- 3.3 Glenburn, Foxbar and Brediland Local Partnership agreed at its meeting in March 2019 that a conference event would be held in the area in order to engage with community groups, voluntary organisations and members of the public who are not represented formally on the Partnership, to take place during autumn 2019. The next meeting of the Local Partnership will take place in November 2019.

#### Youth Challenge Funding

- 3.4 Each Local Partnership receives a proportionate share of the Youth Challenge budget, which funds projects and activities benefiting young people up to age 25. The Youth Challenge element of the Glenburn, Foxbar and Brediland Local Partnership budget will be allocated through a Youth Participatory budgeting exercise, where young people in the area vote for the applications that they want to see funded. This will be the same for all Local Partnership areas.
- 3.5 Participatory Budgeting means that the people who are intended to benefit from the projects vote on which projects are funded. Young people from each of the Local Partnership areas will be involved in developing the process for conducting the Participatory Budgetary exercise before a voting exercise is opened up to the wider community of young people in each Local Partnership area.

#### Code of Conduct/Register of Interest

- 3.6 A presentation was made at the March 2019 meeting of Glenburn, Foxbar and Brediland Local Partnership regarding members signing up to a Code of Conduct and Register of Interest. This presented information for consideration by each Local Partnership on the issue of members of the Local Partnership signing up to a Code of Conduct and completion of a Register of Interest. A letter was sent to all Local Partnership members following this meeting to seek their views on this issue in advance of the June 2019 meeting.
