What does your Organisation/Group do?	1.10	Create primarily works with local young people in Paisley, with the aim of fostering safe environments and facilitating events and activities inspired and informed by the interests and passions of local young and the wider community. We are working hard to promote a 'positive Paisley'. Central to this, Create aims to advance local arts and culture, cultivating a creative community and giving spaces and opportunities for artists and musicians to develop their skills, abilities and potential.

Young people will increase in confidence, develop skills in technology and design, engage in the wider community and build social networks with other young people. Create will continue to engage young people where they're at and signpost them to relevant activities. CREATE was started in response to local young people hanging out in the town centre who were seeking a positive place on the weekends to play their music. Over the last 4 years of our Create Cafe, our fortnightly youth drop, 25% of attendees have been from postcodes from the top 2 deprived deciles (SIMD2016). Lots of the young people we work with say there is a lack of free-to-access art and music opportunities in Paisley and therefore Create identified a need for such programmes and safe environments. We don't want cost to be a barrier to young people succeeding. Create will deliver creative programmes in song writing, filmmaking, photography, app design and continue to work hard to offer free high quality arts opportunities for young people. Workshops and opportunities will be advertised through social media, schools and partnership organisations. Create will continue to run Cafe nights, offering safe spaces for young people to come and be creative, showing off their creations. Volunteers will be trained to support young people, signposting young people to relevant services and meeting identified</p>

What does your Organisation/Group do?	1.10	The Scottish Afro-Caribbean Art Association (S.A.A.C) provides the Renfrewshire community with an outlet to celebrate and share the diversity of their different cultures. We provide the resources and tools to illustrate the heritage and traditions of their homelands through music and art.

How much grant funding are you seeking?	2.10	£23,000.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	<p>This project is to promote cultural integrations to the community and to have a platform for celebrating diversity and also to generate interest and understanding in each other's culture's, in non-threatening, friendly and inquisitive environments. We want to dispel any myths and misunderstandings that are easily reported but have no real factual support and have real impacts on minority communities. The idea was identified through a table - talk group in Reem whose initials objectives was to come up with ways of promoting cultural integration in the community. The group noted that Renfrewshire has diverse cultures, but it lacked opportunities and places for people to share such cultures. As a result the carnival idea was identified as a good opportunity for encouraging members of the wider community to come together, share cultural experiences through art, dance, and drama and celebrate. On the lead up to the actual West Indies type of parade, we plan to arrange a programme of activities in partnership with local youth groups operating around the Renfrewshire Area. These activities will cover such things as National costume designing and making, playing musical instruments related to certain cultures, and fun around finding out about each other's cultural beliefs and history by way of dance, story-telling and other art mediums. The parade and event will be organised. Our main objective is artistic development through this specific project. The Carnival allows the opportunity for the community to come together and the workshops allow the delivery of skill building and creative enjoyment. What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	To provide musical instruments to all members who come along to singing memories to be able to participate in the music therapy. Singing memories was set up in Renfrewshire a few years ago, and was a pilot project. The evening is singing and music therapy to help people with dementia. The sessions are run out the normal Alzheimer's activities and are a free service with donations only from some attendees. A previous music therapist came to the group to do various musical exercises and sing along. She supplied musical instruments such as mini drums, tambourines, rattles, maracas. However, since she left the group is left without the instruments that form a huge part of the therapy. Singing memories and music therapy has been identified as a huge benefit to the mental health of the people who come along to the group. We will purchase a variety of "children's" musical instruments through a supplier recommended by a music therapist. This will allow the group to fulfil all parts of the program to enjoy singing and playing along to music. In some cases, people with dementia will not talk, however they will sing. It also leads to memory return when music reminds them of people, places or things they used to take part in and for relatives caring for their loved one this can bring so much joy. The group has about 50 including carers coming along at the moment but we hope this will expand therefore we will need lots of instruments.		
What is your group's current bank balance?	1.14	£22,735.25		
Are there any significant items of expenditure to be set against this bank balance?	1.14	No We note that the bank details are for the whole of Scotland where balance fluctuate and not a true representation of Renfrewshire services.

The project will allow St Mirren Netball Club to provide quality coaching, facilities, kit, equipment, officiating and playing opportunities for all members. Throughout the 2017/18 season the club has developed and grown in numbers. A full committee structure is now in place and our membership numbers have increased to the point where we are entering a 3rd competitive team into the local league. This project will allow us to successfully support 3 competitive teams, as well as a number of recreational players. It will also increase competitive opportunities by allowing entry to national tournaments, ensuring these opportunities are available to all members. The increase in numbers means more kit, equipment and officials are needed. There is also an increase in coaching hours due to attendance at more games. The outcomes are to provide: Top coaching across all competitive teams and for recreational players, Safe and appropriate facility, Safe, quality, rule adhering equipment, further supporting club growth and development, Improvement in Club Performance, Continued increase in club membership, Qualified coaches/ umpires from existing members who will use these qualifications to the benefit of the club, Teams entered in local leagues as well as national tournaments
