To: PAISLEY NORTH LOCAL AREA COMMITTEE

On: 23 AUGUST 2018

Report by: DIRECTOR OF COMMUNITIES, HOUSING & PLANNING SERVICES

**Heading: COMMUNITY SAFETY & PUBLIC PROTECTION,
PROGRESS UPDATE**

1. Summary

1.1 This report provides a progress update on activities the Renfrewshire Community Safety Partnership has carried out in the Paisley North area in quarter 1 (1 April – 30 June 2018). The report seeks to provide contextual information that explains the performance of the partnership across the Local Area Committee area. The report includes information on:

- Paisley North anti-social behaviour statistics;
 - Environmental enforcement and improvement activities;
 - Protecting vulnerable residents;
 - Building safer communities;
 - Diversionary activities;
-

2. Recommendations

2.1 It is recommended that the Local Area Committee notes the content of this progress update report.

3. Paisley North Antisocial Behaviour Statistics

- 3.1 181 antisocial behaviour calls were received by the Renfrewshire Wardens' service for the Paisley North LAC area during April to June 2018 which is a slight increase compared to the 173 calls in the corresponding period in 2017.
- 3.2 992 patrols took place within the Paisley North LAC area, many in response to these calls. The antisocial behaviour calls made to the Wardens help the Community Safety Partnership to respond to and direct resources across Renfrewshire. During the same time period, the number of calls to the Noise Team remained constant decreasing in Ward 3 but increasing in Ward 4 & 5. However, the number of warnings issued increased dramatically in Ward 5 from 1 to 10 due to 1 resident having parties on a regular basis. This resulted in 2 Fixed Penalty Notices requiring to be administered to the tenant and his case is being allocated to the Community Safety Partnership Investigators.

4. Environmental Enforcement and Improvements

Environment & Place – Team Up to Clean Up

- 4.1 Community groups continue to embrace the Team Up to Clean Up campaign. 101 clean-ups were recorded from January to June 2018 compared to 36 recorded for the same period in 2017. The Facebook community is growing and community groups are now visiting one another to view the results of the work being carried out in communities across Renfrewshire and sharing information on support that external companies can provide.
- 4.2 During this quarter from April to June 2018, there have been 11 clean-ups in the Paisley North LAC area where over 180 volunteers removed more than 240 bags of litter. These clean-ups include Paisley Grammar and St Andrews Academy, Springbank Sheltered Housing, Environmental Training Team at Millarston Drive, Douglas Street Nursery, Seedhill and Ferguslie area. Ferguslie Community Council have created a new constituted sub-group, looking after Glencoats Park, called 'Pals of the Privies'. In addition, 62 fixed penalty notices have been issued by Community Safety Partnership Officers in relation to litter.
- 4.3 Pals of the Privies are cleaning Glencoats Park through daily litterpicks and have cut back a large amount of vegetation in an effort to improve perceived feelings of safety. Team Up to Clean Up gifted the group litterpickers, a wheelbarrow and various gardening tools, local volunteers also provided tools and assistance. StreetScene supported by removing a vast quantity of the cut vegetation and further provided 2 public bins at entrances to the Park to compliment the ongoing work.
- 4.4 Businesses have also been engaging with the campaign. Glasgow Airport, Chivas and McDonalds have all had employees participate in litterpicks recently. Chivas provided 150 volunteers to clean several locations within Renfrewshire and collected almost 400 bags of litter. The Normandy Hotel, Renfrew, have been assisting with

the removal of litter and flytipping for the Renfrew White Cart River Bank and Nature Spot group. They are delighted with the efforts the group are making to improve the walkway at the back of their hotel.

- 4.5 A Senior Community Safety Officer secured funding from the Council Lens project to provide trolley's and relevant tools for community litterpicking groups. The Team Up to Clean Up Caddy will offer brushes, loppers and dog-fouling/graffiti removal kits, amongst other tools. Work will ensure fair allocation of Caddy's and appropriate Health and Safety and safe use information is provided.

