2 Membership of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership

Under reference to item 1 of the Minute of the meeting of this Local Partnership held on 29 January 2019, there was submitted a report by the Chief Executive relative to the appointment of community representative to vacant positions within the Local Partnership.

The report intimated that at the meeting held on 29 January 2019 the Local Partnership appointed five community representatives which left three vacant positions. Since then, three organisations and one individual had expressed an interest in providing a community representative and the report provided details in relation to the three organisations. The individual request had not been included for consideration as this did not meet the criteria for membership.

It was noted that Jennifer O'Brien (Local Energy Action Plan (LEAP) Project) was now unable to take up the position of community representative on the Local Partnership.

Councillor Don proposed (i) that James Fletcher (Brookfield Bowling Club); Neil Thomson (Brighter Bridge of Weir); and Gary Noonan (Houston and Killellan Kirk (Church of Scotland)) be appointed to the Local Partnership; (ii) that it be noted that Jennifer O'Brien (Local Energy Action Plan (LEAP) Project) was now unable to take up the position of community representative on the Local Partnership; and (iii) that this vacant community representative position be reserved for a youth organisation. This was agreed unanimously.

DECIDED:

(a) That James Fletcher (Brookfield Bowling Club); Neil Thomson (Brighter Bridge of Weir); and Gary Noonan (Houston and Killellan Kirk (Church of Scotland)) be appointed to the Local Partnership;

(b) That it be noted that Jennifer O'Brien (Local Energy Action Plan (LEAP) Project) was now unable to take up the position of community representative on the Local Partnership; and

(c) That this vacant community representative position be reserved for a youth organisation.

3 Appointment of Vice-chair

Councillor Don advised that, in terms of the Standing Orders for Local Partnerships, each Local Partnership would appoint its own Vice-chair, who should be a community representative and called for nominations.

Councillor Andy Doig, seconded by Councillor Audrey Doig, moved that David Blair (Renfrewshire District Scouts) be appointed as Vice-chair of the Local Partnership. There being no other nominations, this appointment was agreed unanimously.

DECIDED: That David Blair be appointed as Vice-chair of the Local Partnership.

Sederunt

Councillor Cameron entered the meeting prior to consideration of the following item of business.

4 Minute

There was submitted the Minute of the meeting of this Local Partnership held on 29 January 2019.

DECIDED: That the Minute be approved.

5 Code of Conduct/Register of Interests

The Head of Corporate Governance provided information about the adoption of a Code of Conduct for Devolved Public Bodies that set out standards of behaviour that could be applied to members, given that their role would include the allocation of public funds.

The Code of Conduct would require community representatives to register their interests and to declare those interests at meetings. In this way, business conducted by the Local Partnership, which was not part of the formal Board structure of Renfrewshire Council, would be open and transparent.

It was noted that Councillors were required to adhere to the Code of Conduct for Councillors and already had a Register of Interests in place.

Copies of the Code of Conduct and the Register of Interests form were made available at the meeting.

DECIDED:

(a) That it be agreed that the Code of Conduct for Devolved Public Bodies be adopted for this Local Partnership; and

(b) That it be agreed that community representatives appointed as members of this Local Partnership sign up to the Register of Interests.

Sederunt

Councillor Andy Doig and Councillor Audrey Doig left the meeting prior to consideration of the following item of business.

6 Key Local Priorities

A presentation was delivered by the Strategic Partnerships and Inequalities Manager, the Partnerships Planning and Development Manager, the Development Plans and Housing Strategy Team Leader and the Chief Executive, Engage Renfrewshire, relative to identifying common matters that were important to people in the area and setting local priorities for improvement. It was envisaged that, once identified, these local priorities would be used to target resources and improvement actions.

The presentation, together with a Local Profile providing background information, detailed key facts about the population; children in low income families; access, health and crime deprivation; children and education; parks and play areas; health resources; care homes, extra care and sheltered housing specific to this Local Partnership area.

Based on the information provided, members worked in groups to identify and set local priorities for the area. After discussion, the following local priorities were identified by the groups, activities for youth; activities for elderly; community facilities to engage villages; lack of public services; crime; local transport; school parking; engagement with local businesses; community involvement; speeding; connectivity between villages; unadopted roads; housing; environment; litter; appearance of villages; cycle paths and green paths; local people to influence policy decisions; sustainability; poverty; food banks; and how the community policing model worked well in villages

Following this feedback from groups the Strategic Partnerships and Inequalities Manager and the Partnerships Planning and Development Manager grouped these local priorities under headings of transport as an enabler; social isolation; lighting; public services and spaces; community halls; roads; crime and anti-social behaviour; working with businesses; village activities and a programme of events; litter, fly tipping and visual appearance of villages; greener connectivity; and housing.

