**To: HOUSTON, CROSSLEE, LINWOOD, RIVERSIDE & ERSKINE LOCAL
 AREA COMMITTEE**

On: 5 SEPTEMBER 2018

Report by: DIRECTOR OF COMMUNITIES, HOUSING & PLANNING SERVICES

**Heading: COMMUNITY SAFETY & PUBLIC PROTECTION,
 PROGRESS UPDATE**

1. Summary

1.1 This report provides a progress update on activities the Renfrewshire Community Safety Partnership has carried out in the Houston, Crosslee, Linwood, Riverside & Erskine area in quarter 1 (1 April – 30 June 2018). The report seeks to provide contextual information that explains the performance of the partnership across the Local Area Committee area. The report includes information on:

- Houston, Crosslee, Linwood, Riverside and Erskine anti-social behaviour statistics;
 - Environmental enforcement and improvement activities;
 - Protecting vulnerable residents;
 - Building safer communities;
 - Diversionary activities;
-

2. Recommendations

2.1 It is recommended that the Local Area Committee notes the content of this progress update report.

3. Houston, Crosslee, Linwood, Riverside & Erskine Antisocial Behaviour Statistics

- 3.1 54 antisocial behaviour calls were received by the Renfrewshire Wardens' service for the Houston, Crosslee, Linwood, Riverside & Erskine LAC area during April to June 2018 which is a significant decrease compared to the 78 calls in the corresponding period in 2017.
- 3.2 587 patrols took place within the Houston, Crosslee, Linwood, Riverside & Erskine LAC area, many in response to these calls. The antisocial behaviour calls made to the Wardens help the Community Safety Partnership to respond to and direct resources across Renfrewshire. During the same time period, the number of calls to the Noise Team increased in Ward 10 & 11 but decreased in Ward 12. However, the number of warnings issued reduced from 4 to 2. This highlights the public continue to adhere to initial warnings and modify their noise levels to within legal limits to avoid any enforcement action.

4. Environmental Enforcement and Improvements

Environment & Place – Team Up to Clean Up

- 4.1 Community groups continue to embrace the Team Up to Clean Up campaign. 101 clean-ups were recorded from January to June 2018 compared to 36 recorded for the same period in 2017. The Facebook community is growing and community groups are now visiting one another to view the results of the work being carried out in communities across Renfrewshire and sharing information on support that external companies can provide.
- 4.2 During the quarter from April to June 2018 there have been 10 clean-ups in the Houston, Crosslee, Linwood, Riverside & Erskine LAC area where over 95 volunteers removed more than 90 bags of litter. These clean-ups include Erskine Community Garden, Bishopton Community, Erskine Community Garden, Erskine Family Volunteer Group and Houston Litter Crew.
- 4.3 Erskine Community Garden further benefited from the bulbs removed from the flower beds in Renfrew. This group have now created a fairy garden in their area and are in discussion with other community groups offering advice and guidance.
- 4.4 Businesses have also been engaging with the campaign. Glasgow Airport, Chivas and McDonalds have all had employees participate in litterpicks recently. Chivas provided 150 volunteers to clean several locations within Renfrewshire and collected almost 400 bags of litter. The Normandy Hotel, Renfrew, have been assisting with the removal of litter and flytipping for the Renfrew White Cart River Bank and Nature Spot group. They are delighted with the efforts the group are making to improve the walkway at the back of their hotel.
- 4.5 A Senior Community Safety Officer secured funding from the Council Lens project to provide trolley's and relevant tools for community litterpicking groups. The Team Up to Clean Up Caddy will offer brushes, loppers and dog-fouling/graffiti removal kits,

amongst other tools. Work will ensure fair allocation of Caddy's and appropriate Health and Safety and safe use information is provided.

Responsible Dog Ownership Strategy

- 4.6 The Responsible Dog Ownership Strategy has shone a light on the problem of dog fouling and takes positive action to address this issue. 9 Fixed Penalty Notices were issued across Renfrewshire in the period April-June 2018 which is a significant increase on the numbers issued in the same period in previous years. No notices were served in the issued in the Houston, Crosslee, Linwood, Riverside & Erskine LAC area during this period, however of the 18 streets targeted for interventions 4 were from this LAC area: Locher Crescent, Ardgryffe park, Kilbarchan Park & Tandlehill Road. All streets continue to be monitored in relation to dog fouling however early indications are that there has been a measurable improvement. Feedback from elected members and the public has also praised the work in this area and expressed a noticeable difference in cleanliness.

