21/1453/PP Ward 2 - Renfrew South And Gallowhill	JCAM Renfrew GP Plato Place 11 St Dionis Road London SW6 4TU	Land At Zone 6 Westway 35 Porterfield Road Renfrew PA4 8DJ	<p>Planning permission is sought for the erection of a single storey extension to the side of a detached dwellinghouse at Crosslee Gardens, Crosslee.</p> <p>The dwellinghouse is located at the end of a cul-de-sac from which it is accessed from the south-west. The plot is otherwise bounded by other neighbouring residential properties save for a small area of open space which partly bounds the site to the north.</p> <p>The proposed extension would be erected on the east side elevation of the existing house, from which it would project by approximately 2.8 metres. The proposal would measure a depth of some 9.4 metres and would feature a flat roof which would reach a maximum height of some 3.132 metres. The walls of the proposal would feature larch cladding, with a window and patio doors featuring anthracite grey coloured framing.</p> <p>Additional alterations proposed, including the replacement of an integral garage door with a window to support the conversion of the garage, constitute permitted development and do not therefore require to be subject to assessment.</p>	NMV Accepted	19/04/2023
Proposal	Approval of Matters Specified in Condition 10.1, 10.2, 10.3, 10.5, 10.6 and 10.10 insofar as they relate to the Internal Access Road and Gatehouse for Development Zone 6 of planning permission 19/0187/PP.

In this case, the proposal requires to be assessed in respect of the Adopted Local Development Plan and the emerging Local Development Plan.</p> <p>Adopted Local Development Plan 2019 and New Supplementary Guidance</p> <p>With regards to Policies E1 and E3 of the LDP. The proposal would be ancillary infrastructure to support previously consented development within AMIDS and does not raise any new land use issues and as such, would comply with Policies E1 and E3 of the LDP.</p> <p>Policy I6 requires that development proposals which deliver increased energy efficiency and the recovery of energy that would otherwise be lost will be supported. Proposals should incorporate climate change mitigation and adaptation into the design of new development through the integration of renewable or low carbon energy technologies.</p> <p>The development would provide a new district heating network which would distribute low carbon and renewable heat from an energy centre which would be energy resilient with a security of supply and contribute to the overall development of the AMIDS site.</p> <p>Regarding any visual impact, this would be minimal with the energy centre being contained in the Laighpark WWTW. The network,</p>

			<p>with the exception of a small outlet at the MMIC and NMIS buildings, would be wholly contained underground thus any visual impact would be insignificant.</p> <p>In view of the above, it is considered that the proposal would meet the relevant provision of the Adopted LDP.</p> <p>Proposed Local Development Plan 2019 - and New Supplementary Guidance</p> <p>The policies contained within the Proposed LDP are largely similar to that of the Adopted LDP. POLICY E2 contained within the Proposed LDP also states that City Deal investment aims to make a significant contribution to the Renfrewshire economy and sustainable and inclusive economic growth including increased employment; the health of Renfrewshire's Centres; the delivery of new homes; the visitor economy; and, enhanced accessibility and connectivity across Renfrewshire.</p> <p>The proposal relates to ancillary infrastructure in association with providing a low carbon heat network to consented development within the AMIDS site with potential to provide the same to other future developments within the site and surrounding areas. As such and together with the reasons detailed above, the proposal would also accord with the relevant provisions of the Proposed LDP and New Supplementary Guidance.</p>

			<p>Recommendation and Reason for Decision</p> <p>Having given consideration to the above assessment, it is found that the proposal complies with the policies and guidance of the Council and there are no other material considerations that would indicate otherwise. It is therefore recommended that the application be approved.</p> <p>Index of Photographs</p> <p>No site visit was undertaken for this application.</p>
