

To: Erskine, Inchinnan, Bishopton and Langbank Local Partnership

On: 17 June 2021

Report by:

Chief Executive, Renfrewshire Council

TITLE:

**Erskine, Inchinnan, Bishopton and Langbank Local Partnership Budget
Monitoring Report and 20/21 Funding Application Feedback**

1. Summary

- 1.1 Erskine, Inchinnan, Bishopton and Langbank Local Partnership provides funding to community groups to undertake projects. This funding is allocated from the General Grant Fund and, through a Participating Budgeting exercise known as Celebrating Renfrewshire, the Youth Challenge Fund.
- 1.2 A table setting out the funds allocated by Erskine, Inchinnan, Bishopton and Langbank Local Partnership in 2020/21 and current budget position is attached as an appendix to this report.
- 1.3 Feedback from projects receiving funding in 20/21 on the outcome of projects is also attached. Due to the impact of Covid 19 on the capability of groups to successfully deliver projects, some groups have returned funding to the Local Partnership. In recognition of this situation it has been agreed that Local Partnership underspends in 2020/21 will be carried forward and added to the budget for 2021/22. For 2021/22, the normal arrangements will apply, requiring all funding to be spent by the end of the financial year with no provision for carry over to the following year.

2. Recommendation

- 2.1 It is recommended that the budget monitoring report and feedback from recipients of funding in 2020/21 be noted.

3. Feedback From 2020/21 Grant Recipients

- 3.1 Feedback on the use of Erskine, Inchinnan, Bishopton and Langbank Local Partnership funding allocated in 2020/21 was received from nine organisations.

1.Lamont Farm

Funding from Erskine, Inchinnan, Bishopton and Langbank and other Local Partnerships enabled Lamont Farm to provide a service when able to open to the public during 2020 and to enable the public to visit animals safely in the fields when other services were unavailable. Projects were also carried out via the internet, for example Zoom sessions with local children. Animal handling for children under-12 was also delivered safely.

Lamont Farm was opened July-November 2020. Over 1,000 people attended in a single day in during July.

Even during periods when the farm could not fully open, access to the Farm's fields for the public has provided a way of reducing stress and depression.

2.Paisley and District Boys Brigade Battalion Administration.

The Boys Brigade received funding from Erskine, Inchinnan, Bushopton and Langbank and other Local Partnerships to run events and for Battalion Headquarters running costs. Funding enabled staff to maintain the Headquarters building and prepare it to be ready to open and function fully once lockdown restrictions eased.

3. Renfrewshire Christmas Toy Bank

The funding had been applied for for support with our Christmas campaign however then to expand to operate all year. The funding allowed us to do this by paying for a year of storage as well as other items listed below.

We now run at Easter, Halloween and Christmas as well as supporting all year round with birthday gifts.

Teens are always hard to buy for so often we purchase gift cards. They have all been distributed.

The funding purchased:
Storage for a year £1,859
Gift cards £2,360
Toys and gifts £859
Easter £1,650

We had put in for Halloween as well however did not get from all partnerships meaning we could not make the funding go as far as to Halloween.

Christmas - 2,510 completed referrals
Over 40 organisations reffered to us

Easter - 3,594 big eggs, 1,465 small creme egg type as well as over 1,500 small toys and arts and crafts items.
45 schools

26 nurseries

14 charities and other organisation received eggs from us

Birthday boxes

All social work departments, health visitors, star project, ebi unites, the space project as well as some schools and nurseries have a stock of gifts that they can take from. This means items have already been quarantined at their end. They then fill out a record sheet and we top up their supply when needed.

Other organisation refer to us due to space or working from home.

We were able to provide safe, new toys and gifts of a high quality taking away and stigma. Our referral process also set up parents and carers with other services that we cannot offer - helping us all work together to keep services fair.

The toy bank also relives financial strain or helps stop families getting into debt.

Easter helped with food poverty as well as helping with an Easter egg hunt and another organisations Easter activities for the children that they support.

Businesses act as drop off points. This was a bit stop and start due to Covid however we try to use as many local small businesses as possible which also tends to bring them some new customers helping the local economy.

4. Shopmobility Paisley and District

Local Partnership funding was spent as intended on materials, equipment and volunteer expenses to ensure the provision of a mobility scooter and wheelchair service in Renfrewshire.

During lockdown open hours for the project were longer than normal. A new website was developed and support given to enable people to visit relatives in hospital, access scooters (including advice and maintenance), access counselling services, pick up prescriptions, get out of their home and access food.

5. C-Change Dates-n-Mates

The money was a contribution towards direct running costs and was used as a contribution towards the salary of our Community Engagement and Events Worker.

