1 Review of Scheme for the Establishment of Community 5 - 92

Councils

Report by Director of Finance and Resources

To: Council

On: 27 September 2018

Report by: Director of Finance & Resources

Heading: Review of the Scheme for the Establishment of Community Councils

1. Summary

- 1.1 The Council is required to publish a Scheme for the Establishment of Community Councils (the Scheme) setting out the provisions it will make to establish and support community councils in its area and must review the Scheme regularly having regard to changing circumstances and to address any representations received.
- 1.2 The current Scheme was adopted by the Council in February 2015 and this report advises the statutory procedures to be followed to amend the Scheme for publication in 2019.
- 1.3 Proposals to amend the Scheme are as set out in the Draft Scheme for the Establishment of Community Councils (the Draft Scheme) (Appendix 1) and Appendix 2 provides an Index of Amendments for ease of reference.
- 1.4 Key changes proposed within the Draft Scheme are the introduction of a Community Council Complaints Procedure and Guidance and the provision of additional support to help community councils achieve the aims of the Community Empowerment (Scotland) Act 2015.
- 1.5 Whilst there are no proposals to amend community council boundaries, it is proposed that the Craigielea Community Council area be amended to be known formally as Ferguslie Community Council area.

2. Recommendations

- 2.1 That it be agreed that the Scheme for the Establishment of Community Councils 2015 ought to be amended as proposed within the Draft Scheme for the Establishment of Community Councils;
 - 2.2 That it be agreed that statutory consultation be undertaken on the content and provision of the Draft Scheme with community councils and the public invited to make representations;
 - 2.3 That it be noted that a further report on the outcome of the public consultation exercise and the content and provisions of a final Scheme for adoption by the Council will be submitted to a special meeting of the Council called for that purpose.
-

3. Reviewing and Amending the Scheme

- 3.1 The Local Government (Scotland) Act 1973 (the Act) places a duty on the Council to have in place a Scheme detailing the provisions it will make to establish and support community councils in its area.
- 3.2 The Scheme sets out arrangements for community council: boundaries; elections; membership; meetings; level of annual grant; liability; suspension and dissolution and includes the Constitution and Standing Orders to apply to community councils, together with a Code of Conduct for community council members and a summary of expectations.
- 3.3 The Council also has a duty under the Act to keep the content and provisions of its Scheme under review having regard to changing circumstances, and any representations received in this respect. The last review was conducted during 2014 and a revised Scheme was adopted by the Council in February 2015.
- 3.4 Before the 2015 Scheme can be revised and amended, the Council must agree that it ought to be amended, set out its proposals for amendment in a Draft Scheme and undertake statutory public consultation on the content and provisions of the Draft Scheme. A meeting of the Council, convened for that purpose only, must agree to this, by two-thirds majority of those present and voting.
- 3.5 At the end of the statutory consultation period a report will be submitted to the Council detailing representations received. Should representations include further proposals to amend the Scheme, these proposals can be accepted or rejected by the Council. If accepted, a second phase of public consultation, on an amended Draft Scheme must be carried out. No new material can be introduced.

- 3.6 Thereafter, the Council can resolve, at a meeting for that purpose only, to approve the content of the Draft Scheme or the duly amended Draft Scheme, as its new Scheme. The resolution requires a two-thirds majority of members present and voting.
- 3.7 At its meeting on 6 June 2018, the Cross Party Sounding Board noted the intention to review the current Scheme.
-

4. Proposed Amendments to the Scheme

- 4.1 In reviewing the content of the current Scheme, the undernoted matters were considered:
- (a) In January 2017, a representation was received, from the Scottish Government Minister for Local Government & Housing, encouraging the Council to consider the introduction of a complaint process for community councils when it next reviews its Scheme.
 - (b) A new community council has been established in the area specified in the Scheme as Craigielea Community Council area. Residents advised that the area was more commonly known to them as Ferguslie and requested that the community council area be renamed “Ferguslie Community Council”.
 - (c) A community council made an informal approach requesting that provision be made within the Scheme to allow community councils to remove “Council” from their official title, citing difficulty recruiting and retaining residents as members and confusion with the local authority.
 - (d) Many community councils have requested that the Scheme provide greater clarity on their requirement to be “non-political”.
 - (e) The Community Empowerment (Scotland) Act 2015 has been introduced and helps communities to do more for themselves and have more say in decisions that affect them. This Act strengthens the role of community councils as voluntary groups and makes provision for the Council to provide additional help and support in this regard.
 - (f) With regard to changing circumstances, the Scheme should provide greater clarity around the use of social media platforms given their increased use by community councils to engage with residents and Councillors.
 - (g) Publication by of the National Records of Scotland 2016 mid-year population estimates.
- 4.2 The Draft Scheme setting out the Council’s proposals to amend the 2015 Scheme is attached as Appendix 1 to this report. Proposed amendments are highlighted within the document and for ease of reference an Index of Amendments. including an impact assessment, is provided as Appendix 2.

- 4.3 The Draft Scheme addresses the matters listed at 4.1 except for (c). The name of each community council has been retained to clearly identify and preserve the unique status of community councils as defined statutory voluntary groups representing residents in that area and to maintain clear links to each community.
- 4.4 Most of the proposed amendments included in the Draft Scheme will have little or no impact on community councils given that they relate to providing greater clarity around current provisions, better reflect current practice and or update information where circumstances have changed.
- 4.5 Likewise, the adjustments made to community council populations following the publication of the National Records of Scotland 2016 mid-term population estimates and the consequent adjustments to the amount of annual administration grant provided by the Council will have very little impact on community councils.
- 4.6 The most significant impact is the inclusion of a Community Council Complaints Procedure and Guidance as suggested by the Scottish Government Minister for Communities & Housing. These documents form Appendix D to the Draft Scheme.
- 4.7 Informal discussion with community councils about the introduction of a complaints procedure indicate that while some welcome this opportunity to investigate and resolve complaints in a consistent manner, others are opposed. Community councils opposed to the introduction of a complaints procedure highlight the following concerns:
- (a) community council members lack the skills, knowledge and experience to handle complaints and to mediate and resolve conflict between two (or more) parties;
 - (b) handling complaints would place an additional burden on volunteer members to commit more of their time to undertake appropriate training, to keep that training up-to-date, to administer the complaints process, and to participate on Investigation Panels;
 - (c) that the additional time required to handle complaints may cause current members to leave and prevent recruitment of new members which is already proving challenging; and
 - (d) current members might resign if the subject of vexatious complaints.
- 4.8 When asked, informally, whether they would support the introduction of a complaints process, six community councils replied that they would support, three would not support and three were undecided. Nine community councils did not respond. At the Renfrewshire Community Council Forum meeting held on 4 September 2018, five members were in support of, and 11 members were against, the introduction of a complaints procedure.
- 4.9 Should the proposal to introduce a complaint procedure be accepted for inclusion with the final Scheme, the Council will require to deliver training on a

