Johnstone and Linwood Local Priorities

Key theme: Focus on young people

The Local Partnership are particularly keen to see a focus on how young people can be engaged and involved in work around the Local Priorities.

Taking pride in the look and feel of our towns

The Local Partnership want people in Johnstone and Linwood to take pride in the look and feel of their towns and their heritage, with vibrant and well-used town squares, fewer derelict buildings, and making sure the streets are clean.

What's on in Johnstone and Linwood

The Local Partnership want to explore how people know what's going on across Johnstone and Linwood. They also want to see community spaces and community events which are safe and affordable, particularly in community halls and hubs.

Roads and transport

The Local Partnership want to address a range of issues related to roads and transport, including congestion, speed, parking and public transport connections.

Community safety

The Local Partnership want to see safe spaces, both safe from crime but also safe physical environments. They also want to look at how they can, along with other community leaders, promote the reporting of crime and anti-social behaviour.