5. Protecting Vulnerable Residents

I Am Me/Keep Safe

- 5.1 The I Am Me primary school resources have been developed to form a structured programme incorporating learning materials specific for each age group from P1 to P7. By June 2018, the Primary School programme had been delivered to 49 schools and 10,436 children had participated. 3,374 children surveys have been returned and the headline results are as follows:
- 98% enjoyed the I Am Me visit;
 - 92% are more aware of bullying;
 - 91% are more aware of disabilities;
 - 99% know bullying is wrong;
 - 97% know it is important to report bullying;
 - 93% would tell an adult if they, or someone else was being bullied.
- 5.2 In total 10,848 pupils are booked to attend, with all Renfrewshire Primary and Additional Support Needs schools booked in.
- 5.3 Keep Safe is extending across Scotland, with 20 local authority areas actively rolling out the initiative. As of the end of June 2018, there are 421 Keep Safe places across Scotland, including 129 in Renfrewshire. The Keep Safe Ambassador programme is also going from strength to strength and now has 226 High School Ambassadors, 86 Police Scotland Youth Volunteer Ambassadors, 38 Ambassadors with a learning disability and 54 Keep Safe Ambassador trainers across Scotland. A total of 132 Ambassadors have been trained in Renfrewshire so far.
- 5.4 I Am Me Scotland has been awarded the Queen's Award for Volunteer Groups. This award is the equivalent of an MBE and the highest award given to voluntary groups in the UK. I Am Me Scotland was given recognition for all of the hard work, dedication and support from their volunteers. These volunteers include the Board of Trustees,

Community Management Committee, Keep Safe businesses and Keep Safe Ambassadors.

6. Building Safer Communities

6.1 The Building Safer & Greener Communities programme has been implemented in Renfrewshire since 2016. A multi-agency group led by Police Scotland and supported by other partners works closely with communities to carry out targeted interventions in areas in need of additional support. The group's interventions reduce littering, vandalism and disorder offences and increase the number of arrests for drug offences in relation to the corresponding period the previous year.

6.2 Erskine was the third area within Renfrewshire to be identified as a 'vulnerable community', mainly due to the volume of youth disorder and antisocial behaviour incidents during 2016. Local residents were surveyed to find out what issues were affecting them in their area which helped shape multi-agency initiatives to address concerns.

6.3 Interventions statistically have proven successful, with an impact assessment carried out in relation to environmental complaints, crime, and antisocial behaviour/disorder, comparing the period 1st July 2016 to 30th April 2017 (pre-intervention) and the corresponding period of 2017/18 which coincided with the Safer and Greener initiative. The following figures relate specifically to Erskine pre and post the Building Safer Communities intervention.

- **Dog Fouling:** A slight reduction from 48 complaints during 2016/17 to 42 complaints during 2017/18.
- **Litter & Flytipping:** A significant reduction in complaints was noted, with 59 incidents during the period of analysis for 2016/17, compared to 20 incidents during the corresponding period of 2017/18. The greatest impact was incidences of Flytipping, which reduced from 30 complaints to 8 during the two periods of analysis.
- **Vandalism:** Reduced by 29%, from 184 recorded incidents during 2016/17 to 130 incidents for the corresponding period of 2017/18.
- **Serious and Violent Crime:** Nearly halved, with only five recorded incidents of Serious and Violent crime during 2017/18 - this is four less than were recorded during the corresponding period of 2016/17.
- **ASB & Disorder:** Disorder incidents reduced by nearly one-third (32%) - a total of 580 incidents were recorded during the 2016/17 period compared to 395 during the corresponding period of 2017/18.
- **Drugs:** Drugs Crimes increased very slightly, rising from 30 crimes during the 2016/17 period to 34 during the Safer and Greener Intervention period. The

majority of incidents related to possession of user amounts of cannabis and are attributed to the increased Policing presence during this time.

- 6.4 The lessons learned in each new area the group goes into about which interventions have the greatest impact on particular issues of concern are being shared across Renfrewshire. While the next intervention area will be Shortroods in Paisley, the learning from Erskine will also be used in this Local Area Committee area. Successful interventions established in the previous areas of Ferguslie and Gallowhill are also continuing with ongoing support from all partners to maintain positive outcomes.

