

**GLASGOW AND THE CLYDE VALLEY STRATEGIC DEVELOPMENT PLANNING
AUTHORITY JOINT COMMITTEE**

To: Joint Committee

On: 8 June 2015

Report by: The Treasurer and the Development Plan Manager

Heading: Annual Audit Plan 2014-15

1. Summary

- 1.1 The Annual Audit Plan 2014-15 for the Joint Committee is submitted for Members' information. The Plan outlines Audit Scotland's planned activities in their audit of the 2014-15 financial year.
- 1.2 The Annual Audit Plan 2014-15 includes a section on Audit Issues and Risks. Within this section Audit Scotland have identified a risk of "Management override of controls". This is being included in the audit plans of all bodies which Audit Scotland's are working with in light of international standards on auditing. The inclusion of this risk is not a reflection of increased risk within GCVSDPA. Audit Scotland have confirmed that they have not found any issues on this in previous years.

2 Recommendations

- 2.1 The Joint Committee is asked to note the Annual Audit Plan 2014-15 by Audit Scotland.
-

**Glasgow and Clyde Valley
Strategic Development
Planning Authority Joint
Committee**

Annual Audit Plan 2014/15

**Prepared for Glasgow and Clyde Valley Strategic Development
Planning Authority Joint Committee**

March 2015

Audit Scotland is a statutory body set up in April 2000 under the Public Finance and Accountability (Scotland) Act 2000. We help the Auditor General for Scotland and the Accounts Commission check that organisations spending public money use it properly, efficiently and effectively.

Summary

Introduction

1. Our audit is focused on the identification and assessment of the risks of material misstatement in Glasgow and Clyde Valley Strategic Development Planning Authority Joint Committee's (GCVSDPA) financial statements.
2. This report summarises the key challenges and risks facing GCVSDPA and sets out the audit work that we propose to undertake in 2014/15. Our plan reflects:
 - the risks and priorities facing GCVSDPA
 - current national risks that are relevant to local circumstances
 - the impact of changing international auditing and accounting standards
 - our responsibilities under the Code of Audit Practice as approved by the Auditor General for Scotland
 - issues brought forward from previous audit reports.

Summary of planned audit activity

3. Our planned work in 2014/15 includes:
 - an audit of the financial statements and provision of an opinion on whether:
 - they give a true and fair view of the state of affairs of GCVSDPA as at 31 March 2015 and its income and expenditure for the year then ended
 - the accounts have been properly prepared in accordance with the Local Government (Scotland) Act 1973 and the 2015 Code of Practice on Local Authority Accounting in the United Kingdom (the Code)
 - a review and assessment of GCVSDPA 's governance and performance arrangements and financial position
 - provision of the annual report on the audit addressed to the GCVSDPA and the Controller of Audit.

Responsibilities

4. The audit of the financial statements does not relieve management or the Joint Committee as the body charged with governance, of their responsibilities.

Responsibility of the appointed auditor

5. Our responsibilities, as independent auditor, are established by the Local Government (Scotland) Act 1973 and the Code of Audit Practice, and guided by the auditing profession's ethical guidance.
6. Auditors in the public sector give an independent opinion on the financial statements. We also review and report on the arrangements set in place by the audited body to ensure the proper conduct of its financial affairs and to manage its performance and use of resources. In doing this, we aim to support improvement and accountability.

Responsibility for the preparation of the accounts

7. It is the responsibility of the Treasurer, as the appointed "proper officer", to prepare the financial statements in accordance with relevant legislation and the Code of Practice

on Local Authority Accounting in the United Kingdom (the Code). This means:

- maintaining proper accounting records
- preparing financial statements which give a true and fair view of the state of affairs of GCVSDPA as at 31 March 2015 and its expenditure and income for the year then ended.

Format of the accounts

8. The financial statements should be prepared in accordance with the Code which constitutes proper accounting practice.

Audit Approach

Our approach

9. Our audit approach is based on an understanding of the characteristics, responsibilities, principal activities, risks and governance arrangements of GCVSDPA. We also consider the key audit risks and challenges in the local government sector generally. This approach includes:
 - understanding the business of the GCVSDPA and the risk exposure which could impact on the financial statements

- identifying major transaction streams, balances and areas of estimation and understanding how GCVSDPA will include these in the financial statements
- assessing and addressing the risk of material misstatement in the financial statements
- determining the nature, timing and extent of the audit procedures necessary to provide us with sufficient audit evidence as to whether the financial statements give a true and fair view.

10. We have also considered and documented the sources of assurance which will make best use of our resources and allow us to focus audit testing on higher risk areas during the audit of the financial statements. The main areas of assurance for the audit come from planned management action and reliance on systems of internal control. Management action being relied on for 2014/15 includes:

- comprehensive closedown procedures for the financial statements accompanied by a timetable issued to all relevant staff
- clear responsibilities for preparation of financial statements and the provision of supporting working papers
- delivery of unaudited financial statements to agreed timescales with a comprehensive working papers package
- completion of the internal audit programme for 2014/15.