regular basis for community council members on Complaint Handling and Mediation & Conflict Resolution.

4. Community Councils in Renfrewshire

- 4.1 Community councils have a duty to represent all residents in their area and to do so with fairness and equality. The Local Government (Scotland) Act 1973 Section 51(2) provides this definition:

“In addition to any other purpose which a community council may pursue, the general purpose of a community council shall be to ascertain, co-ordinate and express to the local authorities for its area, and to public authorities, the views of the community which it represents, in relation to matters for which those authorities are responsible, and to take such action in the interests of that community as appears to it to be expedient and practicable”

- 4.2 There are 25 community council areas in Renfrewshire. The geographical boundaries of each area were determined by residents’ understanding of their own ‘natural’ community boundaries. To date, the Council has maintained the status quo in relation to community council boundaries, unless representations for change have been made by residents in the affected area and any affected neighbouring community council also agrees to the change.
- 4.3 At present, 21 community councils are active, representing approximately 150,750 residents and 4 are inactive leaving approximately 24,150 without community council representation.
- 4.4 295 residents are members of their local community council. Members are volunteers who have been elected “unopposed” to represent their area. Contested elections are held only where there are more candidates for election than places available on the community council. Membership is open to residents who live in the area, are registered to vote, and are 16 or over.
- 4.5 Community councils have a Constitution and Standing Orders that have been approved by Renfrewshire Council and operate a Code of Conduct for Members of Community Councils (the Code of Conduct) that sets out standards of behaviour expected of members.
- 4.6 The Code of Conduct was introduced by the Scottish Government in 2009 as part of its national “model Scheme” with guidance that the Code of Conduct was to be self-regulating. Community councils can investigate alleged breaches of this Code and determine the sanctions to apply. The Scottish Government is silent on what constitutes a complaint about a community council or a community council member, the method of investigation and the sanctions, if any, to be applied.
- 4.7 However, other local authorities including Moray and East Renfrewshire have introduced a complaints process for community councils, setting out a mechanism to resolve complaints and sanctions to apply.

- 4.8 The Council provides an annual administration allowance to each community council towards running costs, based on the formula; £600 + 3p per head of population. (Appendix E to the Scheme sets out the allowance provided to each community council).
- 4.9 The level of annual administration grant provided by our three comparator Councils is:
- | | |
|---------------------------|---|
| Dundee City Council | £330 + 1.2p per head of population |
| Clackmannanshire Council | £400 for each CC with population less than 3000 and £600 for all others |
| North Lanarkshire Council | £350 + £9 per 100 electorate |
- 4.10 Direct comparisons with the provisions and support provided to community councils by other Scottish local authorities is not possible given the diversities of size and scale, the levels of direct and indirect funding, and the resources available to provide direct and indirect support.
- 4.11 As well as their own fundraising initiatives, community councils can apply to the Council for local voluntary organisation grants and to external sources for funding towards local improvement projects for their communities.

Implications of the Report

1. **Financial** – The budget requirement for community council annual administration grants, based on revised population figures, has increased slightly from £20,247 to £20,278.
2. **HR & Organisational Development** – Should a complaints procedure be introduced, there will be a requirement to deliver training to community council members on Complaint Handling and Mediation & Conflict Resolution using either inhouse or external resources on a regular basis.

RENFREWSHIRE COUNCIL

SCHEME FOR THE ESTABLISHMENT OF COMMUNITY COUNCILS

1. Introduction

1.1 Community Councils were first established in Scotland following the Local Government (Scotland) Act 1973. Thereafter, the Local Government etc. (Scotland) Act, 1994, which produced the current system of unitary local authorities, made provision for the continuation of community councils. Every local community in Scotland is entitled to petition their local authority to start a community council in their area.

1.2 Renfrewshire Council published its first Scheme for the Establishment of Community Councils (the Scheme) in 2001. Following statutory public consultation, that Scheme was revoked and a new Scheme was adopted in December 2010, the contents of which were revised and amended in 2015 and 2019. The Scheme describes how community councils in Renfrewshire are formed, the conditions under which they operate and the minimum standards to be met for recognition as a community council.

1.3 Guidance on the practical implementation of this Scheme is available on request from Renfrewshire Council:

Contact: community-council.cs@renfrewshire.gov.uk or call 0141 618 7104.

2. Statutory Purposes

2.1 The statutory purposes of community councils established under this Scheme are set out in Section 51 (2) of the Local Government (Scotland) Act 1973, as follows: -

“In addition to any other purpose which a community council may pursue, the general purpose of a community council shall be to ascertain, co-ordinate and express to the local authorities for its area, and to public authorities, the views of the community which it represents, in relation to matters for which those authorities are responsible, and to take such action in the interests of that community as appears to it to be expedient and practicable”

2.2 Community councils are voluntary bodies that exist within a statutory framework. They can complement the role of the local authority but are not part of local government.