Responsible Dog Ownership Strategy

- 4.6 The Responsible Dog Ownership Strategy has shone a light on the problem of dog fouling and takes positive action to address this issue. 9 Fixed Penalty Notices were issued across Renfrewshire in the period April-June 2018 which is an increase on the numbers issued in the same period in previous years. 6 notices were issued within the Paisley North LAC area including 4 in the Seedhill area which has had a longstanding dog fouling issue. Of the 18 streets were targeted for interventions, 4 were from the Paisley North area: Candren Road, Killoch Road, Arthur Street & Underwood Lane. These streets are still being monitored in relation to dog fouling however early indications are positive. Feedback from elected members and the public has praised our work in this area and expressed a noticeable difference in cleanliness.

5. Protecting Vulnerable Residents

Intergenerational Workshop

- 5.1 Youth disorder has been prevalent in the Hawkhead area during the Spring months. The Community Safety Partnership identified the perpetrators who were subsequently visited at home by the Police. The Community Safety Youth Team and Community Police organised a restorative justice plan for the perpetrators. This involved the young people attending a workshop at the Scottish War Blinded Centre on 31 May 2018. The aim of the workshop was to bring together local youths from St Andrew's Academy, veterans and older residents to discuss issues surrounding antisocial behaviour within the community. The workshop discussed issues facing both generations and was positive way of breaking down barriers between young and older people. The youths now understand the seriousness of their behaviour, the impact it had on the community and very much regret their actions. These young people will continue to be monitored by the Community Safety Youth Team.

I Am Me/Keep Safe

- 5.2 The I Am Me primary school resources have been developed to form a structured programme incorporating learning materials specific for each age group from P1 to P7. By June 2018, the Primary School programme had been delivered to 49 schools and 10,436 children had participated. 3,374 children surveys have been returned and the headline results are as follows:

- 98% enjoyed the I Am Me visit;
- 92% are more aware of bullying;
- 91% are more aware of disabilities;
- 99% know bullying is wrong;
- 97% know it is important to report bullying;
- 93% would tell an adult if they, or someone else was being bullied.

5.3 In total 10,848 pupils are booked to attend, with all Renfrewshire Primary and Additional Support Needs schools booked in.

5.4 Keep Safe is extending across Scotland, with 20 local authority areas actively rolling out the initiative. As of the end of June 2018, there are 421 Keep Safe places across Scotland, including 129 in Renfrewshire. The Keep Safe Ambassador programme is also going from strength to strength and now has 226 High School Ambassadors, 86 Police Scotland Youth Volunteer Ambassadors, 38 Ambassadors with a learning disability and 54 Keep Safe Ambassador trainers across Scotland. A total of 132 Ambassadors have been trained in Renfrewshire so far.

5.5 I Am Me Scotland has been awarded the Queen's Award for Volunteer Groups. This award is the equivalent of an MBE and the highest award given to voluntary groups in the UK. I Am Me Scotland was given recognition for all of the hard work, dedication and support from their volunteers. These volunteers include the Board of Trustees, Community Management Committee, Keep Safe businesses and Keep Safe Ambassadors.

6. Building Safer Communities

6.1 The Building Safer & Greener Communities programme has been implemented in Renfrewshire since 2016. A multi-agency group led by Police Scotland and supported by other partners works closely with communities to carry out targeted interventions in areas in need of additional support. The group's interventions reduce littering, vandalism and disorder offences and increase the number of arrests for drug offences in relation to the corresponding period the previous year.

6.2 Erskine was the third area within Renfrewshire to be identified as a 'vulnerable community', mainly due to the volume of youth disorder and antisocial behaviour incidents during 2016. Local residents were surveyed to find out what issues were affecting them in their area which helped shape multi-agency initiatives to address concerns.

6.3 Interventions statistically have proven successful, with an impact assessment carried out in relation to environmental complaints, crime, and antisocial behaviour/disorder, comparing the period 1st July 2016 to 30th April 2017 (pre-intervention) and the corresponding period of 2017/18 which coincided with the Safer and Greener initiative.

