## Items of business

### **Revenue Estimates 2019/20**

I refer to the agenda for the meeting of the Scotland Excel Joint Committee to be held on 7 December 2018 at 10.45 am and enclose an amended Appendix 1.

The error is that both the forecast outturn and the approved budget columns for 2018/19 should include the additional £20k spend authorised by the Joint Committee in June 2018, which when added to the use of reserves approved in December 2017 (£70k) should show £90k of reserves being used.

There is no impact on the 2019/20 proposed estimates, the level of requisition proposed or the analysis of reserves, nor is there any change required to any narrative in the report.