Spring / summer events

- 6.5 The Community Safety Partnership including wardens, CCTV and Street Stuff have been supporting key spring/summer events throughout Renfrewshire. This includes national events like the British Pipe Band Championship, CoSLA Convention and Colourfest 2018, the dance festival at Braehead. However, they also attended more local events such as St Mirren Parade 2018, Paisley Beer & Food Festival, Erskine Motorbike Meet, Sma Shot Day, The County Grand Orange Lodge Parade in Johnstone, Erskine Building Safer Greener Communities events, CarFest 2018, Armed Forces Day at Paisley Abbey and gala days including Barshaw and Renfrew. The Wardens provided the CCTV vehicle and the Safe Bus with the lost kids' location at many of these events. Meanwhile, Street Stuff were in attendance at the family-orientated events like the gala days, providing football and dance activities for young people to participate in.

7. Diversionary Activities

Street Stuff

- 7.1 Street Stuff continues to deliver a variety of activities throughout Renfrewshire. There were over 10,000 recorded attendances in this quarter, 6,000 of which formed part of evening activities. In addition to the normal scheduled timetable, extra afternoon sessions were delivered during the Easter school holidays at St Mirren FC, St James Primary School and Linwood High with over 800 recorded attendances over the two-week period averaging over 130 per day. Activities during these sessions included football, dance and youth bus and included the provision of a healthy meal. Street Stuff also delivered activities at a number of events which are detailed in 6.5 of this report.
- 7.2 The table below shows Street Stuff evening activity and attendance in the Houston, Crosslee, Linwood, Riverside & Erskine LAC area from April to June 2018:

Venue	Attendance
OLP	1727
Bargarran	44
Linwood	209
Inchinnan	109
Parkmains HS	114
Total	2203

- 7.3 Four young coaches from the Street Stuff programme have been working on the development of a Mini Chefs project to build on the Tackling Poverty initiative already being delivered during school holidays. The new programme aims to have a more sustainable outcome teaching young people how to cook a healthy meal on an affordable budget. Street Stuff was a winner in the Council Lens programme following the presentation of their ideas to the judging panel and is in the process of developing an implementation plan using the funding and support secured.

(Details of Street Stuff activities and the up to date timetable are available on the council's website using the following link

What does your Organisation/Group do?	1.10	The overall aims of our centre is to provide support, information and advice to carers giving them a life outside of caring. With our young carers our particular outcomes follow SHANARRI in getting it right for every child.	
If your group covers more than one Local Area Committee (LAC) area, and you are applying to more than one LAC, please tell us which LACs you are applying to	1.13	Geographical Area: Renfrewshire Wide LAC Applying to: Renfrewshire Wide

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	The project provides information and advice to young carers in the Renfrewshire area as well as a network of support services to young people who are carrying out caring responsibilities. This environment provides peer support and creates a sense of belonging. It is an established forum for kids to tackle issues which may be affecting them and the opportunity to be children as often their caring role mitigates the chance of a childhood. We provide one to one support as well as group support. We also provide resources to schools. We sometimes have the opportunity to have social outings which provides a little respite in an often very hectic life. The young carers project was introduced due to a demand to provide a service for a marginalised, vulnerable group of young people. It was identified that young carers, were a hidden population, lacking in non-familial supports, who were socially and emotionally isolated. It was clear that many children in the area were providing care to a relative at home and that their rights were being ignored. Research at that time was limited on the needs of young carers but what quickly became apparent at a local level was that young carers needs were not being wholly met, thus impacting on all areas of their lives. The young carers project was borne out of this need and provided a safe, secure space for young people to come and offload and to be a child! The Young Carers Centre proposes working in partnership with Renfrewshire Leisure to offer a suite of leisure opportunities for young carers to participate in. This will lessen the impact that caring can have on children; will offer activities/leisure pursuits which the young person can look forward to. It will help to create a sense of belonging for the young person, it will promote healthy activity thus positively impacting on physical and mental wellbeing. With the implementation of The Carers (Scotland) Act 2016, there is a duty on the local authority to carry out a Young Carer Statement in partnership with the young person. We are working alongside the local authority to carry out Young Carer Statements. It is	