- **Dog Fouling:** A slight reduction from 48 complaints during 2016/17 to 42 complaints during 2017/18.
- **Litter & Flytipping:** A significant reduction in complaints was noted, with 59 incidents during the period of analysis for 2016/17, compared to 20 incidents during the corresponding period of 2017/18. The greatest impact was incidences of Flytipping, which reduced from 30 complaints to 8 during the two periods of analysis.
- **Vandalism:** Reduced by 29%, from 184 recorded incidents during 2016/17 to 130 incidents for the corresponding period of 2017/18.
- **Serious and Violent Crime:** Nearly halved, with only five recorded incidents of Serious and Violent crime during 2017/18 - this is four less than were recorded during the corresponding period of 2016/17.
- **ASB & Disorder:** Disorder incidents reduced by nearly one-third (32%) - a total of 580 incidents were recorded during the 2016/17 period compared to 395 during the corresponding period of 2017/18.
- **Drugs:** Drugs Crimes increased very slightly, rising from 30 crimes during the 2016/17 period to 34 during the Safer and Greener Intervention period. The majority of incidents related to possession of user amounts of cannabis and are attributed to the increased Policing presence during this time.

6.4 The lessons learned in each new area the group goes into about which interventions have the greatest impact on particular issues of concern are being shared across Renfrewshire. While the next intervention area will be Shortroods in Paisley, the learning from Erskine will also be used in this Local Area Committee area. Successful interventions established in the previous areas of Ferguslie and Gallowhill are also continuing with ongoing support from all partners to maintain positive outcomes.

Spring / summer events

6.5 The Community Safety Partnership including wardens, CCTV and Street Stuff have been supporting key spring/summer events throughout Renfrewshire. This includes national events like the British Pipe Band Championship, CoSLA Convention and Colourfest 2018, the dance festival at Braehead. However, they also attended more local events such as St Mirren Parade 2018, Paisley Beer & Food Festival, Erskine Motorbike Meet, Sma Shot Day, The County Grand Orange Lodge Parade in Johnstone, Erskine Building Safer Greener Communities events, CarFest 2018, Armed Forces Day at Paisley Abbey and gala days including Barshaw and Renfrew. The Wardens provided the CCTV vehicle and the Safe Bus with the lost kids' location at many of these events. Meanwhile, Street Stuff were in attendance at the family-orientated events like the gala days, providing football and dance activities for young people to participate in.

- 6.6 Paisley Town Hall is due to close at the end of 2018 for a 2-year refurbishment project. Renfrewshire Leisure are considering options for future Town Hall events, potentially held in Renfrew or Johnstone. Renfrewshire Council's cultural programme will remain within Paisley town centre utilising alternative resources where required.

7. **Diversionsary Activities**

Street Stuff

- 7.1 Street Stuff continues to deliver a variety of activities throughout Renfrewshire. There were over 10,000 recorded attendances in this quarter, 6,000 of which formed part of evening activities. In addition to the normal scheduled timetable, extra afternoon sessions were delivered during the Easter school holidays at St Mirren FC, St James Primary School and Linwood High with with over 800 recorded attendances over the two-week period averaging over 130 per day. Activities during these sessions included football, dance and youth bus and included the provision of a healthy meal. Street Stuff also delivered activities at a number of events which are detailed in 6.5 of this report.
- 7.2 The table below shows Street Stuff activity and attendance in the Paisley North LAC area from April to June 2018:

Venue	Attendance
Ferguslie	106
Shortroods	225
St Mirren FC	359
Hunterhill CC	75
Total	765

- 7.3 Four young coaches from the Street Stuff programme have been working on the development of a Mini Chefs project to build on the Tackling Poverty initiative already being delivered during school holidays. The new programme aims to have a more sustainable outcome teaching young people how to cook a healthy meal on an affordable budget. Street Stuff was a winner in the Council Lens programme following the presentation of their ideas to the judging panel and is in the process of developing an implementation plan using the funding and support secured.

(Details of Street Stuff activities and the up to date timetable are available on the council's website using the following link
<http://www.renfrewshire.gov.uk/article/2381/Street-Stuff>.)

Implications of the Report

1. **Financial** - None
2. **HR & Organisational Development** – None

3. **Community Planning –**

Our Renfrewshire is fair - The Renfrewshire Community Safety Partnership treats all enquiries and complaints consistently using relevant legislation and guidance to ensure everyone that lives, works and visits Renfrewshire is treated fairly.

Our Renfrewshire is safe - The Renfrewshire Community Safety Partnership contributes towards Renfrewshire being a safe and secure place for those living, working or visiting the area, using intelligence led joint tasking arrangements.