11. Auditing standards require internal and external auditors to work closely together to make best use of available audit resources. We seek to rely on the work of internal audit wherever possible and as part of our planning process we carry out an early assessment of the internal audit function. Internal audit is provided by the internal audit section within Renfrewshire council. Overall, we concluded that the internal audit service operates in accordance with Public Sector Internal Audit Standards (PSIAS) and has sound documentation standards and reporting procedures in place.

12. As GCVSDPA uses financial ledger and systems hosted by Renfrewshire Council we plan to place reliance on internal audit's work on payroll and treasury management systems.

Materiality

13. International Standard on Auditing 320 provides guidance on the concept of materiality. We consider materiality and its relationship to audit risk when planning the nature, timing and extent of our audit and conducting our audit procedures. Specifically with regard to the financial statements, we assess the materiality of uncorrected misstatements, both individually and collectively.

14. Based on our knowledge and understanding of GCVSDPA we have set our planning materiality at 1% of gross expenditure. For 2014/15 planning materiality is £8,250.

15. We set a lower level, known as performance materiality, when defining our audit procedures. This level depends on professional judgement and is informed by a number of factors including:
- extent of estimation and judgement within the financial statements
 - nature and extent of prior year misstatements
 - extent of audit testing coverage.
16. For 2014/15 performance materiality has been set at £4,125. We will report, to those charged with governance, all misstatements greater than £1,000.
17. In addition, an inaccuracy which would not normally be regarded as material in terms of monetary value may be important for other reasons (for example the failure to achieve a statutory requirement, or an item contrary to law). In the event of such an item arising, its materiality has to be viewed in a narrower context; such matters would normally fall to be covered in an explanatory paragraph in the independent auditor's report.

Reporting arrangements

18. The Local Authority Accounts (Scotland) Regulations 2014 require that the unaudited annual accounts are submitted to the appointed external auditor no later than 30 June each year. GCVSDPA is required to consider the unaudited annual

accounts at a meeting by 31 August. Under Section 106 of the Local Government (Scotland) Act 1973, joint boards and committees are classed as local authorities and so are required to meet the 2014 Regulations.

19. GCVSDPA must publish the unaudited accounts on its website and give public notice of the inspection period.
20. The 2014 regulations require the authority (or a committee whose remit includes audit or governance) to meet by 30 September to consider whether to approve the audited annual accounts for signature. Immediately after approval, the annual accounts require to be signed and dated by specified members and officers and then provided to the auditor. The Controller of Audit requires audit completion and issue of an independent auditor's report (opinion) by 30 September each year.
21. The authority is required to publish on its website its signed audited annual accounts, and the audit certificate, by 31 October. The annual audit report is required to be published on the website by 31 December.
22. An agreed timetable is included at Exhibit 1 below which takes account of submission requirements and planned GCVSDPA dates.

Exhibit 1: Financial statements audit timetable

Key stage	Date
Meetings with officers to clarify expectations of working papers and financial system reports	26 February 2015
Planned committee approval of unaudited financial statements	8 June 2015
Submission of unaudited financial statements with working papers package	15 June 2015
Progress meetings with lead officers on emerging issues	As and when required.
Latest date for final clearance meeting with Treasurer	24 August 2015
Agreement of unsigned financial statements for GCVSDPA agenda, and issue of combined ISA 260 report to those charged with governance and draft Annual Audit Report.	28 August 2015
Joint Committee date	14 September 2015
Independent auditor's report signed	14 September 2015
Issue of final Annual Audit report	15 September

23. Matters arising from our audit will be reported on a timely basis and will include agreed action plans. Draft management reports will be issued to the responsible head of service and relevant officers to confirm factual accuracy. Responses to draft reports are expected within four weeks of submission. A copy of all final agreed reports will be sent to the Strategic Development Plan Manager, Treasurer, Chief Auditor and Audit Scotland's Performance Audit and Best Value Group.

24. We will provide an independent auditor's report to the Joint Committee and the Accounts Commission that the audit of the financial statements has been completed in accordance with applicable statutory requirements. As part of streamlining our audit approach, this year the Annual Audit Report will be combined with the ISA 260 report. As a result, the Annual Audit Report will be issued by 30 September which is one month earlier than previous years.

