Sickness Absence, Special Leave and Hospitality

1. Introduction

As part of the governance process, members of the Joint Committee are advised on an annual basis of staff absence rates, special leave given to staff and hospitality granted by the organisation. The information for the 2020/21 financial year is detailed below.

2. Scotland Excel Staff Absence

The Joint Committee has previously agreed that Scotland Excel should work to an absence rate of below 4%. This target aligns Scotland Excel with partner organisations, supports good practice in this area and demonstrates the ongoing commitment to absence management as a key efficiency target.

During 2020/21, the average sickness absence rate per full time equivalent member of staff has been 6.6 days. In total, 610.5 sickness leave days were reported across all staff during 2020/21 representing a Sickness Absence Rate of 3.2%. The organisation will continue to monitor this and ensure that, where required, staff are given appropriate support to maintain their attendance.

3. Special Leave

Under item 6.2(w) of the Scheme of Delegation, the Chief Executive has the authority to permit any member of staff to absent themselves occasionally and temporarily during business hours to attend to duties or services of a civic honour, charitable, academic or social nature provided that these do not interfere with the efficient discharge of the functions of Scotland Excel and to grant special leave, in accordance with the lead authority's special leave policy.

Scotland Excel follows the HR policies and procedures of the lead authority, Renfrewshire Council. When approving requests for special leave, consideration is always given to the operational requirements of Scotland Excel together with requests that may have been previously granted and outstanding annual leave. Categories of special leave include some medical appointments, illness of family dependants, bereavements, civic duties and exam / study leave. A total of 38
