**To: PAISLEY SOUTH LOCAL AREA COMMITTEE**

**On: 28 AUGUST 2018**

---

**Report by: DIRECTOR OF COMMUNITIES, HOUSING AND PLANNING SERVICES**

---

**Heading: COMMUNITY SAFETY AND PUBLIC PROTECTION, PROGRESS UPDATE**

---

## **1. Summary**

1.1 This report provides a progress update on activities the Renfrewshire Community Safety Partnership has carried out in the Paisley South Local Area Committee area in quarter 1 (1 April – 30 June 2018). The report seeks to provide contextual information that explains the performance of the partnership across the Local Area Committee area. The report includes information on:

- Paisley South area anti-social behaviour statistics;
  - Environmental enforcement and improvement activities;
  - Protecting vulnerable residents;
  - Building safer communities;
  - Diversionary activities;
- 

## **2. Recommendations**

2.1 It is recommended that the Local Area Committee notes the content of this progress update report.

---

## **3. Paisley South Anti-Social Behaviour Statistics**

3.1 90 antisocial behaviour calls were received by the Renfrewshire Wardens' service for the Paisley South LAC area during April to June 2018 which is a significant decrease compared to the 114 calls in the corresponding period in 2017.

3.2 320 patrols took place within the Paisley South LAC area, many in response to these calls. The antisocial behaviour calls made to the Wardens help the Community

Safety Partnership to respond to and direct resources across Renfrewshire. During the same time period, the number of calls to the Noise Team increased in Ward 7 but remained constant in Ward 6. However, the number of warnings issued reduced from 5 to 3. This highlights that the public continue to adhere to initial warnings and modify their noise levels to within legal limits to avoid any enforcement action.

## **4 Environmental Enforcement and Improvements**

### **Environment & Place – Team Up to Clean Up**

- 4.1 Community groups continue to embrace the Team Up to Clean Up campaign. 101 clean-ups were recorded from January to June 2018 compared to 36 recorded for the same period in 2017. The Facebook community is growing and community groups are now visiting each other to view the results of the work being carried out in communities across Renfrewshire and are sharing information on support that external companies can provide.
- 4.2 During this quarter from April to June 2018, there have been 8 clean-ups in the Paisley South LAC area. In total over 80 volunteers have removed more than 105 bags of litter. These clean-ups include those organised by Glenburn Community Centre, St Peter's Primary School, Thornhill residents, Glenfield Road, Hillcrest Avenue footpath, and Aspire Community with Glenburn Tenants & Residents Association.
- 4.3 Businesses have been engaging with the campaign. Morrisons, Glasgow Airport, Chivas and McDonalds have all participated in litterpicks recently. Chivas provided 150 volunteers to clean several locations within Renfrewshire including Stanley Reservoir, Durrockstock Dam & Gleniffer Braes and collected almost 400 bags of litter.
- 4.4 A Senior Community Safety Officer secured funding from the Council Lens project to provide trolley's and relevant tools for community litterpicking groups. The Team Up to Clean Up Caddy will offer brushes, loppers and dog-fouling/graffiti removal kits, amongst other tools. Work will ensure fair allocation of Caddy's and appropriate Health and Safety and safe use information is provided.

### **Responsible Dog Ownership Strategy**

- 4.5 The Responsible dog Ownership Strategy has shone a light on the problem of dog fouling and takes positive action to address this issue. 9 Fixed Penalty Notices were issued across Renfrewshire in the period April-June 2018 which is a significant increase on the numbers issued in the same period in previous years. 1 notice was issued in the Paisley South area during this period, and of the 18 streets targeted for interventions, 4 were from Paisley South: Spey Avenue, Ivanhoe Road, Moorfoot Avenue & Nethercraigs Road. All streets are still being monitored in relation to dog fouling however early indications are that there has been a measureable improvement. Feedback from elected members and the public has also praised the work in this area and expressed a noticeable difference in cleanliness.

## **5. Protecting Vulnerable Residents**

### **I Am Me/Keep Safe**

- 5.1 The I Am Me primary school resources have been developed to form a structured programme incorporating learning materials specific for each age group from P1 to P7. By June 2018, the Primary School programme had been delivered to 49 schools

and 10,436 children had participated. 3,374 children surveys have been returned and the headline results are as follows:

- 98% enjoyed the I Am Me visit;
- 92% are more aware of bullying;
- 91% are more aware of disabilities;
- 99% know bullying is wrong;
- 97% know it is important to report bullying;
- 93% would tell an adult if they, or someone else was being bullied.