25. All annual audit reports produced are published on Audit Scotland's website: (www.audit-scotland.gov.uk).

26. Planned outputs for 2014/15 are summarised at Appendix I.

Quality control

27. International Standard on Quality Control (UK and Ireland) 1 (ISQC1) requires that a system of quality control is established, as part of financial audit procedures, to provide reasonable assurance that professional standards and regulatory and legal

requirements are being complied with and that the independent auditor's report or opinion is appropriate in the circumstances. The foundation of our quality framework is our Audit Guide, which incorporates the application of professional auditing, quality and ethical standards and the Code of Audit Practice issued by Audit Scotland and approved by the Accounts Commission. To ensure that we achieve the required quality standards, Audit Scotland conducts peer reviews and internal quality reviews and has been subject to a programme of external reviews by the Institute of Chartered Accountants of Scotland (ICAS).

28. As part of our commitment to quality and continuous improvement, Audit Scotland will periodically seek your views on the quality of our service provision. We do, however, welcome feedback at any time and this may be directed to the engagement lead, Anne McGregor.

Independence and objectivity

29. Auditors appointed by the Accounts Commission must comply with the Code of Audit Practice. When auditing the financial statements, auditors must also comply with professional standards issued by the Auditing Practices Board (APB) and those of the professional accountability bodies. These standards impose stringent rules to ensure the independence and objectivity of auditors. Audit Scotland has in place robust arrangements to ensure compliance with these standards

including an annual "fit and proper" declaration for all members of staff. The arrangements are overseen by the Assistant Auditor General, who serves as Audit Scotland's Ethics Partner.

30. Auditing and ethical standards require the appointed auditor to communicate any relationships that may affect the independence and objectivity of audit staff. We are not aware of any such relationships pertaining to the audit of the GCVSDPA.

Audit issues and risks

Audit issues and risks

31. Based on our discussions with staff, attendance at committee meetings and a review of supporting information, we have identified the following main financial statements risk areas for your organisation. A summary of the risks is provided at Appendix II. Details of the sources of assurance that we have received for each of these risks and any audit work we plan to undertake is also set out in Appendix II. In the period prior to the submission of the unaudited financial statements, we will liaise with senior officers on any new or emerging issues.

Financial statements

32. **Management override of controls:** Internal Standards on Auditing 240 *The Auditor's responsibilities relating to fraud in an audit of financial statements* states that audit procedures should be responsive to risks related to management override of controls. Due to the unpredictable way in which such override could occur, it is a risk of material misstatement due to fraud and thus an audit risk. We have not identified any audit issues on this in the past but each year have to address the risk. We will design and perform audit procedures to address these risks within the GCVSDPA.

33. **Accounting for Green Network Partnership (GNP):** In our Annual Audit Report for 2013/14 we noted that under accounting standards a partnership constituted like GNP might be considered a joint operation of the partners involved, rather than a project of GCVSDPA. Under accounting standards each partner would include its share of income, expenditure, assets and liabilities in its own accounts, rather than the full costs of GNP being included in the accounts of the Authority.

34. The Code of Practice on Local Authority accounting for 2014/15 has adopted various accounting standards relating to group and joint arrangements (IFRS 11) and we recommend that these are considered in light of the GNP governance arrangements. GCVSDPA along with Renfrewshire Council finance staff compile the accounts and the foreword and decide

what information on the GNP should be included to improve the transparency and understanding of the accounts.

35. **Annual Governance Statement:** Regulation 5 of the 2014 LA regulations requires authorities to undertake an annual review of their system of internal control and report this in an annual governance statement. In previous years GCVSDPA has prepared a statement on the system of internal financial control (SSIFC), as allowed under the Code. Governance statements include a number of additional disclosures in comparison to the SSIFC.

36. **Management Commentary:** The 2014 LA regulations also require the annual accounts to include a management commentary. The Code requires local authorities to publish an explanatory foreword and only encourages (but does not require) authorities to take into account the relevant provisions of the *Government financial reporting manual* (FReM) in respect of management commentaries. However separate guidance from the Scottish Government, which will align to the reporting requirements in the FReM remains outstanding.

Financial position

37. In our Annual Audit Report 2015/16 we noted that Balances due to member authorities reflect accumulated 'revenue reserve'. The balance as at 31 March 2014 was £386,617 split into earmarked (£198,386) and general (£188,230); general is

Fees and resources

31% of 2013/14 budget (and 32% of 2014/15 and 2015/16 indicative budgets). This level of 'reserves' for general purposes seemed high compared to annual budget.

38. At the recommendation of the Treasurer and Development Plan Manager, in December 2014 members agreed to a one-off reimbursement of requisitions be made in 2015/16 to contributing authorities totalling £120,000 (£15,000 per authority).

39. **Green Network Partnership Reserves:** Green Network Partnership reserves are currently £182k however the Joint Committee is to reduce these to provide a minimum reserve level of £50k by the end of 2015/16. The Board has agreed that the Partnership's reserves should contribute £9k to the budget for the next 3 years and to an annual allocation of funding for strategic project work of £30k per year until 2015/16. We will continue to monitor the level of reserves held to ensure they remain appropriate.

