### CHAIR

Councillor Bruce MacFarlane, presided.

### IN ATTENDANCE

C Dalrymple, Lead Officer, Head of Facilities & Property Management; A Armstrong-Walter, Strategic Partnership & Inequalities Manager; A Faulkener, Planning & Policy Development Officer; L McLean, Communities Learning & Development Officer; J Kennedy, Senior Community Development Officer; R Wilkinshaw, Housing Regeneration & Development Manager; D Pole, End User Technician; and A McNaughton and E Gray, Senior Committee Services Officers (all Renfrewshire Council).

### ALSO ATTENDING

S Brown (Engage Renfrewshire); D Smart, S Leckie and S Provan (all Foxbar Community Hub); A McBride (Community Mental Health & Wellbeing); I McNair (Paisley & District Scouts); and D Onyewuenyi (Celebrating Renfrewshire Youth Steering Group).

### RECORDING OF MEETING

Prior to the commencement of the meeting the Convener intimated that this meeting would be recorded for subsequent broadcast via the Council's internet site.

## **APOLOGY**

T Lawler, Foxbar & Brediland Community Council.

## **DECLARATIONS OF INTEREST**

Jim Duffy declared an interest in Item 6: Foxbar Community Hub, as he was part of the project team delivering this initiative and intimated his intention to remain in the meeting during the discussion.

### **1 MINUTE OF PREVIOUS MEETING**

The minute of the previous meeting of Gleniffer Local Partnership held on 28 June 2022 was submitted and approved.

**DECIDED:** That the minute be approved.

### **2 CELEBRATING RENFREWSHIRE UPDATE – PRESENTATION**

J Kennedy and D Onyewuenyi delivered a presentation about the activities of the Celebrating Renfrewshire Youth Steering Group and the disbursement of Celebrating Renfrewshire grant funding through participatory budgeting; a democratic process where young people vote to decide which projects in their area receive grant funding.

The presentation explained that the Youth Steering Group had identified funding priorities and then planned and delivered the participatory budgeting exercise. 14 local groups had received Celebrating Renfrewshire awards totalling £35,997.00.

**DECIDED:** That the presentation be noted.

### **3 WINTER CONNECTIONS**

A Armstrong-Walter delivered a presentation about Winter Connections, a programme of activities taking place in the local area and throughout Renfrewshire.

The programme aimed to provide opportunities for residents to connect and take part in events that were local, open, free and easy to access. The programme would signpost and publicise new and existing events offered by local community groups, for which small grants of up to £2,000 were available. The timescales for applying for funding and delivery of the programme were outlined and it was noted that a warm and welcoming environment at these events would reduce social isolation and help with the cost of living crisis. Local groups were encouraged to get involved.

**DECIDED:** That the presentation be noted.

#### 4 **COMMUNITY MENTAL HEALTH AND WELLBEING FUND 2022/23**

A McBride delivered a presentation about the Community Mental Health & Wellbeing Fund for adults, a national initiative being delivered and promoted in Renfrewshire by Engage Renfrewshire. The fund aimed to support community based initiatives that promoted good mental health and wellbeing and/or mitigated and protected against the impact of distress and mental ill health within the adult population.

Engage Renfrewshire had received funding of £509,542 to be disbursed over two years. The type and range of community based activities for which funding was available was outlined and local groups were encouraged to apply and to complete an online survey to ascertain feedback.

**DECIDED:** That the presentation be noted.

#### 5 **BUILDING COMMUNITIES APPROACH**

L McLean delivered a verbal presentation about the Building Communities Approach, highlighting her role as a Community Development Officer (Youth Services) within the Community & Learning Development service which aimed to develop and deliver new projects and partnerships with key groups and organisations operating in this local partnership area.

It was noted that a community needs assessment would be carried out to determine demand for youth activities in the area and how youth activities could be made more accessible. Current StreetStuff initiatives at Foxbar Youth Drop In and Go Zone at Glenburn Community Centre were noted. A collaborative approach, giving a voice to young people and working with groups already operating in the area was highlighted.

**DECIDED:** That the presentation be noted.

### **DECLARATION OF INTEREST**

J Duffy, having declared an interest in the following item, remained in the meeting and took part in the discussion.

#### 6 **FOXBAR COMMUNITY HUB - PROJECT UPDATE**

D Smart delivered a presentation about Foxbar Community Hub. He explained that additional community facilities had been identified during the development of the Foxbar Local Place Plan and as Foxbar Scout Group were, at the same time, looking for new accommodation, it had been agreed that Foxbar Scout Group would project manage the delivery of Foxbar Community Hub. The Hub would provide a multi-use/multi-user community space in the area.