4. **Legal** - None

5. **Property/Assets** - None

6. **Information Technology** - None

7. **Equality & Human Rights**

- (a) The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and monitored, and the results of the assessment will be published on the Council's website

8. **Health & Safety** – None

9. **Procurement** – None

10. **Risk** – None

11. **Privacy Impact** – None

12. **Cosla Policy Position** – None

Author: Oliver Reid, Head of Communities & Public Protection, Tel: 0141 618 7352

To: Paisley North Local Area Committee

On: 23 August 2018

Report by: Director of Finance & Resources

Heading: Budget Monitoring Report

1. Summary

- 1.1 Local Area Committees (LACs) provide funding through a range of grants in terms of the General Grant Scheme, Youth Challenge Scheme and, where appropriate, the Paisley or Renfrew Common Good Funds.
 - 1.2 A table detailing the funds allocated by this LAC at its meeting held on 24 May 2018 is attached as an appendix to this report.
 - 1.3 Since the last meeting of this LAC £343.72 of unused funds was identified in the 2017/18 budget and carried forward to this financial year. In addition, Renfrewshire Sports Network, an organisation previously in receipt of a LAC award, has disbanded. As a result of this a sum of £176.44 has been returned to the LAC for redistribution.
-

2. Recommendations

- 2.1 That the budget monitoring report be noted.
-

Implications of this report

- 1. **Financial Implications**
None.
- 2. **HR and Organisational Development Implications**
None.

- 3. Community Plan/Council Plan Implications**
The wide range of projects awarded LAC funding reflect the diverse nature of the community in Renfrewshire and meets many of the key ambitions set out in the Community and Council Plans.
 - 4. Legal Implications**
Compliance with the Council's Condition of Grants
 - 5. Property/Assets Implications**
None.
 - 6. Information Technology Implications**
None.
 - 7. Equality and Human Rights Implications**
 - (a) The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report because it is for noting only. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and monitored, and the results of the assessment will be published on the Council's website.
 - 8. Health and Safety Implications**
None.
 - 9. Procurement Implications**
None.
 - 10. Risk Implications**
None.
 - 11. Privacy Impact**
None.
 - 12. CoSLA Policy Implications**
None
-

Notes

To: Paisley North Local Area Committee

On: 23 August 2018

Report by: Director of Finance & Resources

Heading: Continued Grant Applications

1. Summary

1.1 The purpose of this report is to provide some further details in relation to the continued applications by Anchor Bowling Club, Friends of Barshaw Park, Twist and Hit Cheerleaders and Storm Gymnastics.

2. Recommendations

2.1 The LAC is requested consider the additional information in relation to the four applications for grant funding that were continued at the meeting held on 24 May 2018.

3. Background

3.1 The Paisley North LAC continued three applications at its meeting held on 24 May 2018. Copies of the application summary sheets for each application are appended to this report.

3.2 Anchor Bowling Club

3.2.1 The Bowling Club had applied for £10,000 to repair banking which had collapsed on one of the greens. Consideration of the application was continued but no allocation of funding was ringfenced. Insufficient funds remain to make a meaningful award to the application and it is recommended that the LAC further continues consideration to such time as additional resources become available.

3.3 Friends of Barshaw Park

3.3.1 The Friends of Barshaw Park applied for £10,000 for a horticultural consultation; trees, plants, shrubs, bulbs and compost; container, security, fixtures and solar panels; garden tools; a gazebo and folding tables; transport and fuel costs; and a promotional event. The application was continued, with the £10,000 ringfenced, to clarify the requirement for the group to obtain planning permission for the storage container and to allow the group to look at other funding options to maximise grant funding opportunities.

3.3.2 Council officers continue to work with the group to identify alternative means to achieve the objectives of the application, including the provision of storage, horticultural advice and renovations to the walled garden area. It is recommended that the LAC notes these continuing efforts by officers and agree that the award of up to £10,000 be made and drawn down as required by the group and to the satisfaction of the supervising officer.

3.4 Twist and Hit Cheerleaders

3.4.1 The group had applied for £4,490 from the Paisley North and Paisley South LACs to help pay for repairs to the sprung dance floor. The application was continued by this LAC, with its share of £2,245 ringfenced. The LAC continued the current application to ascertain what warranties or guarantees had been put in place when the sprung floor was installed last year.

