On: 23 June 2023

Report by: Chief Internal Auditor

Heading: Internal Audit Annual Report 2022/2023

#### 1. Summary

- 1.1 The Public Sector Internal Audit Standards (PSIAS) requires that the Chief Internal Auditor must deliver an annual internal audit opinion, on the overall adequacy and effectiveness of the internal control environment, that can be used by the organisation to inform its governance statement. The purpose of this report is to advise the Committee of the Internal Audit Annual Report including the annual opinion.
- 1.2 The Internal Audit Annual Report outlines the internal audit work we have carried out for the year ended 31 March 2023. The annual internal audit opinion must conclude on the overall adequacy and effectiveness of the organisation's framework of governance, risk management and control.
- 1.3 The report attached, includes the Chief Internal Auditor's independent and objective opinion as to the adequacy and effectiveness of the internal control environment. In forming the opinion, the Chief Internal Auditor has conducted a review of the Internal Audit reports issued to the IJB in the year and the internal audit annual report from Renfrewshire Council and internal audit progress reports from NHS Greater Glasgow and Clyde.

#### **Renfrewshire Health and Social Care Integration Joint Board**

#### **Internal Audit Annual Report**

#### 1 April 2022 – 31 March 2023

#### **1.** Introduction

- 1.1 Renfrewshire Council provides an internal audit service to the Renfrewshire Health and Social Care Integration Joint Board (IJB). This includes:
  - The compilation of an annual audit plan following consideration and evaluation of those areas of greatest risk in the organisation's operation, and consultation with the Chief Officer and Senior Management;
  - Delivery of the planned audit assignments;
  - Follow up of previous audit recommendations;
  - Provision of any ongoing advice support and training on audit and risk related matters;
  - Provision of an Annual Report and Assurance Statement to the IJB.
- 1.2 The Service operates in accordance with the Public Sector Internal Audit Standards which defines Internal Audit's role as:

".....an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes."

- 1.3 In line with the Standards, the purpose of this Annual Report is to report on:
  - The outcome of the planned Internal Audit reviews 2022/23 relating to the IJB;
  - The outcome of Internal Audit reviews undertaken by partner bodies;
  - Internal audit performance;
  - Planned audit work for 2023/24;
  - The annual assurance statement which provides an opinion on the overall adequacy and effectiveness of the IJB's internal control environment.
- 1.4 The operational delivery of services within the Health Board and Local Authority on behalf of the Integration Joint Board will be covered by their respective internal audit arrangements. In concluding on the overall opinion, the Chief Internal Auditor has conducted a review of the internal audit reports issued to the IJB in the year, the internal audit annual report from Renfrewshire Council and progress summaries from NHS Greater Glasgow and Clyde. (Appendix 1)

#### 2. Responsibilities of Management and Internal Audit

- 2.1 It is the responsibility of management to ensure that the areas under their control are adequate and effective and that there is a sound system of internal control which facilitates the effective exercise of the organisation's functions and which includes arrangements for the management of risk.
- 2.2 Internal Audit is not a substitute for effective control exercised by management as part of their responsibilities. Internal Audit's role is to independently assess the adequacy of the risk management, internal controls and governance arrangements put in place by management and to undertake sufficient work to evaluate and conclude on the adequacy of those controls for the period under review.

#### **3.** Internal Audit Activity during 2022/2023

- 3.1 The Internal Audit Plan for the IJB for 2022/2023 provided for reviews of information governance, risk management and the annual review of the adequacy and compliance with the Local Code of Corporate Governance. The review of risk management has been issued in draft to management and will be reported to the IJB Audit, Risk and Scrutiny Board once the action plan has been completed. The other reviews have been completed and the summaries of the work undertaken and the internal audit findings were submitted to the IJB Audit, Risk and Scrutiny Board on 24 March 2023.
- 3.2 The Annual Report for 2021/2022 was submitted to the Integration Joint Board on 24 June 2022.
- 3.3 The were no outstanding recommendations that required to be followed up during 2022/23 follow up exercise.

