21/1170/PP Ward 10 - Houston, Crosslee And Linwood	Ms Donna Mackay Peterswell Barochan Road Houston Johnstone Renfrewshire PA6 7HS	Peterswell Barochan Road Houston Johnstone Renfrewshire PA6 7HS	<p>Planning permission is sought for the erection of a single storey extension to the rear of a semi-detached dwellinghouse at Hawthorn Crescent, Erskine. The dwellinghouse is located within an established residential estate. The principal elevation of the house fronts a road to the north-east, while the property is also bounded to the rear and on either side by neighbouring houses, with the adjoining semi-detached property situated to the south-east.</p> <p>The proposed extension would be erected between the boundary with the adjoining house and an existing single storey extension and low-level deck. The proposal would in this respect measure a depth of some 6.405 metres and a width of some 3.06 metres. The extension would feature a hipped roof which would connect with the apex of the roof of the existing extension at a height of approximately 3.5 metres. This would entail a slight remodelling of part of the existing extension roof.</p>	NMV Accepted	28/11/2022

The three trees proposed for removal are located within an area of woodland outside the garden boundary to the south of a detached dwellinghouse at Leeburn Avenue, Houston, while the fourth tree is located outside the west boundary of the same property, where it sits atop an embankment adjacent to Houston Road.</p> <p>The treeworks application has been submitted by the owner of the adjacent property. In their submission they outline concerns that the trees are blocking light to the woodland floor and the property itself. They note that the trees are non-native species which are affecting the growth of flowers and smaller trees within the woodland, while the lack of light afforded to the applicant's garden is causing persistent issues with moss. Concerns are also raised regarding the safety of the trees.</p> <p>The applicant initially applied for the removal of all four trees but following an assessment, which has included the submission of a report from qualified tree surgeons, have agreed to amend their proposals in respect of the tree adjacent to Houston Road. In this respect, it is proposed that instead of felling, this tree be subject to a crown reduction by 30%, with the additional</p>	NMV Accepted	28/11/2022