- 2.3 **Other Purposes:** The Community Empowerment (Scotland) Act 2015, further strengthens the purpose of community councils by including voluntary bodies within the community planning framework. As voluntary bodies, community councils:
- 2.3.1 can participate in all parts of the community planning process to produce Local Outcome Improvement Plans, in the development, design and delivery of these plans and in the review, revision and reporting of progress;
 - 2.3.2 can make Participation Requests;
 - 2.3.3 can make Asset Transfer requests;
 - 2.3.4 can be involved in forestry leasing;
 - 2.3.5 have a right to be consulted on the disposal or change of use of common good assets; and
 - 2.3.6 can be involved in Participatory Budgeting.
- 2.4 To support community councils to undertake their role within the community planning process, governance arrangements for Renfrewshire Community Planning Partnership will include recognition of community councils as members of Local Partnerships and advice and support will be provided to assist community councils to make Participation and Asset Transfer requests. This support will include access to advice on appropriate sources of funding available from the Council and other organisations.

3. The Role and Responsibilities of Community Councils

- 3.1 The general purpose of community councils is to act as a voice for their local area. This will involve them articulating the views and concerns of local people in their area on a wide range of issues of public concern and make representations to their local authority, other public sector bodies and private agencies on matters within their sphere of interest.
- 3.2 It is essential that these views be demonstrated to be accurately representative of the community. Accordingly, the community council will have in place, in consultation with the local authority, recognised consultative mechanisms, which may include social media, to validate their views and devise strategies to secure greater involvement by all sectors of the community.
- 3.3 Community councils have a statutory right to be consulted by the Council on planning applications, certain licensing matters and on the disposal or change of use of common good assets.

3.4 Community councils may carry out other activities that are in the general interests of the communities they represent, provided these activities fall within the objects of their Constitution and the terms of this Scheme for the Establishment of Community Councils.

3.5 There should be mutual engagement in the establishment of working relationships with Renfrewshire Council and other public agencies.

3.6 In carrying out their activities community councils must adhere to the law and the terms of this Scheme, including the Constitution (Appendix A), Standing Orders (Appendix B), Code of Conduct for Member of Community Councils (Appendix C) and the Complaints Procedure & Guidance (Appendix D).

3.7 Each community council is therefore required to:

3.7.1 adopt a “Constitution” as set out in Appendix A;

3.7.2 adhere to “Standing Orders” for the proper conduct of meetings, as set out in Appendix B.

3.7.3 ensure members abide by the “Code of Conduct for Members of Community Councils” as set out in Appendix C; and

3.7.3 handle complaints by following the “Renfrewshire Community Council Complaints Procedure and Guidance” as set out in Appendix D.

These standard documents have been approved by Renfrewshire Council and cannot be amended without the authority of the Director of Finance & Resources.

3.8 Community councils have a duty under statute to represent the views of their local community. It is vital therefore, that they reflect the broad spectrum of opinion and interests of all sections of the community. To fulfil their responsibilities community councils shall:

3.8.1 act without religious bias and remain neutral of party political activity:

Community councils must not endorse any political party or the activities of any political party. Community councils (and community council members in their role as members) must not show bias for or against any political party. Community council social media accounts must not display content from political parties and should not be used to comment, follow, like, display, forward etc any party-political postings.

Community councils must seek to develop good working relationships with all Elected Members of Renfrewshire Council;

3.8.2 inform the community of their work by making agendas and minutes of meetings available in public places such as libraries, community notice boards and online through social media accounts;

3.8.3 provide the name and address of community council members, when requested;

3.8.4 submit agendas together with minutes of the previous meeting to Renfrewshire Council at least 7 days prior to the date of each meeting;

3.8.5 distribute agenda and minutes to community council members, ex officio members and any other interested parties at least 7 days prior to each meeting as per the requirements of the Constitution and Standing Orders;

3.8.6 seek to broaden both representation and expertise by promoting Associated Membership of the community council of persons (not eligible for election to the community council) for specific projects/issues;

3.8.7 make particular efforts to encourage young people and other under-represented groups to attend/participate at community council meetings and to ensure equality of opportunity in the way the community council carries out its function;

3.8.8 maintain proper financial records, present regular financial reports to community council meetings and produce annual accounts each year. (A recognised format for financial recording keeping is available from Renfrewshire Council);

Contact: community-council.cs@renfrewshire.gov.uk

3.8.9 inform Renfrewshire Council, as soon as possible, of **any changes** to membership.

Contact: community-council.cs@renfrewshire.gov.uk

3.8.10 seek to resolve complaints by following the “Community Council Complaints Procedure and Guidance” as set out in Appendix D and undertake appropriate training in Complaint Handling and Mediation and Conflict Resolution provided by Renfrewshire Council. Advice and support to implement the Complaints Procedure and interpret the Guidance is available:

Contact: community-council.cs@renfrewshire.gov.uk

3.8.11 hold appropriate Public Liability insurance;

3.8.12 register as a Data Controller with the Information Commissioner’s Office and ensure the security of any confidential, personal and/or sensitive information held by the community council; and

Contact: <https://ico.org.uk/>

3.8.13 monitor its social media accounts to ensure content is appropriate, engaging and promotes the work of the community council in a positive manner. The community council's social media platforms must not be used to conduct arguments, bully or harass any individual or organisation. The opinions expressed on the community council's social media platforms must reflect the views of the community council and not of individual members.

4. Community Council Areas within Renfrewshire

4.1 Following consultation, local demand has determined that community councils be established in 25 neighbourhood areas. A list of named community council areas and their approximate population is attached as [Appendix E](#) and maps defining the boundaries to apply to each community council area are attached as [Appendix F](#).

5. Membership of Community Councils

5.1 There shall be minimum and maximum numbers of members elected to a community council. Where the population in any community council area is less than 5,000 the minimum membership number will be 7 and the maximum 21. Where the population in any community council area is 5,000 or greater the minimum membership number will be 10 and the maximum 30. The number of members to be elected to each community council is detailed in [Appendix E](#).

5.2 Members must be nominated and elected to the community council and must be 16 years of age or over.

5.3 Members must reside within the specific community council area i.e. the individual's permanent home must be within the community council area.

5.4 Members must also be named on the electoral register for the community council area in which they reside. Members who are 16 – 17 years of age and not yet listed on the Electoral Register must be proposed and seconded by residents of the community council area who are 18 years of age or over and listed on the electoral register.