- 5.2 In total 10,848 pupils are booked to attend, with all Renfrewshire Primary and Additional Support Needs schools booked in.
- 5.3 Keep Safe is extending across Scotland, with 20 local authority areas actively rolling out the initiative. As of the end of June 2018, there are 421 Keep Safe places across Scotland, including 129 in Renfrewshire. The Keep Safe Ambassador programme is also going from strength to strength and now has 226 High School Ambassadors, 86 Police Scotland Youth Volunteer Ambassadors, 38 Ambassadors with a learning disability and 54 Keep Safe Ambassador trainers across Scotland. A total of 132 Ambassadors have been trained in Renfrewshire so far.
- 5.4 I Am Me Scotland has been awarded the Queen's Award for Volunteer Groups. This award is the equivalent of an MBE and the highest award given to voluntary groups in the UK. I Am Me Scotland was given recognition for all of the hard work, dedication and support from their volunteers. These volunteers include the Board of Trustees, Community Management Committee, Keep Safe businesses and Keep Safe Ambassadors.

## **6. Building Safer Communities**

- 6.1 The Building Safer & Greener Communities programme has been implemented in Renfrewshire since 2016. A multi-agency group led by Police Scotland and supported by other partners works closely with communities to carry out targeted interventions in areas in need of additional support. The group's interventions reduce littering, vandalism and disorder offences and increase the number of arrests for drug offences in relation to the corresponding period the previous year.
- 6.2 Erskine was the third area within Renfrewshire to be identified as a 'vulnerable community', mainly due to the volume of youth disorder and antisocial behaviour incidents during 2016. Local residents were surveyed to find out what issues were affecting them in their area which helped shape multi-agency initiatives to address concerns.
- 6.3 Interventions statistically have proven successful, with an impact assessment carried out in relation to environmental complaints, crime, and antisocial behaviour/disorder, comparing the period 1<sup>st</sup> July 2016 to 30<sup>th</sup> April 2017 (pre-intervention) and the corresponding period of 2017/18 which coincided with the Safer and Greener initiative.
- **Dog Fouling:** A slight reduction from 48 complaints during 2016/17 to 42 complaints during 2017/18.
  - **Litter & Flytipping:** A significant reduction in complaints was noted, with 59 incidents during the period of analysis for 2016/17, compared to 20 incidents

during the corresponding period of 2017/18. The greatest impact was incidences of Flytipping, which reduced from 30 complaints to 8 during the two periods of analysis.

- **Vandalism:** Reduced by 29%, from 184 recorded incidents during 2016/17 to 130 incidents for the corresponding period of 2017/18.
- **Serious and Violent Crime:** Nearly halved, with only five recorded incidents of Serious and Violent crime during 2017/18 - this is four less than were recorded during the corresponding period of 2016/17.
- **ASB & Disorder:** Disorder incidents reduced by nearly one-third (32%) - a total of 580 incidents were recorded during the 2016/17 period compared to 395 during the corresponding period of 2017/18.
- **Drugs:** Drugs Crimes increased very slightly, rising from 30 crimes during the 2016/17 period to 34 during the Safer and Greener Intervention period. The majority of incidents related to possession of user amounts of cannabis and are attributed to the increased Policing presence during this time.

- 6.4 The lessons learned in each new area the group goes into about which interventions have the greatest impact on particular issues of concern are being shared across Renfrewshire. While the next intervention area will be Shortroods in Paisley, the learning from Erskine will also be used in this Local Area Committee area. Successful interventions established in the previous areas of Ferguslie and Gallowhill are also continuing with ongoing support from all partners to maintain positive outcomes.

### **Spring / summer events**

- 6.5 The Community Safety Partnership including wardens, CCTV and Street Stuff have been supporting key spring/summer events throughout Renfrewshire. This includes national events like the British Pipe Band Championship, CoSLA Convention and Colourfest 2018, the dance festival at Braehead. However, they also attended more local events such as St Mirren Parade 2018, Paisley Beer & Food Festival, Erskine Motorbike Meet, Sma Shot Day, The County Grand Orange Lodge Parade in Johnstone, Erskine Building Safer Greener Communities events, CarFest 2018, Armed Forces Day at Paisley Abbey and gala days including Barshaw and Renfrew. The Wardens provided the CCTV vehicle and the Safe Bus with the lost kids' location at many of these events. Meanwhile, Street Stuff were in attendance at the family-orientated events like the gala days, providing football and dance activities for young people to participate in.