Audit fee

40. Over the past four years, Audit Scotland has reduced audit fees by 23.5% in real terms, exceeding our 20% target. Due to further refinement of our audit approach we have been able to restrict the increase in audit fees for 2014/15 to 1% which, in real terms, represents a 0.6% reduction at 2014 price levels.

41. In determining the audit fee we have taken account of the risk exposure of GCVSDPA, the management assurances in place, and the level of reliance we plan to take from the work of internal audit. We have assumed receipt of a complete set of unaudited financial statements and comprehensive working papers package by 15 June 2015.

42. The agreed audit fee for the 2014/15 audit of GCVSDPA is £2,820. Our fee covers:

- the costs of planning, delivering and reporting the annual audit including auditor's attendance at committees
- your organisation's allocation of the cost of national performance audits and statutory reports by the Accounts Commission
- a contribution towards functions that support the local audit process (e.g. technical support and coordination of

the National Fraud Initiative), support costs and auditors' travel and subsistence expenses.

43. Where our audit cannot proceed as planned through, for example, late receipt of unaudited financial statements or being unable to take planned reliance from the work of internal audit, a supplementary fee may be levied. An additional fee may also be required in relation to any work or other significant exercises outwith our planned audit activity.

Audit team

44. Anne McGregor, Senior Audit Manager, Audit Services is your appointed auditor. The local audit team will be led by Andrew Wallace who will be responsible for day to day management of the audit and who will be your primary contact. Details of the experience and skills of our team are provided in Exhibit 2. The core team will call on other specialist and support staff as necessary.

Exhibit 2: Audit team

Name	Experience
Anne McGregor, CA, Senior Audit Manager	Anne has over 15 years experience of public sector audit after working in the private sector for 7 years. Her public sector audit experience includes central and local government and she has been

Name	Experience
	involved in a number of business improvement projects within Audit Scotland.
Kenny McFall, CPFA, Senior Auditor	Kenny has 13 years experience of public sector audit with Audit Scotland, covering local government, central government and health sectors.
Andrew Wallace, Trainee Auditor	Andrew joined Audit Scotland in October 2014 and is currently studying towards his ICAS qualification.

Appendix I: Planned audit outputs

The diagram below shows the key outputs planned for GCVSDPA in 2014/15.

Appendix II: Significant audit risks

We undertake a risk-based audit whereby we focus on those areas where we have identified a risk of material misstatement in the accounts. This section shows how our audit approach focuses on the risks we have identified through our planning procedures. ISA 315 *Identifying and assessing the risks of material misstatement through understanding the entity and its environment* defines a significant risk as “an identified and assessed risk of material misstatement that, in the auditor’s judgement, requires special audit consideration.”

In this section we identify a range of risks facing Glasgow and the Clyde Valley Strategic Development Planning Authority Joint Committee, the related source of assurance received and the audit work we propose to undertake to secure additional assurance. The management of risk is the responsibility of the GCVSDPA and its officers, with the auditor’s role being to review the arrangements put in place by management. Planned audit work, therefore, will not necessarily address all residual risks.

Audit Risk		Source of assurance	Assurance procedure
Audit risk of material misstatement in financial statements			
Management override of controls As stated in ISA 240, management is in a unique position to perpetrate fraud because of management’s ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.	N/A		• Detailed testing of journal entries • Review of accounting estimates for bias • Evaluating significant transactions that are outside the normal course of business.

Audit Risk	Source of assurance	Assurance procedure
Annual Governance Statement The statement of internal financial control has now been replaced by the annual governance statement which contains a number of additional disclosures.	- Finance staff attend annual technical accounting updates to understand changes to the Code of Practice on Local Authority Accounting - Meetings held with internal audit to ensure all supporting reports will be provided to support conclusions in annual governance statement	- Review of disclosures in annual governance statement against the Delivering good governance in local government: framework - Ensure disclosures are consistent with the information within the financial statements
Management Commentary The 2014 regulations require the annual accounts to include a management commentary. The Commentary will include a number of additional disclosures in comparison to the current explanatory foreword but Scottish Government guidelines are still to be issued.	- Finance staff attend annual technical accounting updates to understand changes to the Code of Practice on Local Authority Accounting - Meetings will be held with auditors to discuss requirements as soon as guidelines are issued	Ensure information in management commentary is consistent with that contained in the financial statements and meets guidance issued.

Audit Risk	Source of assurance	Assurance procedure
Accounting for Green Network Partnership The 2014/15 Code of Practice on Local Authority accounting adopts various accounting standards relating to group and joint ventures which GCVSDPA should consider as part of the preparation of the financial statements.	- Finance staff attend annual technical accounting updates to understand changes to the Code of Practice on Local Authority Accounting - Renfrewshire Council finance team to meet with Audit Scotland prior to accounts being prepared to agree on accounting treatment	Review of GNP partnership disclosures as part of the financial statements audit.