3.4.2 The group had applied for funding of £10,000 in 2017 for the installation of the sprung floor and were awarded a total of £6,535. The group has advised that it purchased the items required to build the floor with the assistance of a joiner as it did not get the full funding to purchase one pre-made. Therefore there was no warranty and any repairs were the responsibility of the group. Since building the floor last year the cheerleading group has intimated that it had many issues with split/cracked plywood and every time this happened the whole board and any broken springs have had to be replaced.

3.4.3 The group intimated that some areas of the floor were more heavily used than others - the centre of the floor is used a lot more than far back corners. This area of the floor has required a considerable amount more springs and connecting metal plates which support the board joints. It is recommended that the LAC notes the issues raised by the group and considers the release of the award ringfenced by the LAC.

3.5 Storm Gymnastics

3.5.1 The group had applied for an award of £5,239, split between all five LACs, to help pay for two large crash mats, two medium crash mats and an air track. The application was continued by this LAC, with its share of £1,047.80 ringfenced. The application summary did not contain the group's bank balance – this has been confirmed as being approximately £3,500 which will be set against the group's general running costs, including hall hire, repairs, courses and general administration. It is recommended that the LAC considers the release of the award ringfenced by the LAC.

Implications of the Report

1. **Financial** - Grant awards will be contained within 2018/19 LAC budget allocations.
2. **HR & Organisational Development** – None
3. **Community/Council Planning** – The wide range of projects awarded LAC funding reflect the diverse nature of the community in Renfrewshire and meets many of the key ambitions set out in the Community and Council Plans.
4. **Legal** - Compliance with the Council's Condition of Grants
5. **Property/Assets** – None.
6. **Information Technology** – None.
7. **Equality & Human Rights** - The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report because all grant applicants must submit valid constitutions containing equality statements. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and monitored, and the results of the assessment will be published on the Council's website.
8. **Health & Safety** – None
9. **Procurement** – None
10. **Risk** – None
11. **Privacy Impact** - None
12. **Cosla Policy Position** – None

Grants Summary Sheet 2018-2019

Reference		FR1114		
Name of Organisation/Group	1.1	Anchor Bowling Club		
How many members?	1.11	Full Time	0	
		Part Time	5	
		Volunteer	20	
		Member	140	
Address/based	1.3			
What does your Organisation/Group do?	1.10	To promote the sport of bowling for all ages and all religions. Our member's ages range from the age of 7 up to 82. The club is also used as somewhere for the more elderly members to meet up and socialise.		
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to: Paisley North		
How much grant funding are you seeking?	2.10	£10,000.00		
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	We are a club who host various bowling games from within and out with Renfrewshire. We also host international friendlies from the Renfrewshire under 25s teams. The banking on the North Green has collapsed which has made this green unplayable under the Scottish Bowling Association rules. We are seeking partial funding to replace this banking. We believe that as a community/not for profit organisation this would not only benefit the area but also Renfrewshire as a whole. As when visiting teams attend games their supporters also visit within the Paisley Area. Due to the bankings collapsing. We have received quotes from three firms to replace the bankings. The greens will conform to SBA standards, hopefully allowing us to further promote the sport. This will permit us to host more International games, and more county games.		
What is your group's current bank balance?	1.14			
Are there any significant items of expenditure to be set against this bank balance?	1.14	No		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured

		Club Funds	Not Secured	Oct-18	
Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	2.6	The greens will conform to SBA standards, hopefully allowing us to further promote the sport. This will permit us to host more International games, and more county games.

