1	Renfrewshire Local Development Plan Report by Chief Executive.	1 - 36
----------	--	---------------

To: Communities, Housing and Planning Policy Board

On: 14 April 2021

Report by: Chief Executive

Heading: Renfrewshire Local Development Plan

1. Summary

- 1.1 Following the Communities, Housing and Planning Board's meeting on 16 March 2021, its decision on the Renfrewshire Local Development Plan (LDP) Examination Report (Item 11 on that agenda) was called-in by the Council's Leadership Board for its consideration.
- 1.2 A special meeting of the Leadership Board took place on 6 April 2021 and decided to remit the decision on the Renfrewshire Local Development Plan back to the CHPS Board for further consideration
- 1.3 This report now deals with the process that must be followed, following the decision by the Leadership Board, in order that the Council is able to meet its statutory obligations in terms of legislation regarding LDPs.
- 1.4 To meet these obligations members must clearly state which of the Reporter's Modifications to the Proposed Plan LDP they agree with and which, if any, they do not wish to accept.
- 1.5 For any of the Modifications which they do not wish to accept members need to clearly state which of the legislative criteria (set out in para 5.4 of this report) they are relying on to reach this judgement. Such decisions for each Modification not being accepted will require to be set out in detail as part of the Minutes of the Board meeting
- 1.6 Evidence that was not available to the LDP Reporter cannot be introduced at this stage of the process for the purpose of disagreeing with the planning merits of the Examination recommendations.

- 1.7 The statutory deadline for the Council to offer a formal response to the Reporter's recommended Modifications, and to write to Scottish Ministers to let them know how they plan to proceed, is 2 May 2021.
-

2. **Recommendations**

2.1 It is recommended that the Board:

- (i) Considers the report on Examination of the Renfrewshire Local Development Plan; and
 - (ii) For any modifications they do not wish to support, set out clearly their reasons for not accepting these in line with Planning Circular 6/2013; and
 - (iii) authorise the Head of Economy and Development to modify the Proposed Renfrewshire Local Development Plan in line with the Reporters recommendations in the Examination Report subject to any recommended modifications that are rejected by the Board; and
 - (iv) authorise the Head of Economy and Development to notify the Scottish Ministers of the Council's intention to adopt the Local Development Plan, subject to any modifications which the Board do not wish to accept.
-

3. **Background**

- 3.1. The background to the process followed by Renfrewshire Council in preparing its LDP is set out in detail in the report to CHPS Board on 16 March 2021.
- 3.2. The full Examination Report which members are considering at today's meeting can be found on the Council's website at <http://www.renfrewshire.gov.uk/article/3070/Preparation-of-the-next-Local-Development-Plan>. Board members have been sent a hard copy of the Examination Report ahead of today's meeting.
- 3.3. Appendix 1 to this report lists all the Reporter's recommended modifications for member's benefit in relation to the recommendations of this Board report. Members must consider their response and either accept, or otherwise not accept and give their reasons for not accepting any of the modifications to the LDP. Modifications can only be rejected under a limited set of circumstances which are set out in detail in para 5.4 of this report
- 3.4. It should be noted that in most issues examined, the Reporters agreed with the approach taken by the Council in preparing the LDP.
- 3.5. Many of the recommended modifications in the Examination Report largely relate to minor text and graphic changes and the addition of guidance from the New Development Supplementary Guidance to policies within the Plan.

- 3.6. The most significant changes recommended by the Reporters to the LDP are in relation to housing sites and to 3 new policies that are proposed for inclusion in the Plan.
- 3.7. The Reporter has recommended the inclusion of 3 new policies within the Infrastructure Section of the Plan. The new policies relate to:
- Communications and Digital Infrastructure; (see Examination report page 74);
 - Zero and Low Carbon Developments (see Examination report page 76);
 - Developer Contributions (see Examination report page 90)

4. **CHPS Board meeting of 16 March 2021**

- 4.1. At the CHPS Board meeting on 16 March 2021, the officers' report recommended that Board accept all the modifications recommended by the Reporters for the LDP Examination. Following discussion, the Board decided to reject the recommendations in the officers' report.
- 4.2 The discussion at the Board meeting, referred to 4 housing sites. These are listed in the table below.
- 4.3 Of the housing sites discussed at the meeting, 3 were subject to modifications by the Government Reporter. The site at Burnfoot Road in Lochwinnoch was not subject to any modification by the Reporter. The Reporter has agreed this site continue to be allocated for housing development, as per the Council's settled position on the Proposed Plan LDP agreed in March 2019.

Sites referred to at CHPS Board 16 March 2021	LDP Examination ref	Proposal Plan LDP status (Feb 2019)	Reporter's Modifications (Feb 2021)
Thriplee Road, Bridge of Weir	LDP 2064	Green Belt / Policy P1	Housing allocation / Policy P2
Elderslie Golf Club, Elderslie	LDP 2077	Green Belt	Housing allocation / Policy P2
Golf Driving Range, Johnstone	LDP 2057	Housing allocation	Green Belt
West of Burnfoot Road, Lochwinnoch	LDP 2032	Housing allocation	No modification

5. **Next Steps and Legal Position**

- 5.1 The procedure for considering the Examination Report and subsequently adopting the Local Development Plan is regulated by legislation. One of the key requirements is that the Planning Authority has 3 months from receipt of the Examination Report (until 2 May 2021) to submit a modified Local Development Plan to Scottish Ministers.