He outlined the vision for the space/facility, the work undertaken to date and the preferred site at Brediland Road (formerly Londis). Some early drawings of what the facility and floorplate might look like were displayed online. The next steps to secure land and funding for the build were outlined. It was anticipated that the land would be purchased by Autumn 2023.

**DECIDED:** That the presentation be noted.

7 **GLENIFFER LOCAL PARTNERSHIP BUDGET MONITORING AND FEEDBACK REPORT**

There was submitted a report by the Chief Executive relative to Gleniffer Local Partnership Budget Monitoring and Feedback. An Appendix to the report detailed funding awarded to date and provided feedback from eight recipients of awards in 2021/22.

**DECIDED:** That the report be noted.

8 **FUTURE MEETING DATES**

It was proposed that future meetings of this Local Partnership be held on 28 February 2023, 25 May 2023, 19 September 2023 and 12 December 2023. This was agreed.

It was further proposed that: (i) if available, future meetings take place in the Council Chambers at Renfrewshire House where hybrid facilities could be provided ie: allowing members to choose whether to attend in person or remotely via Teams; or (ii) that future meetings take place onsite at a venue within the Local Partnership area. This was agreed.

It was noted that “hybrid” facilities to allow attendance in person or via Teams could not be provided at venues other than the Council Chambers.

**DECIDED:**

(a) That future meetings of this Local Partnership be held on 28 February 2023, 25 May 2023, 19 September 2023 and 12 December 2023;

(b) That, if available, future meetings take place in the Council Chambers at Renfrewshire House where hybrid facilities could be provided ie: allowing members to choose whether to attend in person or remotely via Teams; or that future meetings take place onsite at a venue within the Local Partnership area; and

(c) That it be noted that “hybrid” facilities to allow attendance in person or via Teams could not be provided at venues other than the Council Chambers.

# Regeneration Areas

Local Partnership	Regeneration Area	Proposals
Renfrew	<b>Moorpark</b>	100% retention and investment in existing homes
Paisley East	<b>Auchentorlie</b>	Retention and investment with some demolition
	<b>Howard Street Area</b>	Retention and investment with some demolition
	<b>Thrushcraig</b>	100% demolition and newbuild
Paisley North West & Central	<b>Springbank/Mossvale</b>	Retention and investment, demolition and newbuild on site
	<b>Ferguslie/Broomlands</b>	Retention and investment, demolition and newbuild on site/adjacent – including pre-1919 tenements
Johnstone & Linwood	<b>Howwood Road Area</b>	Retention and investment, demolition and newbuild on site/adjacent
Gleniffer	<b>Waverley Road</b>	Retention and investment, demolition and newbuild elsewhere

# Waverley Road

# Waverley Road – Investment Works

The properties between 18 and 32 Waverley Road are to be retained.

A package of enhanced capital investment will be delivered including;-

Enhanced specification and improvements to the external environment and common areas, including closes, backcourts, bin stores and recycling facilities as well as the external fabric of the building.

Whole house retrofit approach to fabric works, with measures to improve energy efficiency and help reduce energy costs for tenants and residents.

Level of internal improvements to Council properties when void.

# Waverley Road – Demolition Works & Newbuild

The properties between 34 – 56 Waverley Road are to be demolished

Due to the layout of the land the cleared site would not be viable to redevelop for newbuild housing.

Tenants will be re-housed on a permanent basis

# Foxbar Rivers Area

- Approx 40 newbuild homes on two Council-owned sites to west of Dee Drive

Site	Ownership
1	Renfrewshire Council
2	Renfrewshire Council
3	Paisley Housing Association
4	Paisley Housing Association
5	Paisley Housing Association

# Retro-fit

- Fabric works will be tailored to the buildings in the area and will adopt a whole house retrofit approach with measures to improve energy efficiency and help reduce energy costs for tenants.
- When empty, Council properties will also receive an enhanced level of internal improvements.

# Demolition

- In blocks approved for demolition, any Council properties which are currently void or which become vacant will not be re-let.
- The Council has an approved Acquisition Scheme for Private Housing that allows the acquisition of privately owned properties to consolidate ownership and facilitate delivery of this ambitious investment programme.
- In blocks approved for demolition, if we cannot acquire privately owned properties on a voluntary basis we may seek to use CPO powers.

# Newbuild housing

- Our new homes are designed to be flexible and accommodate changing needs.
- All newbuild developments will include a mix of property types and sizes and ground floor accommodation will be level and step-free to meet mobility needs.
- All newbuild properties will be built to high energy efficiency standards and will have solar panels to help to minimise energy costs for tenants.

