Councillor Nicolson declared an interest in respect of Item 1 of the agenda as he was a non-executive director of the Greater Glasgow & Clyde Health Board. 1 Motion

There was submitted a motion in the following terms:

“Flu Vaccinations – Renfrewshire – St Mirren Park

Renfrewshire Council believes it is important to maximise uptake of the flu vaccine.

Council notes the concerns expressed by the over 65s in Renfrewshire that transport is a barrier to accessing the flu vaccination centre at St Mirren Park.

Council calls on the Health and Social Care Partnership to immediately establish additional vaccination centres across Renfrewshire including appropriate local sites to ensure that older people and everybody entitled to the vaccination in our area are able to access that vaccination.”

Councillor Sharkey, seconded by Councillor James MacLaren, then moved the motion, which was agreed unanimously.
