# **RENFREWSHIRE VALUATION JOINT BOARD**

## **ASSESSOR AND ELECTORAL REGISTRATION OFFICER**

### **SERVICE PLAN APRIL 2015- APRIL 2018**

#### **PART ONE** **SERVICE FUNCTION**

## **1.0 INTRODUCTION**

Renfrewshire Valuation Joint Board was established as part of the 1996 reorganisation of local government in terms of The Valuation Joint Boards (Scotland) Order 1995 and is vested with the functions of the valuation authorities of Renfrewshire, East Renfrewshire and Inverclyde. With the agreement of the three Councils, the Board also has responsibility for the Electoral Registration function for all 3 areas.

The Assessor is responsible for valuation for non-domestic rating (The Valuation Roll) and council tax banding (The Valuation List), and in his role as Electoral Registration Officer, the compilation of the Electoral Register.

The primary service functions are the compilation and maintenance of the Valuation Roll, the compilation and maintenance of the Valuation (Council Tax) List and the preparation and publication of the Register of Electors.

### **1.1 VALUATION ROLL**

The Valuation Roll is a list of all non-domestic properties, which are not excluded properties, along with the Net Annual and Rateable Values which the Assessor has established for each property. These annual values form the basis for non-domestic rates charges. The Roll is published annually and updated weekly.

The Assessor is normally required to complete a 5-yearly Revaluation of all non-domestic properties within the Valuation Roll. The most recent of these was completed in accordance with the statutory timetable and came into effect on 1<sup>st</sup> April 2010. However ,a decision by Government postponed the 2015 Revaluation until 2017, at present we are preparing for this next Revaluation which will become effective from 1<sup>st</sup> April 2017.

The number of properties in the Valuation Rolls for the three council areas varies around 10,350 with a total Net Annual Value at revaluation of c. £338 million.

The Assessor for Renfrewshire is the designated Assessor for fixed line telecommunication subjects throughout Scotland, this has added £38.5m to the Renfrewshire Valuation Roll. This is currently resourced from the existing budget allocation.

### **1.2 VALUATION LIST**

The Council Tax Valuation List is a list of all domestic properties upon which Council Tax charges are based. It is published annually and updated weekly.

Each dwelling is placed in one of eight broad valuation bands according to its estimated market value as at 1<sup>st</sup> April 1991.

There are over 165,000 dwellings in the Valuation Lists for the Joint Board area.

### **1.3 REGISTER OF ELECTORS**

The Register of Electors contains the names of all persons resident within the area and eligible to vote at Parliamentary, Scottish Parliamentary, European and Local Elections. It is published annually, by the 1st December, and outside of the canvass period (see below), is updated on a monthly basis. The number of electors on the register at April 2015 is 254,204.

The Revised Register is updated by a canvass of all households, which is carried out during August - November each year (The Canvass Period).

An Open Register of Electors, which is made available for a variety of purposes, is also prepared.

#### **1.4 OTHER FUNCTIONS**

Arising from legislative requirement or commitment to government policy, the assessor also carries out a range of functions in support of the above primary services. These include the following:-

Corporate Governance procedures and practices have been implemented and are adhered to at member and official level. These will be continually reviewed and improved with particular reference made to such good practice and good governance guidance as is provided by Audit Scotland. Risk Management forms an integral part of the corporate governance framework.

Accountability is achieved through a combination of external audit, internal audit, performance monitoring and reporting.

RVJB recognises its duty, under Section 1 of The Local Government in Scotland Act 2003, to make arrangements to secure Best Value. The Valuation Joint Board is committed to the principles and practices of Best Value and to the integration of this theme into all areas of operation.

In accordance with Equalities Act 2010, RVJB discharges its functions in a manner which encourages equal opportunities and the observance of equal opportunity requirements.

The Valuation Joint Board recognises its staff as valuable assets and key stakeholders.

Proper Financial procedures and practices, including annual budgeting, monthly monitoring and public reporting, are in place.

The services of RVJB will continue to be supported and improved on through the application and development of Information Technology systems in accordance with the approved IT Strategy.

In accordance with Section 23 of the Freedom of Information (Scotland) Act, both the VJB and the Assessor maintain Publication Schemes and comply with the requirements of the request for information regime. Further, they recognise and adhere to the Codes of Practice issued under the terms of the Act. The appropriate model publication scheme has been adopted. Section 23 does not apply to the statutory functions of the ERO but the general principles of openness will be reflected in responses to requests for information.

The Public Records (Scotland) Act 2011 requires that listed public authorities submit Records Management Plans to the Keeper for approval and to hold and maintain records in accordance with that plan. This period of this service plan will cover the development and submission of a Records Management Plan for approval and for the implementation of its terms within the Joint Board

RVJB operates in an ever more complex and financially challenging environment and continues to develop a range of key partnerships and stakeholder relationships.

## **RENFREWSHIRE VALUATION JOINT BOARD**

### **ASSESSOR AND ELECTORAL REGISTRATION OFFICER**

### **SERVICE PLAN APRIL 2015- APRIL 2018**

#### **PART TWO** **CORE OBJECTIVES**

The criteria for the planning, management, monitoring and reporting of the three main areas of function are included in Part Four, 'Performance Management'.