5.5 There shall be provision made for non-voting Associate Membership for purposes as defined by each community council, for example, persons under 16 years of age. Such persons will not be counted in terms of meeting a quorum or towards the total number of community council members.

5.6 Elected members of Renfrewshire Council and members of the Scottish and United Kingdom Parliaments are entitled to become *ex officio* members of community councils, with no voting rights.

6. Establishment of Community Councils

- 6.1 The Council will give public notice of its intention to revoke the existing Scheme and make a new Scheme and will carry out statutory public consultation before adopting a new Scheme.
- 6.2 Renfrewshire Council, in compliance with current legislation, will request petitions from 20 residents in each community council area identified in the Scheme and will establish community councils in those areas that return a valid petition.
- 6.3 Renfrewshire Council will review the Scheme at regular intervals to update and amend the content as appropriate.

7. Community Council Elections

7.1 Eligibility

- 7.1.1 Candidates wishing to stand for election to a community council must meet the criteria for membership outlined in paragraph 5 of this Scheme. The same criteria shall apply to voters in a community council election.
- 7.1.2 Sixteen and 17year-olds residing in the community council area are also entitled to both stand for the community council and vote in any election. To be eligible to stand for election such candidates must comply with paragraph 5 of this Scheme. To be eligible to vote at an election residents who are 16 – 17 years old and not yet listed on the Electoral Register must provide evidence of identity, for example a statement from parent, guardian or school.
- 7.1.3 Any community council member who no longer resides within that community council area is deemed to have resigned from that community council.
- 7.1.4 Any individual who is elected to serve on Renfrewshire Council, or the Scottish, UK or European parliament shall be ineligible for membership of a community council, or to stand for election to a community council. Such persons, upon taking office, become *ex-officio* members of the community councils contained in whole or in part of their electoral constituency.

7.2 Elections

- 7.2.1 The first elections to be held under the Scheme shall be held on a date to be determined by the Director of Finance & Resources.
- 7.2.2 Subsequent elections will be held on a four-yearly-cycle, outwith local government election years, on dates to be determined by the Director of Finance & Resources. Where the number of established community councils exceeds a level to be determined by the Director of Finance & Resources, elections for a proportion of the total number of established community

councils within the 4-yearly cycle may be arranged. Should community councils' election cycle fall in the year of Scottish local government or parliamentary elections, the electoral proceedings may be postponed at the discretion of the Director of Finance & Resources.

- 7.2.3 Renfrewshire Council will administer all elections. The Local Government Election rules shall apply to any election subject to any changes as determined by the Director of Finance & Resources to facilitate the conduct of the election.

7.3 Returning Officer

The Council will appoint an Independent Returning Officer. The Independent Returning Officer must not be a current member of that community council nor intending to stand for election to that community council.

7.4 Nominations

- 7.4.1 Individuals seeking election to a community council require to be nominated by a proposer and seconder, both of whom must be resident in the Community Council area and appear on the Electoral Register for that area. Nominations require to be submitted with the candidate's consent. Self-nomination is not permitted.
- 7.4.2 A nomination form must be completed and submitted by each candidate. Nomination forms require to be submitted by the date set down in the election timetable. No nomination forms submitted after that date will be accepted.

7.5 Process

On the expiry of the period for lodging nominations:

- 7.5.1 Should the number of candidates validly nominated equal or exceed **THE MINIMUM**, but be less than or equal to the total maximum permitted membership as specified for the community council area in **Appendix E** of the Scheme, the said candidates will be declared to be elected and no ballot shall be held.
- 7.5.2 Should the number of candidates validly nominated exceed the total maximum permitted membership as specified for the community council area, arrangements for a Poll shall be implemented. At the Poll, residents of the Community Council area shall be entitled to vote for candidates up to the number of vacancies on the community council. The candidate with the most votes shall be elected to the community council then the candidate with the second most votes shall be elected and so on until all vacancies are filled.
- 7.5.3 Should the number of candidates elected, be below **THE MINIMUM** permitted membership as specified for the community council area, no community council will be established at that time. However, that does not preclude the local authority from issuing a second call for nominations for a

community council area failing to meet the minimum membership requirement within 6 months of the closing date for the registration of the first call for nominations.

7.6 Method of Election

Where appropriate, elections will take place across the Renfrewshire Council area at one time, and with regard to the terms of paragraph 7.2.2 above. The Director of Finance & Resources may determine the circumstances to apply to a staged approach to council-wide elections.

7.7 Filling of casual vacancies between elections

7.7.1 Casual vacancies on a community council may arise in the following circumstances:

- (a) when an elected community council member submits her/his resignation;
- (b) when an elected community council member ceases to be resident within that community council area; or
- (c) when an elected community council member has his/her membership disqualified (Paragraph 9).

7.7.2 Should a vacancy or vacancies arise on a community council between elections, it shall be a requirement that the community council undertake appropriate election arrangements, in consultation with the Council. Filling a vacancy can be undertaken either through the process of an interim election or by co-option. However, should circumstances arise that lead to the number of elected community councillors falling below **THE MINIMUM** permitted membership the Council shall be informed and shall undertake arrangements for an interim election to be held.

7.8 Co-option to Community Councils

7.8.1 Co-opted members must be eligible for membership of the community council as detailed in paragraph 5 of this Scheme. Such co-opted members shall have full voting rights, and will serve until the next round of elections (general and interim). Notice of any proposed co-option of a member should be included on the agenda for the next available meeting of the community council.

7.8.2 The number of co-opted members may not exceed a THIRD of the current elected (general and interim) community council membership. Should the ratio of co-opted to elected community councillors become greater than one third, due to any circumstances, an interim election process shall be triggered.

7.9 Additional Membership

7.9.1 Associate Members

Associate members may be appointed by a community council where there may be a need for individuals with particular skills or knowledge. These individuals do not have voting rights. Associate members may serve for a fixed period as determined by the community council or for the term of office of the community council that has appointed them. Associate members may also include representation from other constituted local voluntary organisations.

