
To: Renfrewshire Integration Joint Board Audit Committee

On: 24 November 2017

Report by: Chief Finance Officer

Heading: Local Code and Sources of Assurance for Governance Arrangements

1. Summary

- 1.1. At its meeting on 23 June 2017, the Integration Joint Board (IJB) approved a Local Code of Corporate Governance based on the seven principles of CIPFA's and SOLACE's Framework. The Local Code includes identified sources of assurance which enable the IJB Audit Committee to review and assess its governance arrangements, against which it will measure itself in Annual Governance Statements from 2017/18 onwards.
- 1.2. Due to the complexity of this document, members felt it would be helpful to further understand individual principles and our compliance with each of these. In response to this feedback an overview of each source of assurance per each of the principles will be developed.
- 1.3. A draft example of the overview is included at Appendix 1 for members to agree whether this is suitable for the purpose outlined above. Subject to Audit Committee approval of this, further work will be undertaken to populate the remaining principles and also rate our compliance against each source of assurance. An updated version of this will then be taken to the IJB in January 2018 so members are kept routinely sighted on this as per the agreed reporting arrangements.

2. Recommendations

- 2.1. It is recommended that the IJB Audit Committee:

- Note the contents of this report;
- Approve the overview template to be populated for each of the principles, noting that this will thereafter be brought back to the IJB in January 2018;
- Agree the annual review of IJB governance arrangements and reporting of the outcome of that review in an Annual Governance Statement will be scrutinised by the IJB Audit Committee in advance of IJB approval.

3. Background

- 3.1. The IJB's approved Annual Governance Statement for 2015/16 confirmed that it had adopted governance arrangements that were consistent with the principles of CIPFA's and the Society of Local Authority Chief Executives' (SOLACE) framework 'Delivering Good Governance in Local Government: Framework' and the Statement explained how the IJB complied with the

- Framework and also met the Code of Practice on Local Authority Accounting in the UK.
- 3.2. While the Framework is written in a Local Authority context, most of the principles are applicable to the IJB, particularly as legislation recognises IJBs as a local government body under Part VII of the Local Government (Scotland) Act 1973, and therefore subject to the Local Authority Accounting Code of Practice.

- 3.3. At its meeting on 23 June 2017, the IJB approved a Local Code of Corporate Governance based on the seven principles of CIPFA's and SOLACE's Framework.

4. Sources of Assurance

- 4.1. The Local Code includes identified sources of assurance which enable the IJB to review and assess its governance arrangements, against which it will measure itself in Annual Governance Statements from 2017/18 onwards.
- 4.2. Appendix 1 provides an update on the current status of each source of assurance, highlighting where any sources have still to be developed or updated, and confirms review arrangements for all sources which are in place.

5. Compliance with Local Code

- 5.1. The Local Code of Governance Arrangements is a statement of the policies and procedures through which we direct and control our functions and how we interact with service users, the local community and other stakeholders. It enables the IJB to demonstrate that its governance structures comply with the core and sub principles contained in the Framework, and test their governance structures and partnerships against the Framework's principles.
- 5.2. The Local Code of Corporate Governance is subject to ongoing review by the Chief Finance Officer to ensure that internal controls, risk management and other governance arrangements are improved through the implementation of the framework. The update on the Local Code will be brought to the January 2018 Audit Committee.

6. Future Governance Arrangements

- 6.1. It is recommended that the review of the Local Code of governance arrangements, and scrutiny of the outcome of that review in the 2017/18 Annual Governance Statement, is carried out by the IJB Audit Committee in advance of being presented for IJB approval.