## **7. Diversionary Activities**

### **Street Stuff**

- 7.1 Street Stuff continues to deliver a range of activities throughout Renfrewshire. There were over 10,000 recorded attendances in this quarter, 6,000 of which included evening activities. In addition to the normal scheduled timetable, extra afternoon sessions were delivered during the Easter school holidays at St Mirren FC, St James Primary School and Linwood High, with over 800 recorded attendances over the two week period - averaging over 130 per day. Activities during these sessions included football, dance and the youth bus and included the provision of a healthy meal.

Street Stuff also delivered activities at a number of events as detailed in 6.5 of this report.

- 7.2 The table below shows Street Stuff activity and attendance in the Paisley South LAC area from April to June 2018:

Venue	Attendance
Gleniffer HS	528
Glenburn CC	296
Skye Crescent	22
Morar Drive	289
Total	1135

- 7.3 Four young coaches from the Street Stuff programme have been working on the development of a Mini Chefs project to build on the Tackling Poverty initiative already being delivered during school holidays. The new programme aims to have a more sustainable outcome teaching young people how to cook a healthy meal on an affordable budget. Street Stuff was a winner in the Council Lens programme following the presentation of their ideas to the judging panel and is in the process of developing an implementation plan using the funding and support secured.
- 7.4 (Details of Street Stuff activities and the up to date timetable are available on the council's website using the following link

## **1. Summary**

- 1.1 Local Area Committees (LACs) provide funding through a range of grants in terms of the General Grant Scheme, Youth Challenge Scheme and, where appropriate, the Paisley or Renfrew Common Good Funds.
  - 1.2 A table detailing the funds allocated by this LAC at its meeting held on 29 May 2018 is attached as an appendix to this report.
  - 1.3 Since the last meeting of this LAC a sum of £1,804.02 of unallocated funds has been identified in the 2017/18 budget and carried forward to this financial year. Unclaimed community representative expenses amounting to £499.20 have also been carried forward and a grant return of £303 relating to the disbanding of Renfrewshire Sports Network has also been added to the 2018/19 budget. This provides an overall balance of £3,379.02 in the General Grant Fund Budget.

How much grant funding are you seeking?	2.10	<b>£1,635.00</b>	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3  2.9	We aim to bring Lochfield Bowling Club back to an acceptable standard of play both inside the clubhouse and outside on greens and surrounding areas. We have seen changes in the management of the clubhouse and greens and have felt powerless in trying to maintain the good reputation of the Club and the standards a public bowling green (the last fully public green in Paisley) should have. We aim to provide a welcoming atmosphere with properly maintained facilities that will encourage the existing members and the wider community to use the club on a more regular basis. At present, our facilities are barely acceptable and we hope that by bringing life back to the club we will provide an excellent community venue for people to meet and interact and also improve on exercise and mental wellbeing. We have listened to our members and the general public who have commented on their fears and dismay that this once well-established community resource has slowly been falling into disrepair and neglect. This club has in the past mentored many young bowlers and produced champion bowlers in both old and young players. Over the past few years we realised that the facilities are no longer acceptable for our members, for the public or for inviting other clubs or organisations to make use of the last fully public bowling green in the area and we set out to find a way of improving the situation. We have seen the hours when we can use the bowling green reduced and with one green in an unplayable condition we have been struggling to play our standard and competition games on the other remaining green. Only through good will and patience of all our members have we managed to struggle through this season. We felt it was vital to our community to keep the bowling green open and maintained to an acceptable standard. Not everyone wants or can afford to join private clubs (who are struggling to maintain memberships numbers). We feel we have been "making do" with unacceptable and unsafe equipment and greens for too long. We have been negotiating with Local MP, Councillors, Renfrewshire Council and Renfrewshire Sport and Leisure to look at ways of improving the	

