Report by Alan Russell, Director of Finance and Resources

Heading: Developments in Health, Safety and Wellbeing

1. **Summary**

This report outlines the developments which have taken place since the last meeting of the Joint Consultative Board: Non-Teaching.

2. **Recommendations**

- 2.1 This report is for information only and to note that this is a retrospective record of health, safety and well being activities undertaken by Finance and Resources, HR, health and safety section and other council services.
-

3. **Background**

This section of the report details the activities undertaken since the last JCB.

The report below focusses on the actions and activities to continue to support the council's response and recovery plans. The Health and Safety team have been an integral part of the council's emergency management team, providing clear guidance as documents have been released from the UK and Scottish Governments, The NHS, and Health Protection Scotland. The team links with fellow colleagues in other local authorities to share knowledge and introduce any new learning to our guidance and procedures.

The Health and Safety team, as part of the wider HR and OD team, have been working collaboratively with all key stakeholders, including the Trades Unions, across the council and external partners such as the NHS to ensure that any activities being undertaken, were risk assessed. More importantly the controls being reviewed in line with any changes to the guidance including COVID Levels as they emerged to ensure staff and clients health, safety and wellbeing.

Working closely with the comms team to ensure key messages to managers and employees were issued timeously to remind them of the requirements to keep safe.

3.1 Policies and Guidance

The following have been issued or under review in part due to COVID impact:

- DSE guidance updated
- Homeworking guidance (under review)
- Guidance for First Aiders updated
- Working in Vehicles updated
- HAZID and workplace specific risk assessments
- Schools checklists (reviewed and updated)
- Legionella
- RIDDOR reporting

3.2 The Health and Safety team has continued to support front line services in the delivery of emergency and prioritised work across the council area. Other business as usual tasks such as accident investigation and fire safety continue albeit, in some cases, using electronic computer applications, such as Microsoft teams, rather than face to face.

3.3 The development of new guidance supplemented by risk assessments, standing operating procedures which relate to the specific service activity continues to be an important aspect of the teams' work. The specialised knowledge required has covered care at home, residential care homes, schools.

3.4 To continue the support of Vaccination Centres (Renfrew/Johnstone/ Paisley) the Health and Safety team providing not only advice and guidance but undertake spot-checks and undertake regular updates with staff representatives.

3.5 The Scottish Parliamentary Election in May resulted in additional work for the Health and Safety team from December 2020 onwards. During may Site visits and COVID compliance checks were carried out for all polling places as well

as the setting up of the Braehead and Lagoon counting centres in cooperation with other council services and external partners. The health and safety team participated in every training session for Presiding Officers and COVID Marshalls. The team also undertook additional duties as Polling Inspectors and reacted to issues on the day of election as required. They were in attendance at the Braehead count and supported the election team as required.

- 3.6 The Health and Safety team have worked closely with Occupational Health and Timefortalking (the employee counselling service) to ensure the council are supporting employees throughout the different phases of the pandemic.
- 3.7 The Health and Safety team have worked with services to review the arrangements within Renfrewshire House.
- 3.8 The Corporate Health and Safety Committee meetings have now been reinstated and meet quarterly. Dates are planned for the whole of 2021 with local informal meetings also taking place.
- 3.9 Since the last JCB meeting Health and Safety team have undertaken 46 High risk and 9 Low risk evaluations of contractor's and supplier's health and safety documentation when they apply for contracts with Renfrewshire Council. Priority was given to Covid related activity. All applicants are required to provide evidence of COVID-19 Risk assessment and mitigation measures.
- 3.12 The Health and Safety team respond on a regular basis to requests for Freedom of Information as well as to Insurance claims. Since the last JCB, 22 have been processed. A proportion of the requests are COVID-19 oriented and can be complex.
- 3.13 Online training has been undertaken on a case by case basis as well as Toolbox talks on-site, especially where additional controls have been introduced in relation to Covid. Review of fire risk assessment training for Head Teachers has been undertaken. The next stage will be to undertake online training.
- 3.13 The Corporate Personal Protective Equipment Group continues to support services to ensure that stocks are maintained at a reasonable level and monitors forthcoming guidance to ascertain the impact.
- 3.14 The Health and Safety team continue to produce health and wellbeing guidance and campaigns to support the workforce. Further discussions are ongoing as how best to provide information, guidance, and support to staff.

- 3.15 Since the last JCB work has continued with the services to further encourage home workers in particular to undertake Display Screen Equipment (DSE), I-learn training and to complete their DSE Risk assessment online.
- 3.16 The Health and Safety Team continue to review all injury accidents occurring within the Council activity. If required (for more serious type incidents) we report the incident to the HSE as required under the Reporting of Injuries, Diseases and Dangerous Occurrence Regulations. For the time period concerned there was 1 RIDDOR report submitted).

COVID-19 RIDDOR reports are currently under review but are currently at 117 for the whole council since the pandemic started.
