**1. Summary**

- 1.1 The purpose of this paper is to invite standing members of Johnstone and Linwood Local Partnership to agree the appointment of community representatives to vacant positions within the Local Partnership.

**2. Recommendations**

- 2.1 It is recommended that standing members of Johnstone and Linwood Local Partnership:
- (a) Consider the summary of applications received in relation to the places for community representatives on the Local Partnership which require to be filled, as set out at paragraph 3.3 and;

**3. Background**

- 3.1 The first meeting of the Johnstone and Linwood Local Partnership held on 29 January 2019 agreed community representatives to fill eight of the nine remaining spaces. The intention was that the remaining space would be taken up by a young person's representative if possible.
- 3.2 Criteria have been developed to support members to come to a decision on the appointment of community representatives. These were set out as part of the application and are as follows:
- Size of the community the group represents.
  - Mechanisms in place to communicate with the local community.

- Whether a group represents or support a community of interest and how connected the group is to other community groups in the area.