# WHAT IS CLIMATE CHANGE?

CLIMATE CHANGE REFERS TO THE CHANGES IN AVERAGE TEMPERATURES AND WEATHER CONDITIONS IN A REGION OVER MANY YEARS

- the increased **concentration of greenhouse gases** in the earth's atmosphere is **directly linked** to the rise in average **global temperatures** on earth and is resulting in global climate change
- since the industrial revolution, **levels of carbon dioxide (CO<sub>2</sub>)** have spiked rapidly
- global surface temperature has **increased faster since 1970** than in any other 50-year period over at least the last **2,000 years** - resulting in more severe and more frequent extreme weather events such as heatwaves, droughts, flooding and wildfires

# PAISLEY'S CLIMATE STRIPES: LOCAL IMPACTS OF CLIMATE CHANGE

THE COATS OBSERVATORY IN PAISLEY OPENED IN 1883 AND INCLUDES A WEATHER STATION THAT HAS BEEN RECORDING LOCAL WEATHER DAILY FROM 1885

- provides us with an **unbroken record of weather data**, including average local weather temperatures for each year since 1885
- from this data, **Paisley's Climate Stripes** were created – this shows the progressive heating of our local area in a single image

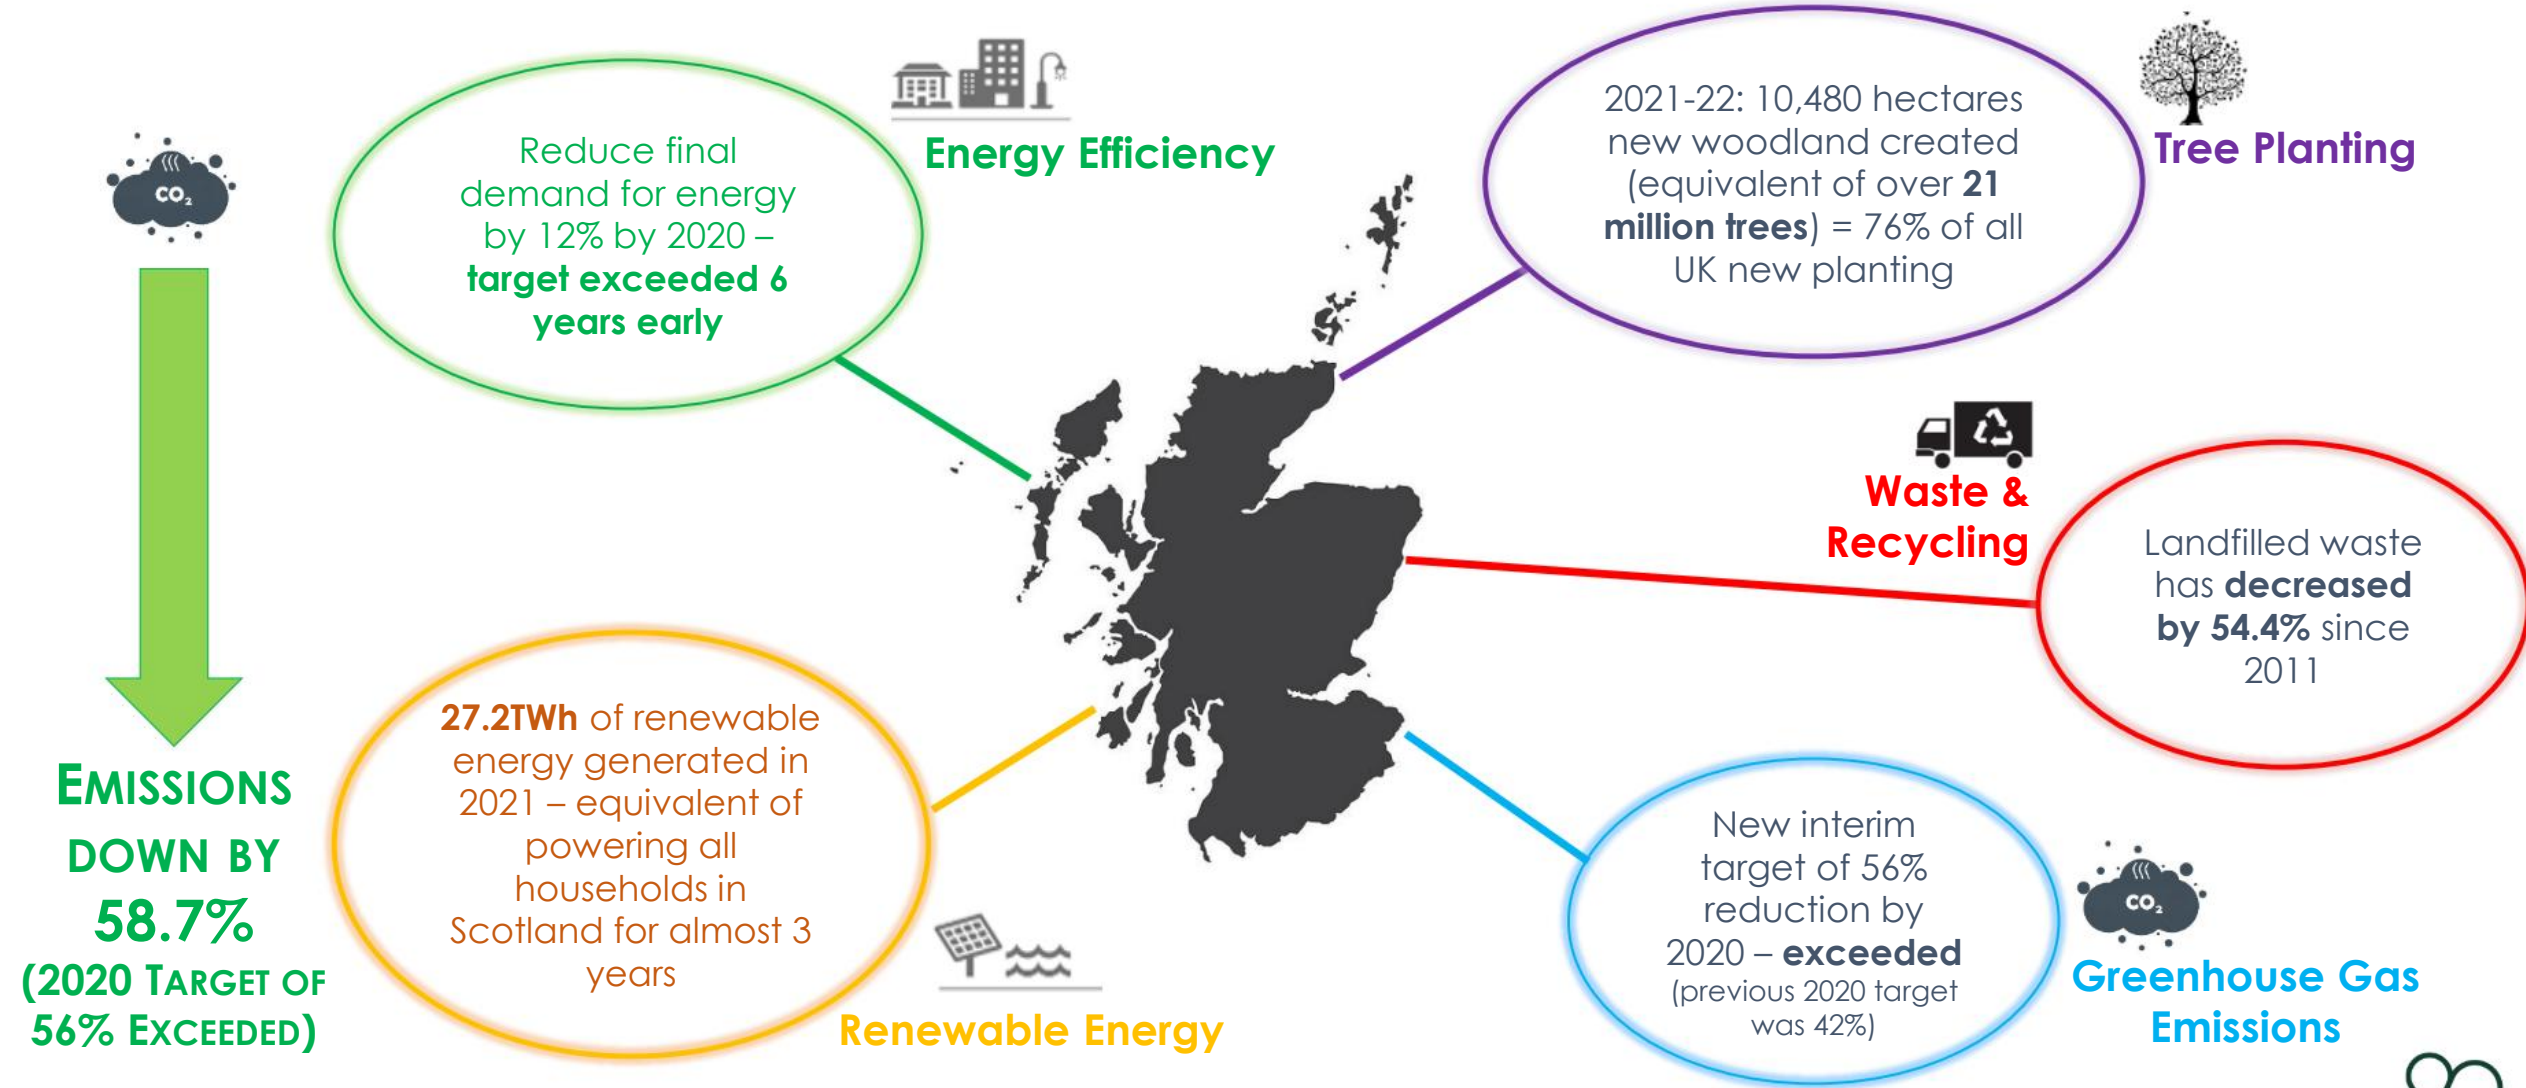

Coats Observatory average local temperature, 1885 to March 2020

THE CLIMATE STRIPES CLEARLY HIGHLIGHT HOW AVERAGE TEMPERATURES HAVE RISEN IN OUR LOCAL AREA AND THAT THIS HAS BECOME MORE FREQUENT & EXTREME IN THE LAST 25 YEARS

# SCOTLAND'S CLIMATE ACTION: PROGRESS & ACHIEVEMENTS SO FAR

# RENFREWSHIRE'S PLAN FOR NET ZERO

WORKING TOWARDS NET ZERO BY 2030 FOR THE WHOLE OF RENFREWSHIRE TO ENSURE A SAFER, HEALTHIER, GREENER AND FAIRER PLACE FOR EVERYONE TO LIVE, WORK AND SPEND TIME IN

## Going Net Zero:

**Reducing greenhouse gas emissions to nearly zero** – from our buildings, travel, industry, resource use and purchases  
and **locking up the remaining balance** through nature and mechanical carbon capture and storage schemes.

So the **balance of our emissions** is 'net' zero:

$$\text{Factory} + \text{Lightning Bolt} + \text{Electric Car} + \text{Recycling} - \text{Plant} = 0$$

SMALL INDIVIDUAL ACTIONS, REPEATED ON A LARGE SCALE, CAN HAVE A BIG IMPACT IN TACKLING CLIMATE CHANGE

## EVIDENCE BASE: EMISSIONS BASELINING

**WE ARE COMMITTED TO WORKING TOWARDS NET ZERO EMISSIONS. IN ORDER TO WORK COLLECTIVELY TO REDUCE EMISSIONS, IT IS IMPORTANT TO KNOW WHERE WE ARE STARTING FROM AS AN EVIDENCE BASE**

### Area-Wide Emissions Breakdown

### Key Findings - Area-Wide:

- Data shows transport is currently the biggest source of emissions in Renfrewshire at **34%**
- Residential energy: **29%**
- Commercial and Industrial energy: **29%**

### Key Findings – Renfrewshire Council:

- Renfrewshire Council makes up **2.5%** of the total area emissions
- Buildings we are responsible for: **67%**
- Council Fleet: **17.3%**

**IN ORDER TO PRIORITISE ACTION, IT IS CRITICAL TO IDENTIFY KEY SOURCES OF EMISSIONS TO BE TARGETED, TO ENABLE US TO MONITOR PROGRESS USING AN OPEN AND TRANSPARENT PROCESS**

