Community Council, advised members that increased energy costs had significantly impacted West End Community Centre. He further advised that measures had been taken to attempt to identify whether any type of funding was available. Enquiries were made with Cares - Connecting Communities – who advised to contact Business Energy Scotland for an audit report on the building to be carried out. Business Energy Scotland would provide advice and information and their report would inform a grant application to this organisation for support.

DECIDED: That the information provided be noted.

11 **PAISLEY NORTH WEST AND CENTRAL LOCAL PARTNERSHIP BUDGET MONITORING AND FEEDBACK REPORT**

There was submitted a report by the Chief Executive relative to the 2022/23 budget allocated to this Local Partnership. An appendix to the report detailed the distribution of funds.
