

SCOTTISH
FIRE AND RESCUE SERVICE
 Working together for a safer Scotland

Report to: Renfrewshire Council Housing and Community Safety Policy Board

Date of Report: 12th May 2015

Report by: Paul Tanzilli, Local Senior Officer (LSO)
Scottish Fire and Rescue Service

Subject: Scottish Fire and Rescue (SFRS) Report

PURPOSE OF THIS REPORT

1. The purpose of this report is to inform the scrutiny board of Fire and Rescue performance and activities during the 4th Quarter (January - February) 2014/15 Reporting period.

PERFORMANCE

2. A SFRS performance report is attached (Appendix A & B) to provide Elected Members with a Ward analysis performance report which relates to a range of Fire & Rescue operational activities within Renfrewshire during the January - February 2014/15 reporting period.

The information provided in this report and attached appendices continues to show reductions across a range of fire related performance indicators; however it also identifies those areas where further interventions are required for the remainder of this financial year in order to tackle those areas where operational demand is highest.

The SFRS Local Senior Officer will be happy to meet with any Elected Members who wish to discuss specific ward issues.

A summary of the report is detailed below:

- a. There was one Fire Fatality within Renfrewshire during the reporting period. This occurred on the 25th January 2015 and involved a male adult in his home. Post incident fire safety advice and reassurance was delivered to the surrounding residential community. A Case Conference is being progressed with partner agencies. There was a reduction for All Non-Fatal Fire Casualties from 8 to 4 during this reporting period as compared to the same period last year.
- b. There was a slight increase in the number of incidents involving Deliberate Fire Raising within the reporting period from 29 to 32.
- c. There is a reduction in the number of Accidental Primary Fires recorded from 56 to 49 over the reporting period. This includes a reduction in Accidental Dwelling Fires from 37 to 30.

- d. There was a slight decrease in Non Domestic Fires from 16 to 14 over the reporting period.
- e. The total number of Automatic False Alarms increased from 200 to 202. There was a reduction in Malicious False Alarms from 10 to 7 over the reporting period.
- f. Road Traffic Collisions reduced from 8 to 7.

PRIORITIES & INTERVENTIONS (2014/15)

- 3. SFRS is committed to working in partnership with Community Planning partners in the public, private, and voluntary sectors in order to work together for a safer Scotland. Strengthening our relationship with and working in partnership to add value to our communities is critical to the success of our strategy.

The following activities are illustrative of SFRS arrangements in terms of educational activities and interventions:

- a. Home Fire Safety Visits were delivered to 322 properties during the January-February period.
- b. A review was undertaken of the 2014/15 Annual Operating Plan for SFRS within Renfrewshire and the 2015/2016 Plan will be issued shortly.
- c. Fire Safety talks were delivered to Primary 6 pupils at all 48 Renfrewshire Primary Schools.
- d. SFRS Community Action Team participated in the annual 'Safe Kids' event held at St. Mirren Park and delivered fire safety advice to Primary 6 pupils. The event included inputs from SFRS, Police Scotland, St. Mirren, ScotRail, CEDAR, Renfrewshire Council Wardens Service and Renfrewshire Council on Alcohol covering issues including fire safety, drugs and alcohol, ASB, Domestic Abuse and fly tipping.
- e. Partnership work continues with a range of organisations targeting fire safety advice at individuals and groups. This includes Dykebar Hospital, YMCA, Housing Associations, women's guilds and day-care centres.
- f. Following a pilot initiative delivered through the Renfrewshire Children's Champions Board, a Fire Reach course was delivered to young persons who are members of this board. Further courses are scheduled during the coming months.
- g. SFRS Community Action Team delivered safety advice for the following initiatives; Cut it Out road safety events, Cooksafe initiative and Fire Setter intervention conducted on a referral basis.

RECOMMENDATIONS

Housing and Community Safety Board members are asked to note the contents of this report and its appendices.

TARGETS - Set by Scottish Government displayed within Annex B of the Fire and Rescue Framework for Scotland 2013.

Fire Casualties - Displayed above as "CASUALTY".

Reduce the rate of fire fatalities and casualties (excl. precautionary checkups) by 5% based on the previous 3 year rolling average.

Accidental Dwelling Fires - Displayed above as "DWELLING".

Reduce the rate of accidental dwelling fires by 10% based on the previous 3 year average.

Non Domestic - Displayed above as "NON DOM".

Reduce the rate of non-domestic fires from the previous year

Previous 3 year average - Displayed above as "AVE."

Measures performance of analysis period against previous 3 year average (for same period)

February Ward performance report

2014-2015

DISCLAIMER

The figures included in this report are provisional and subject to change as a result of quality assurance and review. The statistics quoted are internal management information published in the interests of transparency and openness.

The Scottish government publishes Official Statistics each year which allow for comparisons to be made over longer periods of time.

Please ensure any external partners in receipt of these reports are aware of this.

Current month vs target* OR previous 3 yr rolling ave** (for period)

10d	False Alarm - Equipment failure	39	AVE.	-23%	

TARGETS - Set by Scottish Government displayed within Annex B of the Fire and Rescue Framework for Scotland 2013.Fire Casualties - Displayed above as "CASUALTY".

Reduce the rate of fire fatalities and casualties (excl. precautionary checkups) by 5% based on the previous 3 year rolling average.

Accidental Dwelling Fires - Displayed above as "DWELLING".

Reduce the rate of accidental dwelling fires by 10% based on the previous 3 year average.

Non Domestic - Displayed above as "NON DOM".

Reduce the rate of non-domestic fires from the previous year

Previous 3 year average - Displayed above as "AVE."

Measures performance of analysis period against previous 3 year average (for same period)

Ia - All deliberate fires