## **2.1 THE VALUATION ROLL**

- 2.1.1 Maintenance of the Valuation Roll, including the addition of new subjects and the amendment of existing subjects, will continue, year-on-year, in accordance with the Joint Board's established procedures for completion within the statutory timescales and annual targets. Valuation Notices will be issued to all Proprietors, Tenants and Occupiers and all relevant changes will be notified to the billing authorities timeously.
- 2.1.2 The next Revaluation is scheduled for 2017 and preparations to ensure that our Statutory Duties are met are well under way. The shortened timetable for analysis and publication of the new Valuation Roll present a particular challenge. The Assessors staff will contribute at the Scottish Assessors Association (SAA) to ensure harmonisation throughout Scotland and will through the SAA liaise with the Valuation Office Agency to achieve harmonisation throughout the UK.
- 2.1.3 Approximately 15,000 Revaluation Notices will be issued to Proprietor Tenants and Occupiers of subjects within the Valuation Roll on 15<sup>th</sup> March 2017, each one of these has a right of appeal. The last date for submission of such appeals will be 30<sup>th</sup> September 2017, and the statutory timetable for their disposal will be 31<sup>st</sup> December 2020. To facilitate the timeous disposal of these, the Assessor in conjunction with the Secretary and Chairperson of the local Valuation Appeal Panel for Renfrewshire, will schedule Valuation Appeal Committee Hearings, and staff will invest significant effort in achieving settlement.
- 2.1.4 In addition, running roll appeals can be submitted at any time during the life of the Valuation Roll. The Assessor will include such appeals in his ongoing schedule of VAC Hearings in order that they are disposed of in accordance with their varying timetables.
- 2.1.5 In support of the appeals process, the Assessor's staff will continually ingather and analyse rental (and other) information. Additionally, staff have actively participated in the Working Groups and Committees of the Scottish Assessors' Association to confirm or amend the 'Practice Notes' produced by the SAA for the purposes of this forthcoming Revaluation. In the longer term, but quite possibly within the time period of this service plan, a review of the Scottish Tribunals Systems may result in changes to the local Valuation Appeals Panels and to the processes and procedures required when working with the Secretary/Assistant Secretary to the Panels.
- 2.1.6 Factors which may be out with the Assessor's control include the scheduling of appeals for a number of subjects or subject types which have been, or may in the future be, referred to the Lands Valuation Appeal Court or Lands Tribunal for Scotland. This effectively removes the timetabling of appeals from local control and provides a degree of uncertainty in service planning.
- 2.1.7 The Assessor for RVJB is responsible for the maintenance of all fixed line Telecom valuations for all of Scotland. The obligation to deal with these subjects, and their appeals in particular, may place significant additional obligations on the organisation and may impact on its functions, and structure. There are still some 2005 /2010 running roll and Revaluation appeals against the NAV/RVs of these subjects which have been referred to the Lands Tribunal. Further, similar information gathering, analysis and valuation processes will be required for these valuations in advance of the 2017 Revaluation. Close liaison with the Valuation Office Agency will be retained throughout.

## **2.2 THE VALUATION (Council Tax) LIST**

- 2.2.1 Maintenance of the Valuation List, in particular the addition of new subjects, will continue, year-on-year, in accordance with the Joint Board's established procedures for completion within annual targets. Banding Notices will be issued to all interested parties and all relevant changes will be notified to the billing authorities timeously.

- 2.2.2 Band changes following alteration to and subsequent sale of properties will continue in accordance with the Joint Board's established procedures.
- 2.2.3 A small number of proposals/appeals against banding continue to be received. Discussions in relation to these are ongoing and, where necessary, the Assessor will refer such appeals within six months of receipt, to the Secretary to the local Valuation Appeal Panel for inclusion in the schedules of VAC Hearings.
- 2.2.4 There is a possibility that a Council Tax Revaluation may be ordered at any time. Although it is unlikely that such a Revaluation will be ordered in the near future, a watching brief will be retained and processes and procedure to facilitate such a Revaluation will be initiated as required. In the meantime, records of alterations to domestic properties will be maintained and updated.

### **2.3 THE REGISTER OF ELECTORS**

- 2.3.1 The 'Full' Annual and 'Open' Registers will be published by 1<sup>st</sup> December in each year following a canvass carried out, as before, during August - November. The objective of the canvass will be to ensure the maximum possible number of returns, satisfactorily completed and that the register accurately reflects the information contained on them. This process will be supported by provision of a telephone, SMS and internet canvass return service. Door to Door inquiries will be carried out at houses where resident have failed to respond to the postal canvass.
- 2.3.2 The Register will be updated on a monthly basis between January and September by the production of Lists of Additions, Deletions and Alterations. All statutory Notices and Lists will be timeously provided to relevant parties.
- 2.3.3 Election Registers and Lists of Absent/Postal/Proxy voters etc will be produced as required by statute and by agreement with Returning Officers.
- 2.3.4 During the lifetime of this Service Plan the system of Electoral Registration in Great Britain will be changing from a household based collection of information ,to one based on individuals being invited to apply to registered and supplying information directly to the ERO. This system will be supplemented by household enquiry forms replacing the traditional canvass form. The applications received will be subject to verification from sources such as Department of Work and Pensions (DWP). The transition period has to be reviewed and may finish in either December 2015 or December 2016
- 2.3.5 Following the devolution of powers for Scottish Parliamentary and Local Government Elections to the Scottish Government , ERO's are required to compile a register which includes 14/15year olds , this is to facilitate preparing a register for either of the aforementioned elections in Scotland which will contain young persons who are 16yrs old on the date of the election.
- 2.3.6 Any constituency or ward boundary changes will require to be actioned timeously., however the major boundary review for the UK Parliament has been delayed until 2018. A Scottish Local Government Boundary Review is planned during the life of this Service Plan and appropriate changes to ward boundaries will require action to allow them to be processed in time for the 1<sup>st</sup> December register in 2016.
- 2.3.7 Working with the Electoral Commission through the Assessors Association –Electoral Registration Committee and the Association of Electoral Administrators (AEA) to assist with formation of policy regarding Individual Registration.
- 2.3.8 Following the creation of the Electoral Management Board for Scotland the ERO is subject to directions issued by the Convenor to this Board in respect of local government elections in Scotland and any future Scottish referendums.
