On: 24 August 2016

Report by: Director of Finance and Resources

Heading: Council Tax: Accounts for write off

1. Summary

1.1 In accordance with Financial Regulation 3.5.10 a report regarding the write-off for sums over £10,000 due must be submitted to the Finance and Resources Policy Board.

- 1.2 The debt recovery process involves extensive effort by the Council and its collection agents to locate the debtor and recover the debt. During this process a stage can be reached when it is recognised that the recovery of the sums is no longer viable and it is prudent to write-off the recovery of the outstanding liability.
- 1.3 The Council has actively pursued the debts summarised on the attached Appendix through its follow up cycle and it is considered appropriate to write-off the outstanding balance, as it has exhausted recovery options.
- 1.4 The approval for the write-off will enable the Council to prudently reflect within the financial accounts an accurate representation of the collectable debt. The Council continues to monitor the accounts and, where the circumstances of the debtor alter, will instigate further recovery action as appropriate. The level of write-off will be contained within the Council's bad debt provision.
- 1.5 An analysis of the debt proposed for write-off highlighting the reason why collection is deemed irrecoverable is shown in table 1 below:

Table 1
