20/0308/PP Ward 5 - Paisley East And Central	Link Group Ltd Watling House Callendar Business Park Falkirk FK1 1XR	Site Bounded By Smithhills St Lawn St Abbey View And Weir St Paisley	<p>Section 151 of the Town and Country Planning (Scotland) Act 1997 makes provision for an application to be made in order to determine whether a proposed development would be lawful in planning terms. This involves an assessment as to whether the development would constitute development requiring planning permission or whether it would constitute permitted development under the provisions of the Town and Country Planning (General Permitted Development) (Scotland) Order Amendment Order 2011. Permitted development rights have not been removed at the address and there are no other relevant planning restrictions in place on the site. In addition, the proposal would not breach any condition or other limitation imposed on any previous planning permission.</p> <p>In order to determine this application, the development is required to be assessed against the criteria set out within The Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2011. Class 1A of the above legislation relates to an enlargement of a dwellinghouse by way of a single storey ground floor extension, including any alteration to the roof required for the purpose of an enlargement. The extension is considered to comply with the criteria set out within class 1A as follows:</p>	NMV Accepted	12/08/2021

Applic no.	Applicant	Site Address	Description of Variation	Decision	Decision Date
			<p>a) No part of the development would be forward of a wall forming part of the principle elevation or side elevation where that elevation fronts a road.</p> <p>b) The property is detached and the development does not extend more than 4 from the rear elevation of the original property.</p> <p>c) The eaves do not exceed 3 metres in height.</p> <p>d) No part of the development exceeds 4 metres in height.</p> <p>e) The area of ground covered by the resulting dwelling house is not more than twice the area of ground covered by the original dwelling house.</p> <p>f) The area of ground covered by development within the rear curtilage of the dwelling house (excluding the original dwelling house and any hard surface or deck) does not exceed 50% of the area of the rear curtilage (excluding the ground area of the original dwelling house and any hard surface or deck).</p> <p>g) It is not within a conservation area.</p> <p>Overall, the development is considered to constitute permitted development because the works proposed comply with the criteria set out in Class 1A of the Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2011. As such, the development is lawful and this application for a certificate of lawfulness must be approved.</p>