# RENFREWSHIRE'S PLAN FOR NET ZERO

**WORKING TOWARDS NET ZERO BY 2030: WE WANT TO END RENFREWSHIRE'S CONTRIBUTION TO CLIMATE CHANGE WITHIN A GENERATION**

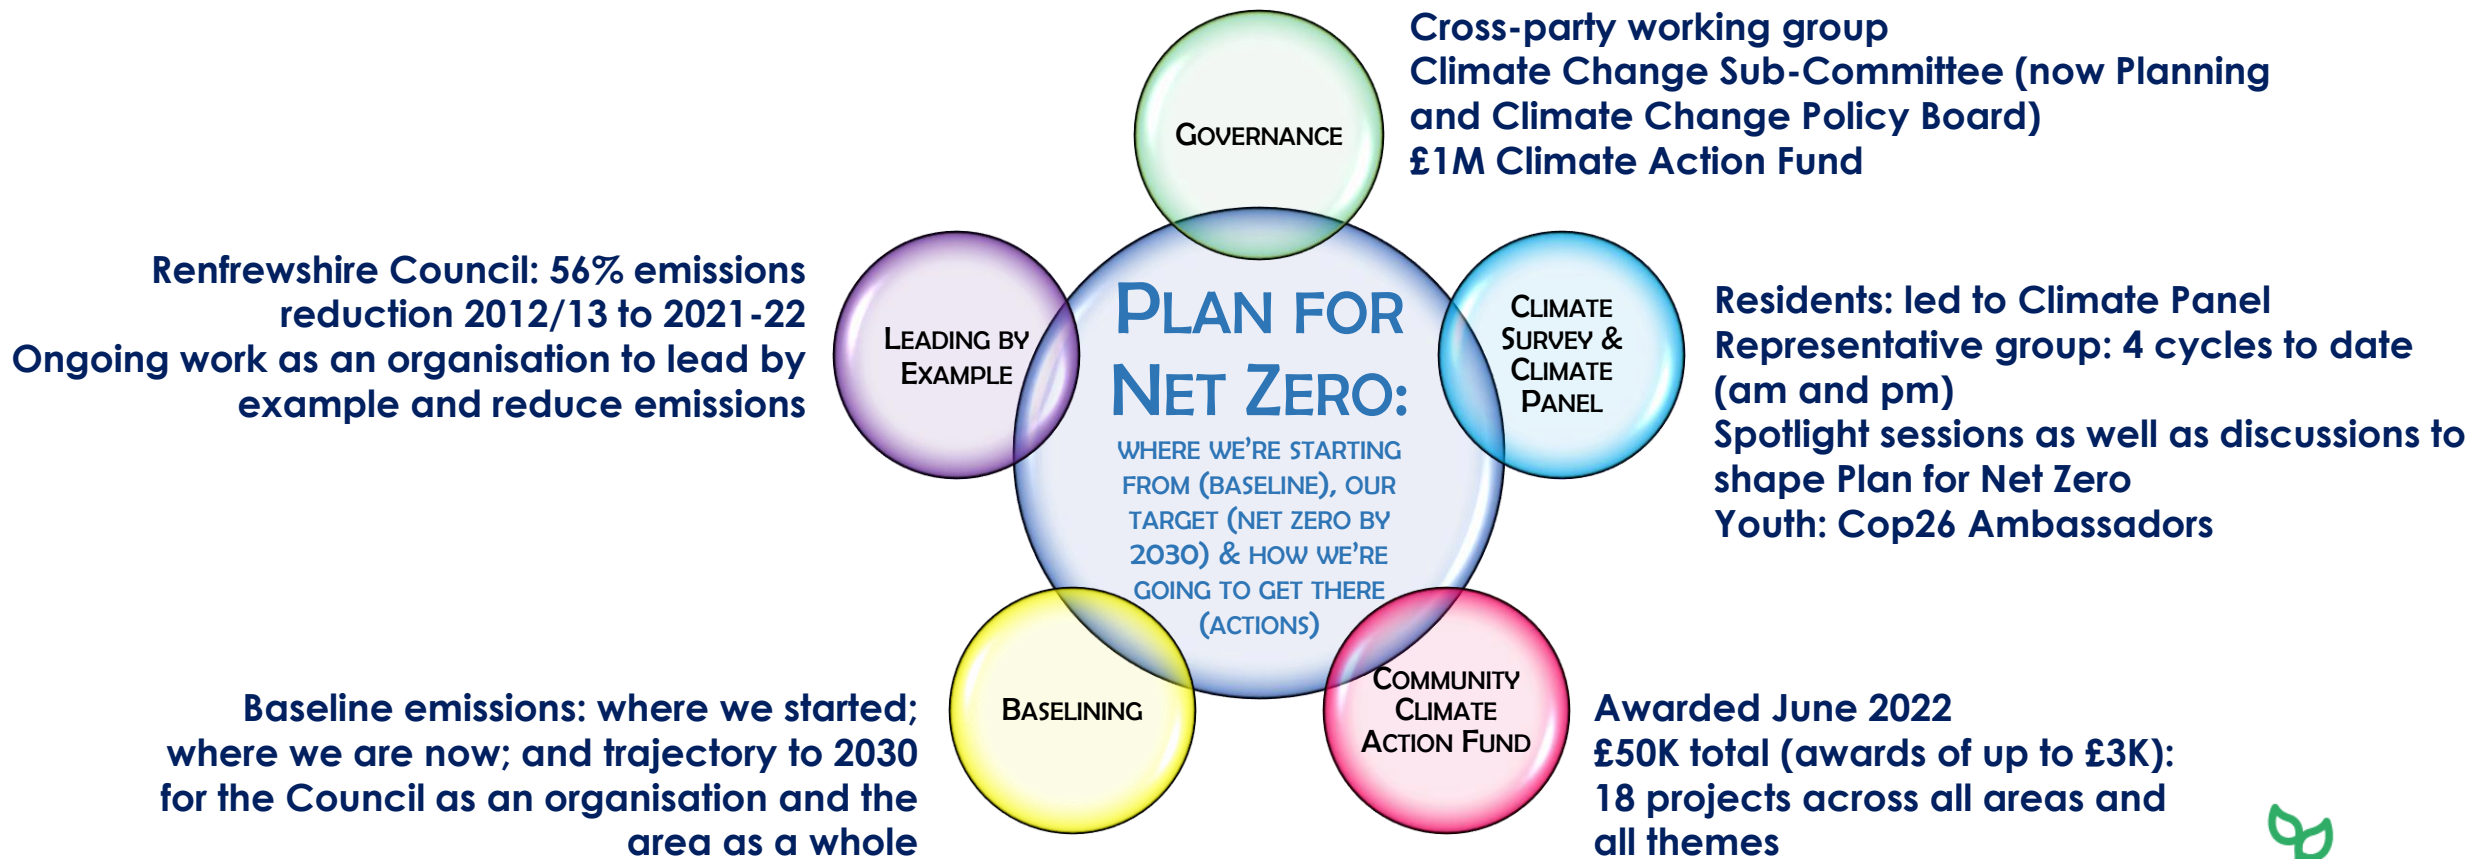

**THE PLAN IS COUNCIL-LED BUT IS FOR THE AREA AS A WHOLE AND WE NEED EVERYONE TO PARTICIPATE TO ACHIEVE OUR AMBITIONS**

# RENFREWSHIRE'S PLAN FOR NET ZERO: THE GROUNDWORK

*Renfrewshire Council declared a climate emergency in June 2019 and are committed to working towards net zero emissions by 2030*

**To: Gleniffer Local Partnership**

**On: 28 February 2023**

**Report by:**  
Chief Executive, Renfrewshire Council

**TITLE:**  
**Gleniffer Local Partnership Budget Monitoring and Feedback Report**

## **1. Summary**

- 1.1 Gleniffer Local Partnership provides funding to community groups to undertake projects. This funding is allocated from the General Grant Fund and, through a Participating Budgeting exercise known as Celebrating Renfrewshire, the Youth Challenge Fund.
- 1.2 A table setting out the funds allocated by Gleniffer Local Partnership in 2022/23 and current budget position is attached as an appendix to this report.
- 1.3 It was agreed by the Local Partnership that funding would be ringfenced for two applications from Stronger Communities Glenburn, where further paperwork was required and therefore applications were not available at the time. Funding was ringfenced for both awards in line with the maximum award agreed by the Local Partnership, which was £4,000. Details of the two applications are provided at Appendix 1.
- 1.4 Further to the awards being made earlier this year:
  - Renfrewshire Rainbow Buddies were awarded £460 by the Local Partnership, but did not take up their award as they no longer operate in the Local Partnership area. This funding has therefore not been paid and is returned to the Local Partnership's balance.
