Applications for Gleniffer
Local Partnership Support 2021/22

Reference: FR1208	Organisation Name: 18th Paisley & District (Coats) Scout Group
Project Name: Increased Premises Rental Costs	Amount applied for: £2000
<p>To assist funding the group post covid having to relocate to more expensive council run premises in the area. Rent for our activities has seen a 300% increase on monthly costs.</p> <p>Pay the rental fees on council accommodation, retaining the group in the Foxbar Gleniffer area where most if not all of our members live and go to school Existing premises were Risk Assessed and deemed not fit for our continued use. Available premises are limited in terms of space and availability. The current secured accommodation within the Foxbar area, provides more adequate facilities for our activities and will allow the group to deliver more balanced and varied programme of activities.</p> <p>The receipt of funds will allow our dwindled financial resources focussed on our general running costs rather than see the group go into financial hardship and even debt covering significantly increased rental costs.</p> <p>The funds received will be ringfenced within accounts for the purpose of Premises Rent, ensuring that we retain accommodation for the group as a priority.</p>	
Who benefits from the Project?
