

To: Housing and Community Safety Policy Board

On: 12 May 2015

Report by: Director of Finance and Resources and Director of Development and

Housing Services

Heading: Revenue Budget Monitoring to 27 February 2015

1. Summary

1.1 Gross expenditure is £680,000 (1.0%) under budget and income is £642,000 (0.7%) less than budget which results in an underspend position of £38,000 for those services reporting to this Policy Board.

This is summarised over the relevant services in the table below:

Division / Department	Current Reported Position	% variance	Previously Reported Position	% variance
HRA	Breakeven	-	Breakeven	-
Other Housing	£38,000 underspend	0.6%	£41,000 underspend	0.9%

2. Recommendations

- 2.1 Members are requested to note the budget position
- 2.2 Members are requested to note that since the last report there have been budget realignments of £690,000 related to additional Discretionary Housing Payments funding from the Scottish Government.

3. **Housing Revenue Account**

Current Position: Breakeven

Previously Reported: Breakeven

The current breakeven position principally reflects underspends in the expenditure categories of Employee Costs, Supplies and Services, Payments to Other Bodies and Capital Charges being offset by an increase in CFCR (Property Costs) and lower income levels as detailed below.

Employee Costs

The current underspend of £354,000 within Employee Costs is mainly due to vacancies which have occurred within the service over the course of the year.

Property Costs

The additional expenditure of £907,000 relates to the agreed strategy of using underspends within the HRA and Capital from Current Revenue to reduce new debt and to smooth debt repayments to support the sustainable delivery of the Business Plan.

Supplies and Services

The current underspend of £75,000 has arisen due to lower than expected levels of expenditure on information technology and office equipment.

Payments to Other Bodies

The underspend of £892,000 is mainly due to two main factors. The first is the level of irrecoverable rent being lower than budget by £369,000 due to the expected Welfare Reform pressures resulting from under-occupancy and Universal Credit not materialising as quickly as anticipated. The Bad Debt Provision continues to be updated to ensure that the forecast remains up to date, whilst maintaining a prudent approach.

The second factor is the lower than expected expenditure levels against Welfare Reform budgets mainly as a result of the streamlining of the Discretionary Housing Payment (DHP) process and the additional resources made available, which has resulted in an underspend of £550,000 at this stage in the financial year. Any in year underspend will be carried forward through HRA reserves at the year end for use in future years.

Capital Charges

The underspend of £310,000 is due to the capital charges being lower than projected.

Income

The under-recovery of £631,000 mainly reflects the reduced drawdown from balances in respect of Welfare Reform budgets as referenced under Payments to Other Bodies (£550,000) and a reduced level of recovery on professional fees (£110,000) due to vacancies.

3.1 **Projected Year End Position**

At this stage in the financial year, it is projected that the HRA will achieve a breakeven position at the year end. Projected underspends will be offset by a corresponding increase in the planned CFCR contribution.

4. Other Housing

Current Position: Net underspend of £38,000

Previously Reported: Net underspend of £41,000

The current net underspend of £38,000, mainly reflects an underspend in Employee Costs of £31,000 which has resulted from vacancies experienced over the course of the financial year.

4.1 **Projected Year End Position**

It is anticipated at this stage that the Other Housing year end position will be an underspend of £375,000 as a result of an improved outturn position on the Council's Housing Benefit subsidy position reflecting proactive work undertaken to mitigate any loss in subsidy relating to changes associated with temporary and supported accommodation arrangements.