  - Following further enquiries, the application to Balanced Coaching Ltd was found to be not eligible as they are not a constituted voluntary or community organisation. This funding has therefore not been paid and is returned to the Local Partnership's balance.

- 1.5 Applications to the 2023/24 round of Local Partnership awards will be open from early March 2023. Updated guidance will be issued to applicants, with opportunities to attend support sessions to advise applicants and answer any queries about the process. Applications will be submitted to the May 2023 round of Local Partnership meetings for decisions on awards.

## 2. Recommendation

2.1 It is recommended that members:

- (a) Agree the two awards of £4,000 to Stronger Communities Glenburn from ringfenced funding, as detailed at Appendix 1
- (b) Note the budget monitoring report 2022/23
- (c) Note the additional feedback from 2021/22 projects received since November 2022

## Appendix 1

### Gleniffer Summaries

#### Local Partnership Support 2022/23

<b>Reference:</b> FR1179	<b>Organisation Name:</b> Stronger Communities Glenburn
<b>Project Name:</b> Cooking classes	<b>Amount applied for:</b> £10,000
<b>Purpose of the project</b> We have run cooking classes before and have found that families find them very beneficial. They encourage families to cook healthy from scratch. It also allows them to try new foods and encourage each other. We also show the families how to cook on a budget.  People have been struggling for many years cooking on a budget. Now more than ever with the rising costs of food and fuel. It will help people cook within their means and also have a healthy diet.	
<b>What will the project do?</b>  We will have as many families in as the funding allows us to. Each family will learn to cook healthy nutritious meals on a budget. We would like to run this in multiple community centres.	
<b>Gleniffer Local Priorities:</b>	

