by
Director Scotland Excel**

Request for Associate Membership of Scotland Excel by Dyspraxia Scotland

1 Introduction

In addition to the 32 local authorities who are full members of Scotland Excel applications can be made for Associate Membership by organisations such as council arms length organisations, community groups, charities, housing associations and voluntary organisations which are a public body or a body that engages in activities of a public nature.

Organisations apply to Scotland Excel for Associate Membership to allow them to access the frameworks for goods and services which we have in place for our full members. Associates do not have the opportunity to influence the future contract delivery schedule which is reserved for the full local authority members.

2 Application

Dyspraxia is a condition recognized as the impairment or immaturity of the organisation of movement. The symptoms include problems of language, perception and thought. Dyspraxia Scotland is a charity created to provide help and support for individuals and families affected by the condition. The charity provides one to one learning support for their clients through education and into employment.

To ensure the efficient and cost effective delivery of these services the trust has approached Scotland Excel and requested approval to become an associate member with access to our contracts.

3 Legislative Position

Before any application is submitted to committee for consideration checks are made into the organisation including scrutiny of the Memorandum & Articles of Association, finances and the type of contracts that the organisation wishes to access. Membership commences once committee has approved the application and a Membership Agreement between Scotland Excel and the organisation is signed. The Membership Agreement protects Scotland Excel and Renfrewshire Council in the event of default by the Associate Member in any contract.

Scotland Excel monitors all requests from arms length organisations to become associate members to ensure that any legal requirements are met as not all such organisations are fully funded from their local authority, in this case Dyspraxia Scotland qualify for membership as they in accordance with the Local Authorities (Goods and Services) Act 1970, section 1B, namely that the organisation is not a public body, but it has functions of a public nature or engages in activities of that nature and the purpose of accessing Scotland Excel's services is to facilitate the discharge of those functions and activities.

4 Recommendation

It is recommended to committee that the Dyspraxia application to join Scotland Excel as an associate member be approved, at an annual fee of £500, subject to completion and signing of the agreement document.
