Report by: Chief Executive

Heading: Annual Review of Compliance with the Local Code of Corporate Governance 2021

1. Summary

- 1.1. Corporate governance is the name given to the system by which Councils direct and control their functions. It is about ensuring that Councils do the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.
 - 1.2. This report reviews the Council's Local Code of Corporate Governance and provides evidence of how the Council complies with the code. *Delivering Good Governance in Local Government: Framework*, was refreshed in 2016 by CIPFA in association with Solace, the framework sets the standard for local authority governance in the UK.
 - 1.3. The evidence presented in Appendix 1 reflects the impact that the COVID-19 pandemic has had on the Council's governance arrangements over the last year. The evidence presented demonstrates that strong governance arrangements have remained and are in place within the Council, and the Councillors and Officers are working together to lead and manage the Council in order to provide vital public services.
-

2. Recommendations

- 2.1 It is recommended that members of the Audit, Risk and Scrutiny Board note:
 - the Council's compliance with the Local Code of Corporate Governance which is set out in Appendix 1 of this report.
-

3. Background

- 3.1 CIPFA published the *Delivering Good Governance in Local Government: Framework* in 2007 to set the standard for local authority governance in the UK. It reviewed and

published a revised edition in 2016 to ensure it remained 'fit for purpose'. The new code places greater emphasis on relationships and behaviours between Elected Members and senior management; performance reporting; and Council and service level plans. The Council reviews its Local Code of Corporate Governance annually, and last reviewed and approved its code and the supporting evidence of compliance, in September 2020. This was later than in previous years due to the COVID-19 pandemic, following the resumption of policy boards in August 2020.

3.2 The Council's Local Code of Corporate Governance covers the seven core principles which bring together the main elements of Council business. These are:

1. Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.
2. Ensuring openness and comprehensive stakeholder engagement.
3. Defining outcomes in terms of sustainable economic, social, and environmental benefits.
4. Determining the interventions necessary to optimise the achievement of the intended outcomes.
5. Developing the entity's capacity, including the capability of its leadership and the individuals within it.
6. Managing risks and performance through robust internal control and strong public financial management.
7. Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

3.3 Evidence of how the Council complies with the updated Local Code of Corporate Governance including examples of the systems, processes and documents in place, is detailed under each of the seven core principles in Appendix 1 of this report.

3.4 The framework is reviewed by Internal Audit, who assess the adequacy and effectiveness of the code and the extent to which the Council has complied with it, with findings reported to the Audit, Risk and Scrutiny Board.

1.1.1	Ensuring members and officers behave with integrity and lead a culture where acting in the public interest is visibly and consistently demonstrated thereby protecting the reputation of the organisation.	Code of conduct for employees and Councillor's Code of Conduct	The Finance, Resources and Customer Services Board revised the code of conduct for Council employees in late 2019. The Councillors' Code, which was introduced by the Ethical Standards in Public Life etc. (Scotland) Act 2000, sets out a protocol for relations between Councillors and employees. All Elected Members, following their election in May 2017, have signed their declaration of acceptance of office whereby they undertook to meet the requirements of the Councillors' code issued under the Ethical Standards in Public Life etc. (Scotland) Act 2000 in the performance of their functions as a Councillor.
		Protocol for Relationships between Political Groups, Elected Members and Officers	The Council's elected member and inter-party protocols and protocol for member / officer relations were reviewed and combined into one composite protocol which was approved by the Finance and Resources Policy Board on 12 th November 2014. Members are offered refresher briefings on code of conduct issues twice annually; in February 2020 this included a 'Code of Conduct' Roadshow presented by the Standards Commission for Scotland. The programme of training scheduled for April 2020 included a session on the Code of Conduct, this was postponed due to the pandemic.

	Requirements of corporate governance	Evidence of meeting requirement	Demonstration of annual compliance
		Code of corporate governance	The Council complies with this requirement through the agreement of the Code of Corporate Governance which details the organisation's governance arrangements. This is in line with national guidance and is updated on an annual basis.
		Scheme of delegation	<p>The Council's scheme of delegation ensures that decisions are made at the lowest or most local level consistent with the nature of the issues involved, with the exception of those powers which cannot be delegated or have been reserved to the Council. These functions have been delegated to Boards and committees, the Chief Executive, Directors and Heads of Service and other officers, including through statutory appointments of officers. The Scheme is changed to reflect any restructuring of Council services and transfer of functions between services.</p> <p>During the pandemic an Emergencies Board commenced and an Emergencies Management Team was established, as specified in the Scheme of Delegations: Delegations to Officers, which provides that the Chief Executive, all Directors and all Heads of Service have the delegated authority "To take any actions necessary in any emergency situation that are within the remit of their own post or the service for which they are responsible."</p> <p>The last Emergencies Board meeting was held in September 2020 as the normal Board cycle resumed in August 2020.</p>

Training for managers on the values has begun and will be rolled out to all staff later in the year.
		Council Plan and Local Outcome Improvement Plan (LOIP)	The Council complies with this requirement through the Council Plan and Local Outcome Improvement Plan (LOIP) which were refreshed during 2017 and approved by Council in September 2017. The SPSO also updated their policy in 2021 and the Council's policy has been updated to reflect these changes</p> <p>The time taken to respond to complaints is monitored by services and a report is submitted to</p>