#### **4.** Review of Internal Audit Performance

4.1 Internal Audit produces regular reports on its performance during the year to Renfrewshire Council's Audit, Risk and Scrutiny Board, against a range of measures set annually by Renfrewshire Council's Director of Finance and Resources. These targets are set for all internal audit engagements and include Renfrewshire Council and other associated bodies, for which the team provides internal audit services. Table 1 shows the actual performance against targeted performance for the year.

#### Table 1

Performance measure	Target 2022/23	Actual 2022/23
% completion of audit plan for the year*	95%	93%
% engagements completed by target date	95%	97%

#### Internal Audit Performance 2022/23

% engagements completed within time budget	95%	98%	

this measures the completion percentage as at 31 March. 100% of the plan is ultimately delivered through the finalisation of the outstanding elements in the new financial year.

- 4.2 The percentage completion of the audit plan is slightly below the target set for the year. This was due to the level of unplanned leave and the additional time attributed to unplanned work. The actual performance for the year for the two other indicators, is above the target performance level.
- 4.3 The Chief Auditor is required to develop and maintain a quality assurance and improvement programme that covers all aspects of internal audit including conformance with the PSIAS. The review did not identify any areas of non-conformance that require to be addressed.
- 4.4 The PSIAS require the Chief Auditor to develop and maintain a quality assurance and improvement programme (QAIP) that covers all aspects of the internal audit activity. The QAIP must include both periodic internal self-assessments and five-yearly external assessments, carried out by a qualified, independent assessor from outwith the organisation.
- 4.5 We continued to participate in the Scottish Local Authorities Chief Internal Auditors' Group peer review process and our external assessment has recently been completed by the Chief Internal Auditor from South Ayrshire Council. The report concluded that the internal audit service fully conforms with the PSIAS. The report included 7 recommendations for improvement, 3 of which had already been identified through the internal self-assessment process. An action plan has been agreed to implement those recommendations by March 2024.
- 4.6 External Audit's review of the internal audit service concluded that overall the service operates in accordance with the PSIAS.

#### 5. Planned Work for 2023/24

- 5.1 Following a risk-based assessment of the activities of the IJB and consultation with the senior management team, the Internal Audit Plan for 2023/2024 provides for 35 days of Internal Audit resource to undertake:
  - A review of the performance management arrangements in place; and
  - The annual review of the adequacy and effectiveness of the Local Code of Corporate Governance.

The plan also provides time for planning and reporting, follow up on previous recommendations, ad-hoc advice and consultancy. The Internal Audit Plan for 2023/2024was approved by the IJB Audit, Risk and Scrutiny Committee on 24 March 2023.

#### 6. Audit Assurance Statement

- 6.1 The audit work performed in relation to the 2022/23 internal audit plan has been reported to the Chief Officer. Relevant audit work undertaken by partner organisations is reported to the Audit, Risk and Scrutiny Committee. Where areas for improvement in internal control have been identified, appropriate recommendations have been made and accepted for action by management.
- 6.2 There are no significant matters arising in relation to those audit engagements specific to the IJB and there have been no impairments impacting on the Chief Auditor's independence and the team has been adequately resourced during the year.
- 6.3 It is not feasible for the system of internal control to be without any weakness. It is important to balance the risks involved in accepting systems limitations with the consequences if a problem emerges. Internal Audit recognises this and assesses this in its reporting mechanism.
- 6.4 The audit plan is always intended to be flexible and contingency time was utilised to undertake additional work on areas of emerging risk. Within the Council, the gross operational internal audit days were reduced by 9% due to unplanned absence. The IJB Internal Audit Plan has been fully delivered.
- 6.5 In this context, it is considered that a reasonable level of assurance can be placed upon the adequacy and effectiveness of the Integration Joint Board's internal control, risk management and governance arrangements, as evidenced by:-
  - The results of the audit work in 2022/23 and the opinion's contained in the Internal Audit Annual Reports of the Local Authority and progress reports from the Health Board.
  - Management self-assessment of internal control, risk management and governance arrangements.
  - Management action to respond to audit recommendations.