7.9.2 Ex-Officio Members

Renfrewshire Councillors, MPs and MSPs whose wards or constituencies fall wholly or partly within the geographical area of the community council area shall be deemed ex-officio members of the community council. Ex-officio members shall have no voting rights on the community council.

For the avoidance of doubt, the attendance of any associate or ex-officio member at a meeting of the community council will not count towards the quorum for that meeting.

8. Equalities

- 8.1 Recognition should be given to the contribution of everyone participating in the work of the community council. Community councils must comply with Equal Opportunities legislation and ensure that equality of opportunity be given to every participant to have their knowledge, opinion, skill and experience taken into account.

9. Disqualification of Membership

- 9.1 Members who cease to reside in the community council area will be deemed to have resigned.

However, at the discretion of individual community councils, and at the request of the individual member of the community council, a period of leave of absence of up to three consecutive meetings may be granted at any meeting of the community council.

- 9.3 Membership will be withdrawn should an Investigating Panel, after conducting its investigation, uphold a complaint that a member of a community council was in breach of the Code of Conduct for Community Council Members and finds that the circumstances are such that expulsion from the community council is warranted.

10. Meetings

- 10.1 The first meeting of a community council following community council election, will be called by Renfrewshire Council and will take place within 21 days of the date of the election, or as soon as practicable thereafter. The business of that meeting will include adoption of a Constitution and Standing Orders, appointment of office bearers and any outstanding business matters from the outgoing community council.
- 10.2 The frequency of meetings will be determined by each community council, subject to a minimum of 7 meetings each year (one annual general meeting and 6 ordinary meetings). Standing Orders shall identify the months in which meetings are to take place. The annual general meeting shall be held in OCTOBER each year.
- 10.3 Each community council will be responsible for arranging a venue for meetings and payment of any fees.
- 10.4 Every meeting of the community council shall have a quorum of voting members present before the meeting can proceed. The quorum for community council meetings shall be one-third of the current number of members of the community council eligible to vote, or 3 members, whichever is the greatest.
- 10.5 An outline for the content of business that community councils should adhere to when holding ordinary, special and annual general meetings is contained within Standing Orders.

11. Communication with Renfrewshire Council

- 11.1 In order to facilitate the effective functioning of community councils, the Council has identified that the Senior Committee Services Officer (Community Councils) will provide a liaison service to community councils.
- 11.2 For the avoidance of doubt, this means that community councils should send the Senior Committee Services Officer (Community Councils), by the timescales prescribed, all information/documents that are required by Renfrewshire Council/Director of Finance & Resources under the terms of this Scheme.

11.3 The Senior Committee Services Officer(Community Councils) will act as the main point of contact for advice and support to interpret and implement the Scheme, Constitution, Standing Orders, Code of Conduct for Community Council Members and the Complaints Procedure.

11.6.5 Where the matter is complex and/or requires detailed investigation and Renfrewshire Council cannot provide a reply within 10 working days, the community council will be so advised, within 10 working days and an appropriate alternative date for reply will be provided.

12. **Resourcing a Community Council**

12.1 The financial year of each community council shall be provided for in the constitution of each community council and shall be from **1 September** to **31 August** in each succeeding year to allow for the proper submission of

independently examined Annual Accounts to the community council's annual general meeting in OCTOBER each year.

- 12.2 The Annual Accounts of each community council shall be independently examined by at least two persons appointed by the community council, who are not members (or related to members) of that community council. A copy of the independently examined Annual Accounts and balance sheet shall be forwarded immediately thereafter the statement is approved at the community council's annual general meeting, to the Senior Committee Services Officer (Community Councils). The Director of Finance & Resources may require the community council to produce such records, vouchers and account books, as may be required to satisfy the Council that the financial concerns of the community council are in order.

14.2 Whilst suspended, no meetings of the community council can take place. The community council will revert to the status of a steering group whose main task will be to consider and take such action as is necessary to ensure a re-instated community council can comply with the provisions of the Scheme, Constitution and Code of Conduct for Community Councillors.

14.3 On satisfying the Head of Corporate Governance that the community council will in the future be able to comply with the provisions of the Scheme, the community council will be re-instated by written notice from the Director of Finance & Resources at which time meetings can recommence.

14.4 In the event that a steering group is unable to demonstrate that the community council can comply with the provisions of the Scheme, within a period of three months from the date of suspension, then the Director of Finance & Resources may recommend to Renfrewshire Council that the community council be dissolved.

14.5 However, should the steering group be able to demonstrate sufficient progress towards conforming with the Scheme, to the satisfaction of the Head of Corporate Governance, then the period of suspension can be extended by an additional 3 months and a notice issued by the Head of Corporate Governance to that effect.

15.3 The Council may take action to dissolve a community council where it is satisfied and can demonstrate a major single failure or a series of failures by a community council to comply with (i) the Scheme; (ii) the community council Constitution; and (iii) the Code of Conduct for Community Councillors, where said failure(s) have not been remedied after being brought to the community council's attention.

As representatives of their local communities, community council members have a responsibility to make sure that they are familiar with, and that their actions comply with, the principles set out in this Code of Conduct. The Code of Conduct and its principles, shall apply to all community council members and those representing the Community Council. These principles are as follows:

- Service to the Community (Public Service)
- Selflessness
- Integrity
- Objectivity
- Accountability and Stewardship
- Openness
- Honesty
- Leadership
- Respect

Service to the Community

As a community council member you have a duty to act in the interests of the local community which you have been elected or nominated to represent. You also have a duty to act in accordance with the remit of the Council's Scheme for the Establishment of Community Councils, as set out by Renfrewshire Council under the terms of the Local Government (Scotland) Act 1973.

You have a duty to establish and reflect, through the Community Council, the views of the community as a whole, on any issue, irrespective of personal opinion.

You should ensure that you are, within reason, accessible to your local community and local residents and make your contact details available to the public. Various mechanisms to allow the general community to express their views, i.e. suggestion boxes, community surveys, opinion polls should, where possible, be made available.