Our outcomes were focused on ensuring adults with learning disabilities:

- have opportunities and support to make and sustain natural friendships and close personal relationships with increased levels of wellbeing and happiness;
- develop the skills and abilities to make decisions about, develop and sustain close personal relationships and friendships;
- are better able to participate in the social, economic and cultural life of Renfrewshire
- have a wide range of rewarding volunteering opportunities which also increase their engagement with the local community.

- Improved social connection between people with learning disabilities and the wider community through a number of events organised in local amenities in Renfrewshire.

The money was spent on direct staffing costs as originally planned, but our service delivery was different due to Covid-19. We had to cease all in person events and move our events online.

6. Renfrewshire Walking Network

The funding was to promote the Walking Network through printed booklets and promotional material. These are placed in library's Community Facilities and Doctors surgeries. There was also money for training of new leaders and equipping them with Waterproofs and First Aid kits.

As we work with elderly and vulnerable groups all walks were cancelled due to Covid in March 2020. It is only in the last month that we are gradually restarting the Community Health Walks. This has delayed spending the grant on booklets and promotional material along with training and equipment. It is our intention to spend the grant as intended as things get back to normal.

7. Rainbow Turtle

Through education we hoped to help develop informed and active global citizens. The money was mainly spent on salary of an education officer who liaised with schools and other groups to educate and promote Fair Trade.

The money was mainly spent on salary of an education officer who liaised with schools and other groups to educate and promote Fair Trade. We promoted Fair Trade Fortnight and started a podcast about Rainbow Turtle, Paisley and Fair Trade.

We promoted Fair Trade via the Rainbow Turtle shop in Gauze St. Covid made it difficult to work in person with schools and organisations and the education officer was on furlough for some of the year, so more was done on line. This limited the impact in a difficult year. Previous years are more typical of our impact across Renfrewshire schools and organisations. In the coming year we intend to employ the education officer for more hours.

Rainbow Turtle works across all Renfrewshire and the main use of the funding is to pay part of the salary of a part-time Education Officer who works across all of Renfrewshire and makes all our resources to all schools and organisations across the county. As such it is not easy to break down how much each Local Partnership benefitted individually. All schools were offered online resources, especially during Fair Trade Fortnight.

The Education Officer is responsible for the online presence of Rainbow Turtle and that has been more important in the past year where physical contact was so drastically reduced.

She produced regular newsletters, maintained the website and posted regularly on Twitter and Instagram. Our followers on these platforms increases listed below in 3.2, over 1000 Twitter followers and almost 100 people follow us on Facebook. The charity works closely with the trading arm, Rainbow Turtle Trading and we have 26 active volunteers and more interested in joining.

Schools were closed for most of the year which meant normal business in terms of direct education work with pupils had to be postponed. However, contact with teachers continued, with a Teacher's Blog being set up, so mainly online. A number of events were planned over the year, but by necessity these have been rescheduled.

The Education Officer built up a wide variety of materials and resources, primarily online activities which can be rolled out when circumstances change. Hence, schools will be in a much better position to embed Fair Trade into the curriculum as normal services resume.

Home learning materials were developed for parents and guardians who were educating young people in the home. A wide variety of sessions, activities and digital learning opportunities were offered.

Updating the website and offering information and resources as well as drawing together links to relevant sites, was a key element of the work.

These resources were accessed by parents, teachers, partner organisations and interested members of the public who found them useful, engaging and informative. In previous , 'normal' years we were able to more by working with churches and other groups to have Fair Trade stalls, selling and education. We have previously worked with St Mirren's women's football team and using Fair Trade footballs. We have links with Scottish Fair Trade Forum and Just Trading Scotland (JTS) which is based in Paisley.

8.Paisley Sea Cadets

A new boiler was installed with the award from Erskine, Inchinnan, Bishopton and Langbank and other Local Partnerships and the nest unit was installed.

We didn't spend anything on stationery. Due to covid restrictions the hall has been shut down since mid march 2020, and is still shut down, so strictly no one directly benefitted.

Our income for 2020/2021 is nil. In a normal year we would have received hall hire income, cadets subscriptions, bag packing income and gift aid. This was nil due to covid. All hall and cadet activities were completely suspended. The income received plugged the gap in our funding. The funding was used 100% as requested.

9. Erskine Community Council

The award was required to replace damaged signage at Newshot Island. An award was also made from the Renfrewshire Council Green Spaces fund. The work is still ongoing, and all signage should be in place by end of June 2021. Artwork has been completed and 7 new signs ordered. Viewing Area Site Clearance Contractor appointed and the project shall be completed when signs are erected

The main benefit for the Community was the establishment of a Group of People "Friends of Newshot Island" with a common goal to protect Newshot Island Nature Reserve.

Appendix 1

**Erskine, Inchinnan, Bishopton and Langbank Local Partnership Budget
Monitoring Report 2020/21**

General Grant Fund	£43,639 (net of Members expenses)