The Lead Officer then identified key themes of connectivity and transport; environmental improvement and parks; access to services, facilities and assets which would include things to do; and village identity which would include supporting local groups and things to do.

Based on these key themes and discussion at the meeting, the Strategic Partnerships and Inequalities Manager advised that the local priorities identified would be grouped under each of the key themes and that this information would be circulated to members of the Local Partnership.

DECIDED:

(a) That the key themes of connectivity and transport; environmental improvement and parks; access to services, facilities and assets which would include things to do; and village identity which would include supporting local groups and things to do be approved; and

(b) That the Strategic Partnerships and Inequalities Manager group the local priorities identified under each of the key themes and circulate the information to members of the Local Partnership.

7 Local Partnership - Future Arrangements

There was submitted a report by the Chief Executive relative to arrangements for meetings and the name of the Local Partnership.

The report intimated that Local Partnerships would meet a minimum of three times per year. In addition, a community event would be organised to enable engagement with community groups, voluntary organisations and members of the public who were not members of the Local Partnership.

The report requested that members consider the name of the Local Partnership and whether they would prefer a single venue for all meetings or to alternate between different venues within the Local Partnership area. Suggestions for accessible local venues were to be submitted to communityplanning@renfrewshire.gov.uk by 7 May 2019.

It was noted that as per the previous Local Area Committee arrangements, community representatives on the Local Partnership were entitled to expenses of £50 per annum to attend meetings. This resource would be drawn from the Local Partnership grant funding allocation.

DECIDED:

(a) That the next meeting of the Local Partnership be held at 6.00 pm on 20 June 2019 in Cargill Hall, Bridge of Weir;

(b) That further meetings of the Local Partnership be held in November 2019 and March/April 2020 with a wider community engagement event being held during September/October 2019;

(c) That the name of the Local Partnership be amended to The Villages Local Partnership, subject to any further suggestions being received;

(d) That members identify accessible venues in the area and indicate a preference for a single venue for all meetings or alternating between different venues in the area and advise communityplanning@renfrewshire.gov.uk by no later than 7 May 2019; and

(e) That the arrangements for community representative expenses, as detailed in the report, be noted.

Report by:
Chief Executive, Renfrewshire Council

TITLE:
Membership of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership

1. Summary

- 1.1 The purpose of this paper is to invite members of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership to agree the appointment of a community representative to the remaining vacant position within the Local Partnership.

2. Recommendations

- 2.1 It is recommended that members of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership:

Note and consider the application by Stirling McGee representing Renfrewshire Youth Voice for the vacant position on the Local Partnership for a person representing a young persons' organisation.

3. Background

- 3.1 Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership agreed at its meeting on 21 March 2019 that James Fletcher (Brookfield Bowling Club), Neil Thomson (Brighter Bridge of Weir) and Gary Noonan (Houston and Killellan Kirk) be appointed to the Local Partnership. Jennifer O'Brien (LEAP) is now unable to take up a community representative position and it was agreed that the vacant position be reserved for a youth organisation.
- 3.2 Subsequent to the meeting held on 21 March 2019, an application has been received from Stirling McGee, a member of the Scottish Youth Parliament representing Renfrewshire Youth Voice. A summary of this application is set out at section 3.3 below.

3.3 Criteria have been developed to support members to come to a decision on the appointment of community representatives. These were set out as part of the application and are as follows:

- Size of the community the group represents.
- Mechanisms in place to communicate with the local community.
- Whether a group represents or support a community of interest and how connected the group is to other community groups in the area.

Applicant	Organisation	Summary of Application Information
Stirling McGee	Renfrewshire Youth Voice	Renfrewshire Youth Voice represents the interests of young people.