Selflessness

You have a duty to take decisions solely in terms of the interest of the community that you represent. You must not use your position as a community council member to gain financial, material, political or other personal benefit for yourself, family or friends.

Integrity

You must not place yourself under any financial or other obligation to any individual or organisation that might reasonably be thought to influence you in your representation of your community. If you have any private and/or personal interest in a matter to be considered by the Community Council, you have a duty to declare this and if deemed necessary by other members, withdraw from discussions and the decision making process with regard to that matter.

You should not accept gifts or hospitality that may be seen to influence or be intended to influence your opinion or judgement. The offer and/or receipt of any gifts, regardless of form, should always be reported to and noted by the Secretary of the Community Council.

Objectivity

In all your decisions and opinions as a community council member, you must endeavour to represent the overall views of your community, taking account of information which is provided to you or is publicly available, assessing its merit and gathering information as appropriate, whilst laying aside personal opinions or preferences.

You may be appointed or nominated by your Community Council to serve as a member of another representative body. You should ensure that this Code of Conduct is observed when carrying out the duties of the other body.

You are free to have political and/or religious affiliations; however you must ensure that you represent the interests of your community and Community Council and not the interests of a particular political party or other group.

Accountability and Stewardship

You are accountable for the decisions and actions that you take on behalf of your community through the Community Council. You must ensure that the Community Council uses its resources prudently and in accordance with the law.

Community council members will individually and collectively ensure that the business of the Community Council is conducted according to the Council's Scheme for the Establishment of Community Councils and this Code of Conduct.

Community council members will individually and collectively ensure that annual accounts are produced showing the financial undertakings of the Community Council as set out in the Council's Scheme for the Establishment of Community Councils. They must also ensure that all resources are used efficiently, effectively and fairly and are used strictly for the purposes of Community Council business and for no other purpose.

Minutes of Meetings recording all actions and decisions made should be produced and circulated to all members of the Community Council as soon as possible and not later than 14 days after each meeting.

Any breach of the Council's Scheme for the Establishment of Community Councils as set out by Renfrewshire Council under the terms of the Local Government (Scotland) Act 1973 may be reported to your local authority to determine what action, if necessary, should be taken.

Openness

You have a duty to be open about your decisions, actions and representations, giving reasons for these where appropriate. You should be able to justify your decisions and be confident that you have not been unduly influenced by the views and/or opinions of others.

If you have dealings with the Media, members of the public, or others not directly involved in your Community Council, you should ensure that an explicit distinction is made between the expression of your personal views and opinions from any views or statement made about or on behalf of the Community Council.

Honesty

You have a duty to act honestly. You also have an obligation to work within the law at all times. You must declare any private interest relating to your Community Council duties and take steps to resolve any conflicts arising in a way that protects the interest of the community and the Community Council.

Leadership

You have a duty to promote and support the principles of this Code of Conduct by leadership and example, to maintain and strengthen the community's trust and confidence in the integrity of the Community Council and its members in representing the views and needs of the local area. You must also promote social inclusion and challenge discrimination in any form.

You should act to assist the Community Council, as far as possible, in the interest of the whole community that it serves. Where particular interest groups' concerns are in conflict with those of other groups or other areas you should help to ensure that the Community Council is aware of them.

Respect

You must respect fellow members of your Community Council and those that you represent, treating them with courtesy, respect and in a non-discriminatory manner at all times. This should extend to any person, regardless of their position, you have dealings with in your capacity as a community council member.

Recognition should be given to the contribution of everyone participating in the work of the Community Council. You must comply with Equal Opportunities legislation and ensure that equality of opportunity be given to every participant to have their knowledge, opinion, skill and experience taken into account.

You should ensure that confidential material, including details about individuals, is treated as such and that it is handled with dignity and discretion and is not used for personal, malicious or corrupt purposes.

COMMUNITY COUNCIL

Complaints Procedure

Appendix D

INTRODUCTION

Community councils must represent all residents in their areas fairly and without prejudice - remaining impartial to Political Party influence and religious bias.

The main purpose of a community council is to find out what residents think about the public services they use - and then to pass these views on to Renfrewshire Council and other public bodies. In that way, community councils can help public sector agencies to deliver the right services to the right people at the right time.

Community councils are consulted regularly by Renfrewshire Council and its partners on issues that affect their area, such as planning, environment and health. In this capacity, community councils act as the first tier of local democracy – however they are separate, voluntary organisations and are not part of Renfrewshire Council.

Community councils also act as a focal point for their communities and often arrange local street events such as gala days and Christmas lights as well as small local improvement projects.

You can find out more about where and how community councils operate in the “*Scheme for the Establishment of Community Councils*” (the Scheme) published by Renfrewshire Council. The Scheme incorporates a Code of Conduct that sets out the standard of behaviour expected of community council members. The Scheme is available online at <http://www.renfrewshire.gov.uk/article/2404/Community-councils>

From time to time complaints are made about community councils or about individual members of a community council.

If you are dissatisfied with the action, or lack of action, taken by a community council or are concerned about the conduct of member(s) of a community council, this procedure can be used to address your dissatisfaction and attempt to resolve your complaint.

Please read this procedure thoroughly before making a complaint to a community council.

WHAT IS A COMPLAINT?

A complaint is an expression of dissatisfaction or concern about the operation of the community council; management of meetings; actions or lack of actions by a community council; or the behavior of individual members of a community council.

WHO CAN COMPLAIN?

Anyone can make a complaint to a community council - usually but not exclusively:

- if adversely affected by the community council's decisions/actions or lack thereof;
- if you witness and believe that the behaviour exhibited by a member(s) when conducting community council business falls short of that set out in the Code of Conduct.

You can ask someone else you trust to make a complaint on your behalf. Please ensure that you advise the community council that you have given your consent for the person to act on your behalf.

WHAT CAN I COMPLAIN ABOUT?

Although not an exhaustive list, the community council will consider complaints about:

- Behaviour of a community council member when dealing with a community council matter;
- Failure of a community council to comply with the terms of the Scheme published by Renfrewshire Council;
- Breach of confidentiality;
- Misuse of the community council social media accounts, email or letters; and
- Bringing the community council into disrepute.