		<p>facilities, hoping to halt the decline and encourage the wider community e.g. schools, members of the public to use this excellent community resource. The members have been working on improving the inside/outside of the clubhouse by refurbishing and replanting large containers and contacting organisations who may help in our refurbishment. New equipment in kitchen will allow members to hold Open Days for both members and public and function and socialise on a daily basis by providing tea/coffee making facilities and cold drinks. New equipment for greens will encourage members and public to play bowls in a safe and acceptable standard. Visits to other bowling venues e.g. indoor bowling, other West of Scotland venues will allow our members to continue bowling over winter season and observe how other clubs organise their facilities.</p> <p>For a long time our members and the public have been despairing and angry at the state our clubroom and greens. We realise we are not a private club and sometimes money is not available from the public purse but, as the last remaining fully public green in Paisley (with one of the biggest memberships in Paisley) we feel it is time to tackle the issues affecting us. We anticipate by improving conditions and facilities we will avoid any more members leaving and encourage the wider public to come and use the facilities. Our members will be able to relax and play bowls in a comfortable and safe environment. We anticipate that we will hold more open days for the wider community to come along and see what the club has to offer and as a result improve the membership.</p>		
What is your group's current bank balance?	1.14	3,542.00		
Are there any significant items of expenditure to be set against this bank balance?	1.14	Yes Members annual fees still to be deducted - £1025, Collection for Erskine Hospital - £200, Ladies Day Competition expenses - £94, Trophy purchase and inscribing - £300, presentation of prizes and gratuities - £300		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured

What does your Organisation/Group do?	1.10	The overall aims of our centre is to provide support, information and advice to carers giving them a life outside of caring. With our young carers our particular outcomes follow SHANARRI in getting it right for every child.	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide  LAC Applying to: Renfrewshire Wide	
How much grant funding are you seeking?	2.10	<b>£5,000.00</b>	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3  2.9	The project provides information and advice to young carers in the Renfrewshire area as well as a network of support services to young people who are carrying out caring responsibilities. This environment provides peer support and creates a sense of belonging. It is an established forum for kids to tackle issues which may be affecting them and the opportunity to be children as often their caring role mitigates the chance of a childhood. We provide one to one support as well as group support. We also provide resources to schools. We sometimes have the opportunity to have social outings which provides a little respite in an often very hectic life. The young carers project was introduced due to a demand to provide a service for a marginalised, vulnerable group of young people. It was identified that young carers, were a hidden population, lacking in non-familial supports, who were socially and emotionally isolated. It was clear that many children in the area were providing care to a relative at home and that their rights were being ignored. Research at that time was limited on the needs of young carers but what quickly became apparent at a local level was that young carers needs were not being wholly met, thus impacting on all areas of their lives. The young carers project was borne out of this need and provided a safe, secure space for young people to come and offload and to be a child! The Young Carers Centre proposes working in partnership with Renfrewshire Leisure to offer a suite of leisure opportunities for young carers to participate in. This will lessen the impact that caring can have on children; will offer activities/leisure pursuits which the young person can look forward to. It will help to create a sense of belonging for the young person, it will promote healthy activity thus positively impacting on physical and mental wellbeing. With the implementation of The Carers (Scotland) Act 2016, there is a duty on the local authority to carry out a Young Carer Statement in partnership with the young person. We are working alongside the local authority to carry out Young Carer Statements. It is	

		<p>anticipated that achieving outcomes for the young carers will involve participating in leisure activities. This will help the young person achieve their outcomes. It will give them a focus outside of their caring role and a chance at being a child first and foremost. Ability to offer young carers an opportunity to meet their desired outcomes, now enshrined in law. The suite of opportunities discussed with Renfrewshire Leisure will promote improved physical health of young carers. The demands of caring can affect both physical and mental health, it is anticipated that the introduction of participating in new activities will lessen the impact caring can have on both physical and mental health. The demands of caring can limit a young carers free time and the chance to meet up with friends. This will promote social as well as physical activity and provide the opportunity for young carers to meet regularly other young people experiencing similar situations as themselves.</p>

How much grant funding are you seeking?	2.10	<b>£1,500.00</b>		
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3  2.9	We would like to continue the work of the uniform bank for as long as there is a need for it. We are inundated with referrals, especially at this time of year having provided almost 200 children with full, brand new school uniforms since 1st May 2018. We rely solely on donations from the public and local business to keep us afloat and really require significant funds at this time to ensure we can continue to fulfil the growing number of referrals that we are receiving. I am a primary teacher in Paisley and myself and colleagues see daily the children who come ill-prepared for school and the impact that this then has on their self esteem, confidence and also most importantly their learning. We decided to set up the uniform bank to service the Paisley area. We contacted local schools and local services to introduce ourselves and very quickly we were receiving referrals from across Renfrewshire. We now provide hundreds of referrals to families across the Renfrewshire Area. This project hopes to alleviate some of the financial pressure that families find themselves in when trying to provide school uniforms for their children. We source and buy new items only so as to ensure that all children feel the same sense of pride and self respect as theirs peers. We hope that with this funding we are able to continue to support the families of Renfrewshire. We would like to reach as many children as we can that need our help.