Grants Summary Sheet 2018-2019

Reference		FR1156	
Name of Organisation/Group	1.1	Friends of Barshaw Park	
How many members?	1.11	Full Time	0
		Part Time	0
		Volunteer	30
		Member	325
Address/based	1.3		
What does your Organisation/Group do?	1.10	<p>To support the provision of facilities for the recreation and other leisure time occupations in Barshaw Park available to the public at large with a view to improving their conditions of life. To support & further Barshaw Park as a centre for environmental education. To protect the environmental amenity of the park and it's precincts. To promote and interest and increase the appreciation and wider use of Barshaw Park. To promote interaction and encourage persons of all abilities. To operate without distinction of gender or political, religious or other opinions by promoting general projects.</p>	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	<p>Geographical Area: Paisley North</p> <p>LAC Applying to: Paisley North</p>	
How much grant funding are you seeking?	2.10	£10,000.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	<p>The purpose of the project is to redesign areas of the garden where planting schemes have failed, create a new design which will complement a volunteer schedule using professional horticultural advice. This will allow greater focus for the current volunteers and allow us to engage with a wider audience and inexperienced gardeners more readily. In addition to this we want to provide a secure, watertight and safe area for the storage of tools and sheltering of volunteers. Despite a fortnightly tidy as well as additional support throughout the week by volunteers, it has become clear that the planting scheme had failed and advice from unbiased professional and experienced amateur gardeners confirmed this. Analysis of the planting plan from 2011 showed that many of the plants had either been overcome by weeds or by more invasive neighbouring plants which had spread. Feedback from visitors is that the garden is poor compared to what it had been in the past. It was also difficult to develop the garden to make projects areas to bring appear to junior and less confident gardeners. The horticultural consultation will provide us with an informed decision around the planting schemes to regenerate the garden to a state that is a) appealing b) is within the current capabilities of the core volunteers c) in line with park guidance around planting to combat anti social behaviours d) can offer areas that are</p>	

		<p>simple to focus on for younger groups and inexperienced gardeners d) is sustainable e) enhances biodiversity f) maintains the heritage of the garden. Out selected horticulturist understands the requirements for the design and "calendar of tasks" for the volunteers. We will have a project proposal, project plan and design brief that committee members and volunteers have been consulted on. Volunteer motivation will be raised. We will have a calendar of tasks that we can advertise and will support improving gardening skills for volunteers. The promotional event in the garden can be used as a platform for future educational and entertainment projects.. Community ties will be strengthened as new project areas allow us to reach a wider audience, the project will be recognised as having a benefit to health and wellbeing by building on the community friendly atmosphere.</p>		
What is your group's current bank balance?	1.14	5,378.29		
Are there any significant items of expenditure to be set against this bank balance?	1.14	Yes £5000 for establishment of Park Runs		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured
Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	2.6	<p>We will have a project proposal, project plan an design brief that committee members and volunteers have been consulted on. Address/based	1.3		
What does your Organisation/Group do?	1.10	To provide a safe training environment to progress tumbling skills; to provide opportunities to train young adults to prepare for work, such as, project management, coaching and leadership skills; to create a safe welcoming environment where children can socially interact and take part in physical activity, competitive and non-competitive, which increases fitness levels, encourages team building skills and increases confidence and health and wellbeing; to engage with families in areas of high deprivation and Renfrewshire wide to take part in community events. We also have an open membership policy.	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to: Paisley North and South	
How much grant funding are you seeking?	2.10	£4,490.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3		
	2.9	<p>We look to extend activities within our organisation with those with physical, emotional and sensory impairments.</p> <p>We recognise a need to allow those with additional needs to access a range of physical activities that increase their social inclusion, physical fitness and team building skills.</p> <p>By purchasing vital pieces of equipment it would allow us to provide a service to those who would otherwise be unable to attend. This encourages a positive mentality and an opportunity to engage in a sport which allows minority groups to come together and have fun in an equipped environment. We contacted local organisations to identify an interest in our proposed project with the following projected numbers: Riverbrae, Linwood (220 students), Mary Russell School (200 students). In addition we engage with other recognised additional support groups: Disability Resource Centre (150 members), ParaCheer (300+ athletes), Castle Sempill (100+ participants), SportScotland (200 + participants), Renfrewshire Leisure, Dirty Feet Dance Company (50 students), Right 2 Dance (70 students). They also supported the project plan that the items</p>	

		<p>requested are vital in order for them to attend sessions at our facility. Provide a safe floor for children to participate on</p> <ul style="list-style-type: none"> - provide additional apparatus that children would train with for inclusion in a sport that they enjoy (certain apparatus provide additional support for those with physical disabilities) - vital training for volunteers to deliver sessions to our target audience. Multiple groups engaging with our programme based on vital equipment, - social inclusion for all regardless of physical, emotional or sensory impairment, - additional training for volunteers leading to increased chance of employability. 		
What is your group's current bank balance?	1.14	23.96		
Are there any significant items of expenditure to be set against this bank balance?	1.14	No