- ☐ Community assets
- ☒ What's on in Foxbar, Brediland and Glenburn
- ☐ Public Safety and road safety
- ☒ Isolation and loneliness
- ☐ Play facilities
- ☐ Partial fit with priorities
- ☐ Does not fit with priorities

### Anticipated Outcomes

People will learn to cook on a budget. This will give each family new skills to use in the kitchen. This will also allow people to come together for a common purpose. It will also allow people to meet new peers. Families will be able to get out of the house and cook together. Families are usually far too busy to cook together or in some cases they will have microwave meals. This incorporates more than one priority.

### Breakdown of costs

### About the organisation:

SCG aims to foster a group where children and families can meet and share for a common purpose. We work to make our community and surrounding areas a better place for children and families to grow up. We do this by building strong local relationships in the community.

<b>2019/20</b>			

<b>Reference:</b> FR1180	<b>Organisation Name:</b> Stronger Communities
<b>Project Name:</b> Miles of Smiles – Investing in play	<b>Amount applied for:</b> £6000
<b>Purpose of the project</b>  <p>We would like to introduce new play structures for our pre 5 children within our play group. Things like parent and child exercise classes, baby massage, mini kickers. This would be along with new outdoor toys for outdoor play.</p> <p>There is little in the way of family activities for the under 5s in our area. We have spoke with families regarding what they would like to see happen. Many of the families would like to be able to exercise along with the kids being there and taking part. Also many families can't afford to go to high end classes with the kids. Due to it being too expensive.</p>	
<b>What will the project do?</b>  <p>We plan to create low-cost classes in which all the families can be involved. Create play structures for the under 5s including outdoor play and creation station. Baby massage will be delivered.</p> <p>Local people will feel better about themselves, spend more time as a family and be able to enjoy activities. Families will thrive through growth and inclusion of the local community.</p>

### Appendix 3

#### Feedback From 2021/22 Awards

Community groups awarded funding from Gleniffer Local Partnership in 2021/22 were asked to provide feedback regarding the progress of their project and benefit to the local community. Attached below is feedback received for awards made by Gleniffer Local Partnership.

## **Paisley Pirates Ice Hockey Club**

**Organisation name** – Paisley Pirates Ice Hockey Club

**Project** – Provision of Ice

**Awarded** - £10,870.20

**LP Area(s):** Renfrew - £4844.64, Paisley East - £2437.95, PNWC - £2587.61, Gleniffer - £1000

### **What did you want the money to do?**

Get the Paisley Pirates back up & running after 21 months away due to the COVID pandemic. The financial support from Renfrewshire Council was crucial to our survival & ongoing legacy, which has been in existence since 1946.

### **What did you spend it on?**

Provision of Ice

### **How many people benefitted from/access your project?**

Many people (young/old) have benefited from ALL Local Partnerships in the Renfrewshire area, even although some of these partnerships turned down our application.

The community-wide benefited through our live events (Games at Braehead) &/or via social media outlets such as YouTube, Facebook, Twitter, Instagram & TikTok. The local press, namely Paisley Daily Express also featured (& continue to do so) the Pirates on a weekly basis.

The COVID pandemic caused many, if not a large majority of people within the community to feel isolated, lonely & depressed. However, our varied social media streams & the gradual increase of our live events, gave people a focus & way of interacting with others, whilst enjoying the sport they love.

### **How did your project benefit people in the community?**

The biggest impact to our community, was that Paisley Pirates have come through a major pandemic - COVID 19, which saw our team 'frozen out' for 21 months. However, through sheer determination & financial support from Renfrewshire Council, we have managed to survive & continue our legacy, which has been in existence since 1946.

Many of our players have been suffering from mental health issues stemming from COVID, as restrictions prevented participation of our sport. Our gradual return to play was of huge benefit, not only to our players, but management, volunteers & indeed our Renfrewshire wide supporters. The commencement of competitive games, which was our ultimate goal, as games made a huge difference everyone's mental wellbeing.

All of our social media streams have seen a steady increase in numbers this season (avg 21.6%). Follower numbers are as follows; Facebook 2806, Twitter 2499, Instagram 844. We have also introduced TikTok to our growing media streams this season.

### **How can you evidence the impact of your project?**

The Paisley Daily Express including social media streams such as YouTube, FaceBook, Twitter & TikTok are all available as evidence for our project.
