

To: Community Asset Transfer Review Sub-Committee

On: 20 January 2023

Report by: Director of Finance & Resources

Heading: Review Request by Kelburne Hockey & Community Sports Club Re:
Ralston Community Sports Centre

1. Summary

- 1.1 The Community Empowerment (Scotland) Act 2015 includes provisions enabling community bodies to apply to the Council to take over Council owned land and facilities, either permanently, by transfer of ownership, or temporarily, by lease or similar. This is referred to in the Act as an Asset Transfer Request. The Council is required to deal with Asset Transfer Requests in a manner set out in the Act and following procedures established in Regulations.
- 1.2 The Council has received a request for a review of a decision by the Head of Economy & Development Services to refuse an Asset Transfer Request by Kelburne Hockey & Community Sports Club in respect of their application for the transfer of Ralston Community Sports Centre.
- 1.3 The Sub-Committee has been appointed to decide the review. This report invites the Sub-Committee to do so by, in the first instance, determining whether further procedure is required. If no further procedure is required, it invites the Sub-Committee to determine the review.
-

2. **Recommendations**

2.1 The Sub-Committee is asked to:

a) note the terms of the review request and decide whether further procedure is required in the form of written representations and/or a hearing

b) if no further procedure is required, to determine the review.

3. **Background**

3.1 Part 5 of the Community Empowerment (Scotland) Act 2015 gives an organisation which meets the statutory criteria to be a “community transfer body” the right to apply to take over property owned by the Council. These applications are known as Asset Transfer Requests.

3.2 Kelburne Hockey & Community Sports Club made an Asset Transfer Request in relation to Ralston Community Sports Centre. That request was dealt with in terms of the Council’s procedure and a decision refusing the request was issued by the Head of Economy & Development on 30 August 2022.

3.3 In terms of the relevant legislation, an applicant whose request is refused is entitled to a review of that decision.

3.4 In the first instance, the Sub-Committee is required to decide whether it requires further information to make its decision. The content of the papers at this preliminary stage is determined by Regulations; but, should the Sub-Committee consider that further written information is required from the applicants and/ or the Estates Team, it may ask for these to be provided. It may also decide to fix a hearing. If further procedure is required, the Sub-Committee should be clear as to which specific questions it wishes to be addressed on via that procedure and who will be responsible for providing any written information requested.

3.5 Members should note that as a preliminary issue, the Sub-Committee requires to be satisfied that Kelburne Hockey & Community Sports Club meets the full criteria to be considered as a “community transfer body”. If it is not fully satisfied in relation to that point, the Sub-Committee may wish to request that the applicant provide further written submissions to demonstrate why it considers it does meet those criteria.

- 3.6 If further procedure is required, the Sub-Committee will adjourn to allow such steps as are necessary to take place and re-convene to consider the application further thereafter.
- 3.7 The Council must reach a decision on the review within 6 months of the date of receipt of the request for a review. The request for review was received on 29 September 2022, which means that the deadline for deciding the review is 28 March 2023.
- 3.8 The applicant has a further right of appeal to the Scottish Ministers if they remain unhappy with the decision of the Sub-Committee.
-