Your complaint may involve more than one of the above.

WHAT CAN'T I COMPLAIN ABOUT?

The community council complaints process cannot be used:

- to complain about a decision made by Renfrewshire Council;
- to request compensation for a decision a community council has made;
- to make spurious or vexatious complaints about a community council or its members;
- if you are a member of a community council, to complain about a decision made by the community council with which you disagree; or
- the conduct of an elected member of Renfrewshire Council who is an *ex officio* member of a community council. Find out how to make a complaint about an elected member of Renfrewshire Council here:
<http://www.publicstandardscommissioner.org.uk/make-a-complaint/overview/>

HOW DO I COMPLAIN?

The community council may be able to resolve your complaint on the spot if you speak directly to a member of the community council when the incidence occurs.

Alternatively, you can email or write to the community council – remember to:

- ✓ include your full name and address, including an email address if possible;
- ✓ give as much detail as possible about your complaint (include evidence if available);
- ✓ tell the community council what has gone wrong;
- ✓ advise what you want the community council to do to resolve the matter.

Send your complaint to the Secretary of the community council in the first instance; or to the Chairperson; or to the Treasurer; or to any other member of the community council as appropriate.

You can find contact details for each community council Secretary and a list of members online at <http://www.renfrewshire.gov.uk/article/2404/Community-councils>

If you would like further advice about submitting a complaint to a community council, please contact community-council.cs@renfrewshire.gov.uk

HOW LONG DO I HAVE TO MAKE A COMPLAINT?

You must make your complaint as soon as possible and within 3 months of the event occurring.

WHAT HAPPENS WHEN I SUBMIT A COMPLAINT?

The community council will acknowledge receipt of your complaint, in writing, within **5 days**.

Thereafter, the nature of your complaint will determine the most appropriate course of action to be taken by the community council.

Within **10 days** of receipt of your complaint,

- should your complaint **not** be accepted, the community council, will write to you explaining why your complaint was not accepted; or,
- if your complaint is accepted, the community council will either;
 - offer an apology and explanation, in writing. (See 'Frontline Resolution' below);
 - or** where a complaint is complex and requires investigation;
 - advise you, in writing, if an Investigating Panel of members of the community council or an Investigating Panel of members of other community councils in Renfrewshire will handle your complaint. (See 'Investigating Your Complaint' below).

Frontline Resolution

Community councils should aim to resolve all complaints quickly. When appropriate, resolution can often be achieved swiftly by issuing an immediate apology and explanation when something has clearly gone wrong. In such instances, the community council will issue an apology and explanation within **10 days** of receipt of your complaint. If appropriate, the response will also set out what it will do to prevent the problem recurring.

Thereafter, should you still be unhappy, the community council will arrange for you to meet privately with two office-bearers (or, if appropriate, two other members of the community council) to discuss your complaint. This will provide an opportunity to find out why you remain dissatisfied and what further reasonable action the community council could take to resolve your complaint.

The community council will advise you, in writing, **within 10 days** of the meeting taking place, of any further action it will take to resolve your complaint.

Investigating Your Complaint

Some complaints are more complex and may include more than one issue that cannot be resolved by Frontline Resolution.

The community council will let you know, in writing, within **10 days** of receipt of your complaint, whether it will set up an Investigating Panel comprising three members of the community council, or whether it will set up an Investigating Panel comprising three members of other community councils in Renfrewshire. This will depend on the nature of the complaint and will be determined by the community council.

The Investigating Panel may call for evidence from all parties concerned before determining your complaint.

The community council or members of the community council may be suspended at this point pending the outcome of the investigation. Suspension is not an accusation of guilt, it is to provide all parties with an opportunity to prepare for the investigation.

Ideally, investigations will only be carried out by community council members who have undertaken 'Complaint Handling and Mediation & Conflict Resolution' training provided by Renfrewshire Council.

The Investigating Panel should meet and hear evidence within **30 days** of receipt of the complaint and within **10 days** thereafter you will be advised in writing of the outcome of the investigation.

WHAT HAPPENS IF I'M STILL UNHAPPY?

If, after all attempts to resolve your complaint are exhausted and you are still unhappy, you can ask the Chairperson of Renfrewshire Community Council Forum for advice.

COMMUNITY COUNCIL

Complaints Procedure

Guidance for Community Councils

INTRODUCTION

There will be occasions when complaints are made about decisions your community council has taken or actions it has or has not taken.

Your community council may also receive complaints about the conduct or behaviour of its members.

These guidelines will help your community council to deal with such complaints openly, consistently and with transparency.

The guidelines do not cover every eventuality and if you need any further advice about how to deal with a complaint:

Contact: community-council.cs@renfrewshire.gov.uk

WHO SHOULD HANDLE A COMPLAINT

The Chairperson, Secretary and Treasurer, as office-bearers, are responsible and should make immediate initial decisions about how to handle the complaint, in consultation with each other, and within the set timescales.

Complaints must always be handled by **three** community council members.

If the complaint is about an office-bearer, then that office-bearer should not handle the complaint and a member of the community council should be identified for that purpose in his/her stead.

If the complaint is about the Secretary, then another office-bearer or member who is handling the complaint should be responsible for corresponding with the complainant. Ideally, complaints should only be dealt with by community council members who have undertaken “Complaint Handling and Mediation & Conflict Resolution” training provided by Renfrewshire Council.

Training is available to all community council members on request.

Contact: community-council.cs@renfrewshire.gov.uk

ON RECEIPT OF A COMPLAINT

The community council (Secretary) should acknowledge receipt of the complaint in writing within **5 days**.

The community council (office-bearers), ideally with 'Complaint Handling and Mediation & Conflict Resolution' training, should immediately:

- ✓ check that the complaint has been made within **three months** of the event occurring; and
- ✓ check that the complaint is **competent**, ie is not spurious or vexatious and is about a matter that is within the remit of the community council to determine.