Address/based	1.3	Robertson Sports Centre, Caplehill Road, Paisley		
What does your Organisation/Group do?	1.10	To provide a safe & nurturing environment for children of all ages & levels of ability to attend gymnastics classes to develop skills & confidence.		
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to:		
How much grant funding are you seeking?	2.10	£4365.90 + VAT (5239.08) Total		
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	The purpose is to give the gymnasts an opportunity to further develop their skills, also working to prepare routines. They will showcase these skills at our club competition for friends & family. All gymnasts will receive a medal for participating. Gymnasts enjoy perfecting current skills & learning new ones. In Nov 17 we hosted a 'parents come see me' event during class times gymnasts enjoyed putting together routines & showing to parents. To give focus for the last term the idea of a club comp was developed. Gymnasts can display new skills on a higher scale with some friendly competition with their peers. It will give gymnasts a focus to develop skills within their own ability & build confidence showing these to friends & family. We will hire a venue for display & encourage all gymnasts to participate. Gymnasts will have higher confidence levels. Carers can see skill develop. We hope this will encourage more gymnasts to participate at competition levels.		
What is your group's current bank balance?	1.14			
Are there any significant items of expenditure to be set against this bank balance?	1.14	No

Lead Officer Recommendation <i>(for office use only)</i>				

To: Paisley North Local Area Committee

On: 23 August 2018

Report by: Director of Finance & Resources

Heading: Applications for Local Area Committee Grant Funding

1. Summary

1.1 The attached appendix details of applications received for LAC grant funding.

2. Recommendations

2.1 That the applications for Local Area Committee grant funding, as detailed in the appendix attached to this report, be considered.

Implications of this report

1. Financial Implications

The grant award will be contained within the LAC's budget allocation for 2018/19.

2. HR and Organisational Development Implications

None.

3. Community Plan/Council Plan Implications - The wide range of projects awarded LAC funding reflect the diverse nature of the community in Renfrewshire and meets many of the key ambitions set out in the Community and Council Plans.

4. Legal Implications

Compliance with the Council's Condition of Grants

5. Property/Assets Implications

None.

6. Information Technology Implications

None.

7. Equality and Human Rights Implications

- (a) The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report because all grant applicants must submit valid constitutions containing equality statements. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and monitored, and the results of the assessment will be published on the Council's website.

8. Health and Safety Implications

None.

9. Procurement Implications

None.

10. Risk Implications

None.

11. Privacy Impact

None.

12. COSLA Policy Position

None.

List of Background Papers

None

What does your Organisation/Group do?	1.10	To allow young people a safe place to meet one a week. To participate in various activities and to give them something to do and a place to access easily. Where they can meet up with friends		
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to: Paisley North		
How much grant funding are you seeking?	2.10	£200.00		
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	One of our Youth Leaders is going to be going into local secondary schools to promote our Club as numbers have been in decline. In the hope that this is successful we are looking to update and buy new equipment to give the young people some things to do if they come along. There is a strong need to encourage more young people to come along. We've had some good numbers attending in the past but this year we've lost a lot of youngsters as they complete secondary school and move on. We need to encourage some younger teenagers to come along and by having some current and new equipment this will make the club more appealing to them. The equipment will encourage those who currently attend to keep on coming and hopefully they will invite some other friends to come along. Also by going into local secondary schools and also through the use of social media we can raise the profile of the club and get some new people coming along. We hope to see a bigger group of youngsters coming along each week and enjoying having fun in a safe and happy place.		
What is your group's current bank balance?	1.14	608.00		
Are there any significant items of expenditure to be set against this bank balance?	1.14	Yes Table Tennis bats and balls (£35 approx) Pizza and Movie night to end the session (£65 approx)		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured

Address/based	1.3	Unit 55 Embroidery Mill, Abbeymill Business Centre, Paisley PA1 1TJ	
What does your Organisation/Group do?	1.10	The overall aims of our centre is to provide support, information and advice to carers giving them a life outside of caring. With our young carers our particular outcomes follow SHANARRI in getting it right for every child.	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to: Renfrewshire Wide	
How much grant funding are you seeking?	2.10	£5,000.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	<p>The project provides information and advice to young carers in the Renfrewshire area as well as a network of support services to young people who are carrying out caring responsibilities. This environment provides peer support and creates a sense of belonging. It is an established forum for kids to tackle issues which may be affecting them and the opportunity to be children as often their caring role mitigates the chance of a childhood. We provide one to one support as well as group support. We also provide resources to schools. We sometimes have the opportunity to have social outings which provides a little respite in an often very hectic life. The young carers project was introduced due to a demand to provide a service for a marginalised, vulnerable group of young people. It was identified that young carers, were a hidden population, lacking in non-familial supports, who were socially and emotionally isolated. It was clear that many children in the area were providing care to a relative at home and that their rights were being ignored. Research at that time was limited on the needs of young carers but what quickly became apparent at a local level was that young carers needs were not being wholly met, thus impacting on all areas of their lives. The young carers project was borne out of this need and provided a safe, secure space for young people to come and offload and to be a child! The Young Carers Centre proposes working in partnership with Renfrewshire Leisure to offer a suite of leisure opportunities for young carers to participate in. This will lessen the impact that caring can have on children; will offer activities/leisure pursuits which the young person can look forward to. It will help to create a sense of belonging for the young person, it will promote healthy activity thus positively impacting on physical and mental wellbeing. With the implementation of The Carers (Scotland) Act 2016, there is a duty on the local authority to carry out a Young Carer Statement in partnership with the young person. We are working alongside the local authority to carry out Young Carer Statements. It is</p>	

		<p>anticipated that achieving outcomes for the young carers will involve participating in leisure activities. This will help the young person achieve their outcomes. It will give them a focus outside of their caring role and a chance at being a child first and foremost. Ability to offer young carers an opportunity to meet their desired outcomes, now enshrined in law. The suite of opportunities discussed with Renfrewshire Leisure will promote improved physical health of young carers. The demands of caring can affect both physical and mental health, it is anticipated that the introduction of participating in new activities will lessen the impact caring can have on both physical and mental health. The demands of caring can limit a young carers free time and the chance to meet up with friends. This will promote social as well as physical activity and provide the opportunity for young carers to meet regularly other young people experiencing similar situations as themselves.</p>		
What is your group's current bank balance?	1.14	22,960.28		
Are there any significant items of expenditure to be set against this bank balance?	1.14	<p style="text-align: center;">Yes</p> <p style="text-align: center;">Funding is for wages and general running costs of the Carers Centre</p>		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured
Please briefly explain the benefit for the Local Area Committee Area if you are awarded this grant	2.6	<p>Ability to offer young carers an opportunity to meet their desired outcomes, now enshrined in law. Address/based	1.3			
What does your Organisation/Group do?	1.10	We aim to provide brand new school uniforms and other school essentials to children who need it from P1-S6. We want all children to feel the same pride, self respect and dignity as their peers.		
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to:		
How much grant funding are you seeking?	2.10	£1,500.00		
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	We would like to continue the work of the uniform bank for as long as there is a need for it. We are inundated with referrals, especially at this time of year having provided almost 200 children with full, brand new school uniforms since 1st May 2018. We rely solely on donations from the public and local business to keep us afloat and really require significant funds at this time to ensure we can continue to fulfil the growing number of referrals that we are receiving. I am a primary teacher in Paisley and myself and colleagues see daily the children who come ill-prepared for school and the impact that this then has on their self esteem, confidence and also most importantly their learning. We decided to set up the uniform bank to service the Paisley area. We contacted local schools and local services to introduce ourselves and very quickly we were receiving referrals from across Renfrewshire. We now provide hundreds of referrals to families across the Renfrewshire Area. This project hopes to alleviate some of the financial pressure that families find themselves in when trying to provide school uniforms for their children. We source and buy new items only so as to ensure that all children feel the same sense of pride and self respect as theirs peers. We hope that with this funding we are able to continue to support the families of Renfrewshire. We would like to reach as many children as we can that need our help.		
What is your group's current bank balance?	1.14	4,377.54		
Are there any significant items of expenditure to be set against this bank balance?	1.14	Yes Large uniform order being placed 6/8/18		
Have you applied for funding from any other sources? (This includes other Council grant sources as well as external grant providers such as Lottery funding)	2.12	Source of Funding	Secured/Not Secured	Timescale for Decision if not Secured
