## **1. Summary**

- 1.1 The purpose of the report is to present the Draft NSCJA Action Plan for 2016/2017 in line with requirements to produce annual action plans under the overarching strategy of the 2014-17 Area Plan as specified by The Management of Offenders etc (Scotland) Act 2005
- 1.2 The plan outlines the activities that we intend to undertake in the final year of the 3 year Area Plan that will contribute to the realisation of the actions stated in the Area Plan that 'we will do as a partnership'.
- 1.3 The Action Plan follows the same format as last year to align to the reformatting of the Area Plan.
- 1.4 There are currently 16 activities outlined in the plan, the responsibility for each activity lies with either an individual or one of the NSCJA sub groups.
- 1.5 The main focuses of this year's activities will be the transition from the current structure to the new model of delivery through the shadow year and the successful disestablishment of NSCJA.
- 1.6 The draft action plan has been circulated around partners for consideration and comment.

## **2. Recommendations**

- 2.1** Note the content of this report
- 2.2** Approve the attached Action Plan.
- 2.3** Delegate authority to the Chief Officer in consultation with the Convener to amend Area Plan in line with any feedback from Scottish Government

---

## **3. Background**

- 3.1** The Management of Offender etc (Scotland) Act 2005 Section 3 (5) establishes a function of Community Justice Authorities to prepare in consultation with its partners a Plan which is aimed at reducing re-offending within its area. These plans must be prepared and submitted at the frequency specified by Scottish Ministers. At the present time Plans are required to cover a three year period.
- 3.2** The Action Plan is not just a freestanding document, it should show clear links to local priorities set out in the 2014-2017 Area Plan, and provide the basis for measuring progress on an annual basis. It should enable the CJA to demonstrate the 'value-added'.
- 3.3** The Action Plan is a dynamic document that will change to reflect new national developments and translate these into local initiatives.

# Action Plan 2016/17

## **Introduction**

The attached Action Plan has been developed in conjunction with our partners as a means of progressing the Area Plan 2014/17. The Area Plan set our broad strategic objectives to reduce re-offending within the North Strathclyde area. This Action Plan converts what we plan to achieve into specific activities and assigns a Responsible group or person; timescale and any resource implications to each.

## **Monitoring Arrangements**

North Strathclyde Community Justice Authority has established an Area Plan Implementation Group which meets on a quarterly basis throughout the year. It is the function of this group to monitor the progress towards our strategic objectives of the Area Plan. In addition to the Area Plan Implementation Group the CJA has established a number of short term working groups to take forward specific areas of work. The short term working groups also report directly into the Area Plan Implementation Group. Once the work of the short term working groups has been completed a final report with clear recommendations is submitted to the North Strathclyde Community Justice Authority board. Following approval of the report the recommendations are subsequently put into effect. It is usual practice for the board to request regular progress reports on each particular initiative.

## **Consultation Arrangements**

The attached Action Plan has been circulated around partner members who have had the opportunity to comment upon the proposed actions and agree the Responsible Officer; timescales and resources for implementation. This Action Plan and other NSCJA planning documents are available on our website [www.nscja.co.uk](http://www.nscja.co.uk)

# Action Plan 2016/17

## What Actions we will do as a Partnership.

1. We will continue to work effectively in partnership to ensure the coordination of plans/strategies; interventions and workforce learning and development to reduce reoffending.
2. We will agree an Action Plan each year with our partners and others, which will set out specific actions that we will manage and monitor through regular progress reports to NSCJA.
3. We will be responsive to developing policy initiatives by including these within our existing partnership structures or establishing new structures where required to implement at a local level.
4. We will take into account the recommendations of the Commission on Women Offenders and ensure all resources are utilised effectively across a multi agency and multi sector approach to addressing the needs of women offenders in the NSCJA area coordinated through the NSCJA Women's Services Steering Group.
5. We will continue to support the increased, appropriate use of all forms of community sentences and alternatives to custody. We will progress any appropriate actions arising from the current review of Community Payback Orders and the unit cost of CPO's, and review the delivery of Drug Treatment and Testing Orders across the NSCJA area.
6. We will continue to support the Scottish Prison Service; in particular taking advantage in the opportunities presented by the developing estate within the NSCJA area, whilst continuing to offer support to the innovative initiatives that have already been introduced.
7. We will continue to support the National; Local and exemplar Public Social Partnerships and through these we will communicate examples of good practice and success to our wider partnership group. We will work with key public sector bodies to secure sustainable funding for successful PSPs.
8. We will continue to work with NHS GG&C and other partners to pursue innovative initiatives that incorporate a 'Whole Family Approach' to address health inequalities experienced by offenders and their families.
9. We will work with Scottish Government Community Justice Division; Community Planning Partnerships and other partners and stakeholders to ensure the smooth and efficient transition of duties and functions to the new structure for Community Justice.
10. We will use flexibility and innovation in the way that we allocate funding whilst keeping a focus on 'What Works' and interventions that have the most impact on reducing reoffending.