Complaints that fail these checks can be dismissed immediately by the community council. In such cases, the Secretary should respond in writing within **10 days** of receipt of the complaint, advising that the complaint was deemed not valid because (a) it had not been made timeously; and/or (b) that it was not competent and stating the reason(s) why it was not competent.

Thereafter, the Secretary should advise all members at the next meeting that a complaint was received and dismissed for the reasons cited. This should be recorded in the minute of the meeting. Details of complaints that are invalid or not competent should **not** be disclosed at the meeting or recorded in the minute of the meeting.

For complaints that pass these checks, the community council (office-bearers) should decide how to handle the complaint using one of the following methods:

1. Frontline Resolution – *eg for complaints where something has clearly gone wrong and a swift apology is required.*
2. Investigation by the community council – *eg for complaints that are complex, about more than one issue or require an investigation to determine the facts. Could also be used to resolve failed frontline complaints that, after discussion with the complainant, would benefit from investigation;*

or

3. Investigation by a Panel of members from other community councils – *eg for complaints about the entire community council or the behaviour of more than one office-bearers or member.*

Within **10 days** of receipt of the complaint, the (Secretary) should write to the complainant providing a Frontline Response or advising that an investigation will take place conducted either by members of the community council or members of other community councils in Renfrewshire.

In some instances, such as where the complaint is about an office-bearer(s) or relates to the entire community council, it may not be appropriate for the community

council to handle the investigation itself. It is for the community council to determine whether its own members or members of other community councils in Renfrewshire should investigate the complaint.

Where the complaint is about the conduct or behaviour of community council member(s), the member(s) should immediately be suspended pending investigation. The Secretary should advise the member(s), in writing, of their suspension and the nature of the complaint against them.

Suspension is **not an accusation of guilt**, it is to assist all parties to gather material/evidence they will submit to the Investigating Panel to support their position

FRONTLINE RESOLUTION

Where there has been a failure on the part of the community council, the Secretary should issue a written apology, as soon as possible and **within 10 days** of receipt of the complaint, explaining the circumstances that led to the failure and, if appropriate, advising what the community council will do to ensure the failure does not occur again.

If the complainant is still unhappy, invite the member to meet with two office-bearers (or two other members of the community council, as appropriate) as soon as possible, and in private, to find out why the complainant remains dissatisfied and what further reasonable action the community council can take to try to resolve the matter.

The Secretary should advise the complainant in writing, **within 10 days** of the meeting taking place, of any further action the community council will take to resolve the complaint.

Thereafter, the Secretary should advise all members at the next meeting that a complaint was received and how it was resolved. This should be recorded in the minute of the meeting, together with any actions to be taken to resolve the complaint.

Should Frontline Resolution fail to resolve the matter the complainant may seek advice from the Chairperson of Renfrewshire Community Council Forum.

INVESTIGATING A COMPLAINT

Establish a Panel to investigate the complaint as quickly as possible.

The Investigating Panel (the Panel) will comprise of **three** community council members who have undertaken basic mediation and conflict resolution training provided by Renfrewshire Council.

The Chairperson, Secretary and Treasurer of the community council will comprise the Panel, unless:

- the complaint is about the conduct of an office-bearer. That office-bearer cannot sit on the Panel and another ordinary member of the community council should be recruited to the Panel in their place; or
- the community council has decided that it would not be appropriate for its members to investigate the complaint. In such cases, the community council must arrange for a Panel of three members drawn from other community councils in Renfrewshire to be established to investigate the complaint.

The Panel should arrange to hold a meeting, **in private**, with the complainant and any other party named in the complaint, **within 30 days** of receipt of the complaint:

- notice of the meeting and the composition of the Panel must be provided to all named parties at least **10 days** prior to the meeting;
- all named parties must be invited to submit to the Panel any materials or evidence they will use to support their position at least **5 days** before the meeting;
- the Panel must share all material/evidence submitted with all named parties no later than **24 hours** before the meeting takes place;
- No late materials/evidence will be accepted, unless exceptional circumstances for doing so can be cited;
- If the complaint is about the behaviour of a member(s) of the community council, the member(s) will (each) be entitled to have support at the meeting, eg a family member or friend, who can provide advice. Any person in a supporting role may not address the Panel;
- The Panel will choose a Chairperson and will then consider the evidence provided by all named parties and thereafter decide, by a majority, whether the complaint is upheld, or not upheld, or partially upheld.
 - Where a complaint is not upheld no action will be taken and the meeting will end; or
 - Having reached a decision to uphold or partially uphold the complaint, the Panel should advise all parties of their decision, after which all parties should leave the meeting.
 - The Panel will then decide, by majority vote, an appropriate course of action and/or any sanctions to apply. The Panel can adjourn and re-convene if necessary – but the Chairperson must advise, in writing, all parties of the decision and any outcomes within **10 days** of the Panel meeting.
- The decision of the Panel will be final.

- Only after all parties have received the Chairperson's letter detailing the outcome of the Panel's deliberations, can a copy of the decision letter be made available by the Panel to the community council for its records.
- The community council can, at its next meeting, advise members that a complaint was received and how it was resolved. The complaint can be recorded in the minute without naming any of the parties involved, unless a member(s) is suspended, resigns or is expelled.

SANCTIONS

The following sanctions can be applied to an individual community council member found in breach of the Code of Conduct:

- Censure of behaviour;
- Censure of behaviour and written apology to the complainant;
- Censure of behaviour and a written undertaking to behave in accordance with the Code of Conduct
- Suspension from community council meetings and activities for a period to be agreed by a majority of the Panel. (Should all three office-bearers be suspended from meetings, the community council will require to elect interim office-bearers.)
- Members of the community council, by majority vote, can request the resignation of their member found to be in breach of the Code of Conduct;
- In serious cases, an expulsion from the community council, approved by a unanimous vote of the Panel.

APPEAL

There is no right of appeal against a Frontline Resolution response or an Investigating Panel's decision.

However, if the complainant is still unhappy, they can contact the Chairperson of Renfrewshire Community Council Forum for advice.