- 5.2 The authority has to consider which of the proposed modifications it accepts and which it does not agree with and communicate this to Scottish Ministers ahead of the above deadline.
- 5.3 The Reporters' modifications are set out in Appendix 1 to this report.
- 5.4 The planning authority has very little scope for declining to follow the Reporters' recommendations. The authority can only decline to make the recommended modifications to the proposed LDP in the exceptional circumstances where there are specific reasons for not doing so, as set out in Section 19(10) of the Town and Country Planning (Scotland) Act 1997 (as amended) and the Town and Country Planning (Grounds for Declining to Follow Recommendations) (Scotland) Regulations 2009. These exceptional circumstances are limited to where the Council considers the recommended modification would:
- a) make the Local Development Plan inconsistent with the National Planning Framework or Clydeplan Strategic Development Plan (2017);
 - b) be incompatible with Part IVA of the Conservation (Natural Habitats etc) Regulations 1994;
 - c) would not be acceptable having regard to an environmental assessment carried out by the Council following modification of the plan in response to the recommendations, or
 - d) be based on conclusions that could not reasonably have been reached by the Reporter based on the evidence considered during the Examination.
- 5.5 Following the Board's decision, a modified Proposed Renfrewshire Local Development Plan will be sent to the Scottish Ministers and the Council will advertise its intention to adopt the Plan ahead of the statutory deadline. The Scottish Ministers have the power to:
- approve the Plan as modified by the Council;
 - direct the Council to modifying the Plan as per the Reporter's recommendations (if the Council does not accept all the modifications recommended)
 - delay the adoption of the Plan.
- 5.6 Once the Council has advertised its intention to adopt the Plan, the Scottish Ministers have 28 days to consider the Plan (extendable by the Scottish Ministers). Depending on the decision of the Ministers, the Plan will then be formally adopted.
- 5.7 There is a statutory right of appeal to the Court of Session, within 6 weeks of adopting the Plan, for those challenging the validity of the Plan, if a person feels aggrieved by the Plan or any alteration, repeal, or replacement of the Plan.
- 5.8 The Council would be vulnerable to legal challenge and may be subject to a direction from the Scottish Ministers should it not comply with the requirements of Section 19 (10) of the 1997 Act or fail to meet the 3 months deadline for responding to the Scottish Ministers in Section 19 (12).

Implications of the Report

1. **Financial** – There is a material risk of significant exposure to unbudgeted financial costs should the Council fail to appropriately follow due statutory processes and is subject to subsequent legal challenge. This financial exposure would extend to costs associated with protecting the Council's interests and managing the due legal and court process, as well as the potential for exposure to significant financial costs that could be awarded by the courts to a pursuing party or parties who was successful in demonstrating the Council's failure to comply with a statutory duty has directly resulted in them suffering a financial loss.

Similarly, there is a potential for parties pursuing a planning appeal being awarded costs which would be the responsibility of the local planning authority to meet.

2. **HR & Organisational Development** – None

3. **Community/Council Planning** –

Reshaping our place, our economy, and our future - The Development Plan is a key document in establishing a land use framework for supporting, encouraging, and delivering economic development in Renfrewshire through investment and regeneration.

4. **Legal** – The Council is required to follow the statutory procedure for the consideration of the Examination Report and the adoption of the Local Development Plan in the Town and Country Planning (Scotland) Act 1997 and in supporting regulations and planning circulars. The Council's decision to adopt the Plan can be challenged by appeal to the Court of Session. Any failure to follow the statutory procedure could also be challenged in court. The Scottish Ministers also have powers to intervene in the decision to adopt the Plan.

The Council is also required by Government policy to have an up to date LDP. Until the new LDP is adopted then the Council's statutory LDP will be the 2014 adopted plan in terms of reaching decisions on planning applications. The 2014 LDP is of a significant age and will be out of date in terms of the housing land requirement and site allocations, some of which will be superseded by the information in the Proposed Plan LDP and planning permissions granted in the interim. The Proposed Plan and the Examination Report will remain material considerations until such time as a new LDP is adopted.

5. **Property/Assets** – Various property implications because of the LDP designations of land use around Renfrewshire.

6. **Information Technology** - None

7. **Equality & Human Rights** -

- (a) The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and

monitored, and the results of the assessment will be published on the Council's website.

8. **Health & Safety** - None
 9. **Procurement** - None
 10. **Risk** – See “Legal Implications” section (above).
The Council will also face a reputational risk if we do not comply with our statutory obligations as a local authority.
 11. **Privacy Impact** – None
 12. **COSLA Policy Position** - None.
 13. **Climate Risk** - The Proposed Local Development sets out a framework, spatial strategy, and policies to ensure sustainable development and places, aiming to facilitate the transition to a low carbon economy and adaptation to climate change.

The Council are working with partners to address this requirement through the Strategic Housing Investment Plan but recognise that current levels of funding are uncertain beyond 2021 which could constrain the delivery of affordable homes during the plan period. Policy P3 Housing Mix and Affordable Homes adopts a proactive approach to support the delivery of affordable homes and recognises the importance of creating sustainable communities across Renfrewshire while addressing affordability issues in North and West Renfrewshire. Development viability and the appropriate housing mix for the area will be key considerations when determining the level of affordable homes to be delivered on a site."</p>	183
