**SNCT Handbook – Paragraph 6.34**

Report by

**Joint Secretary (Teachers' Side)**

**Background**

Guidance has been issued for all Council employees in relation to absence due to Covid-19. Some of this guidance does not seem to comply with the SNCT provision relating to infectious diseases.

**Action**

Recognition that it is Paragraph 6.34 of the SNCT Handbook which governs the pay and conditions of teachers in relation to Covid-19.

6.34 An employee who is prevented from attending the place of employment because of contact with notifiable infectious diseases, shall advise the Council immediately and shall be entitled to full pay during absence. A period of absence, in this case, should not be reckoned against his/her entitlement to sickness allowance.