		anticipated that achieving outcomes for the young carers will involve participating in leisure activities. This will help the young person achieve their outcomes. It will give them a focus outside of their caring role and a chance at being a child first and foremost. Ability to offer young carers an opportunity to meet their desired outcomes, now enshrined in law. The suite of opportunities discussed with Renfrewshire Leisure will promote improved physical health of young carers. The demands of caring can affect both physical and mental health, it is anticipated that the introduction of participating in new activities will lessen the impact caring can have on both physical and mental health. The demands of caring can limit a young carers free time and the chance to meet up with friends. This will promote social as well as physical activity and provide the opportunity for young carers to meet regularly other young people experiencing similar situations as themselves.

(Please use a separate sheet if required)	2.3 2.9	We would like to continue the work of the uniform bank for as long as there is a need for it. We are inundated with referrals, especially at this time of year having provided almost 200 children with full, brand new school uniforms since 1st May 2018. We rely solely on donations from the public and local business to keep us afloat and really require significant funds at this time to ensure we can continue to fulfil the growing number of referrals that we are receiving. I am a primary teacher in Paisley and myself and colleagues see daily the children who come ill-prepared for school and the impact that this then has on their self esteem, confidence and also most importantly their learning. We decided to set up the uniform bank to service the Paisley area. We contacted local schools and local services to introduce ourselves and very quickly we were receiving referrals from across Renfrewshire. We now provide hundreds of referrals to families across the Renfrewshire Area. This project hopes to alleviate some of the financial pressure that families find themselves in when trying to provide school uniforms for their children. We source and buy new items only so as to ensure that all children feel the same sense of pride and self respect as theirs peers. We hope that with this funding we are able to continue to support the families of Renfrewshire. We would like to reach as many children as we can that need our help.

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	<p>The purpose of the project is to involve young people in planning and participating in their own event and encouraging them to lead and deliver this project to other people in the community. Also to create an alternative activity that will allow disengaged young people to get involved with EYC and their future events.</p> <p>Erskine youth council was previously successful in gaining LAC funding to hold 10 youth friendly events within Erskine. From the success of the events young people have identified the need to continue to hold exciting and new youth friendly events within their area. Erskine youth council have achieved project planning experience holding these events and wish to continue to develop and use these skills to offer new activities and experiences to young people and their community. One of the events that EYC members planned was a team building day at Glasgow Escape rooms for other young people and group members. This inspired young people to want to create their own escape room in their local area to provide a Free event that hasn't been done before and will cater to people of all ages. This event will be known as Erskine Escapes. Depending on the success of this event it may later be delivered to other areas of Renfrewshire.</p> <p>Erskine Escapes event will be held during the October week holidays to tie in with the Halloween festival, the room will be Halloween themed. This will be a 2-day event. The venue Erskine Escapes will be Bargarran community centre, main hall. Young people will be at the forefront for planning and organising this escape room event and will be delivering the experience to other people with the support of youth services staff. This event will be advertised via social media and community pages along with posters and leaflets that are designed by EYC members. EYC will also be outreaching to other local youth voice groups create stronger partnerships with other young people in their local area.</p>	

		<p>Young people are designing the games and will build the set for The Erskine Escape's room prior to the event. Some materials will be transported such as furniture and rented media equipment. There will be two-day event. Each escape room experience will last around one hour long with 15-minute breaks to allow the rooms to be reset. The Escape room will be closed over but will be not be locked and there will be two staff members present in the room to monitor young people</p> <p>young people and their families can book online using Eventbrite. The escape room will be adapted throughout the day to cater for different ages and abilities; there will be children's room (10-12 years old), teenager's room (13-16 years old) and young adult's room (17-25 years old). Slots can also be booked for Youth groups and Families using the youngest members age as the ability (aged 10+ only).</p> <p>To create partnerships with other local youth groups within Renfrewshire</p> <ul style="list-style-type: none"> • Building confidence to deliver an event • Increasing communication skills when working with other groups • Young people will gain experience planning an event, these skills can be transferred to many future work place situations • Young people will learn skills from developing an idea, to planning it and bringing it into fruition • To create a unique event that will leave a lasting impact • Young people will have a sense of achievement seeing their ideas and vision become reality • To feel more connected to the community • Spread awareness of Erskine Youth Council 		
What is your group's current bank balance?	1.14	1,846.63