Local Partnership – Business Arrangements

1. Summary

- 1.1 The Local Partnership meeting held on 26 March 2019 decided that the name of the Partnership be amended to The Villages Local Partnership, subject to further suggestions being received. A further three suggestions for the name of the Local Partnership have been received and are set out for consideration at section 3.1.
- 1.2 A number of suggestions were received for venues for future meetings of the Local Partnership. These are set out for consideration at section 3.2.
- 1.3 The Youth Challenge element of the Local Partnership funding will be agreed through a Participatory Budgeting exercise for young people that will take place during August and September 2019. The outcome will be reported to the next meeting of the Local Partnership in November 2019.
- 1.4 A community conference event for the Local Partnership area will take place during September/October 2019. The next meeting of the Local Partnership will take place in November 2019. The date and venue of the conference and the Local Partnership will be notified to Local Partnership members in June 2019.

2. Recommendations

- 2.1 It is recommended that the Local Partnership:
 - (a) Consider the name of the Local Partnership and venues for future meetings.

- (b) Note the arrangements for the Youth Participatory Budgeting exercise and informing local members of conference and Local Partnership arrangements for autumn 2019.
- (c) Note that members of the Local Partnership agreed at the meeting held on 21 March 2019 to complete a Register of Interests.

3. **Key Issues For Consideration**

Name of Local Partnership

- 3.1 It was decided at the Local Partnership meeting held on 21 March that the name going forward be The Villages Local Partnership, subject to further suggestions. Three further suggestions for names have been received for consideration. The full list of proposed names for the Local Partnership is:

Proposed Names
The Villages
West Renfrewshire Villages
Renfrewshire West Villages
Renfrewshire Villages

Venue of Meetings

- 3.2 Following the previous Local Partnership meeting, a number of suggestions for venues and comments were received for consideration. These are:

Suggested Venues and Comments
Rays of Hope, Elderslie
Old Library in Kilbarchan
Elderslie Village Hall as a single venue – meets an ask that the venue be accessible by public transport in recognition of the needs of non-drivers and people with disabilities
Tweedie Hall, Linwood – most logical and accessible place
Johnstone Town Hall (proposed twice) – convenient for all, provides good facilities and has no problems with parking. Transport between villages is difficult, but most villages have an evening bus service to Johnstone.
McKillop Town Hall, Lochwinnoch – large enough to take a Local Partnership meeting, but difficult to get a suitable booking and transport between various villages is difficult.

Schedule of Meetings

- 3.3 The Local Partnership agreed at its meeting in March 2019 that a conference event would be held in the area in order to engage with community groups, voluntary organisations and members of the public who are not represented formally on the Partnership, to take place during autumn 2019. The next meeting of the Local Partnership will take place in November 2019.
- 3.4 The 2019 conferences will focus on:
- Local priorities for each Local Partnership area and how partners can work together to deliver these.
 - Activity taking place during 2019 in each Local Partnership area. This will include information about projects receiving Local Partnership funding in 2019 and a look back at the impact of projects supported by the previous Local Area Committees.
 - Exploring how groups and organisations working within an area can work together to progress their own projects and support those of others. This will include opportunities to support organisations that applied for Local Partnership grants, but were not awarded funding.
 - Informing Local Partnerships about the nature and extent of community activity within each area to build knowledge and understanding of current operation and future projects.

Youth Challenge Funding

- 3.5 Each Local Partnership receives a proportionate share of the Youth Challenge budget, which funds projects and activities benefiting young people up to age 25. The Youth Challenge element of the Local Partnership budget will be allocated through a Youth Participatory budgeting exercise, where young people in the area vote for the applications that they want to see funded. This will be the same for all Local Partnership areas.
- 3.6 Participatory Budgeting means that the people who are intended to benefit from the projects vote on which projects are funded. Young people from each of the Local Partnership areas will be involved in developing the process for conducting the Participatory Budgetary exercise before a voting exercise is opened up to the wider community of young people in each Local Partnership area.

Code of Conduct/Register of Interest

- 3.7 A presentation was made at the March 2019 meeting of the Local Partnership regarding members signing up to a Code of Conduct and Register of Interest. This presented information for consideration by each Local Partnership on the issue of members of the Local Partnership signing up to a Code of Conduct and completion of a Register of Interest. It was decided at the meeting that the Code of Conduct for Devolved Public Bodies be adopted for the Partnership. It was also agreed that community representatives appointed as members of the Local Partnership sign up to the Register of Interests.

TITLE:
Applications For Local Partnership Grant Funding

1. Summary

- 1.1 Applications for grant funding from the seven Local Partnership areas were invited in April 2019, with a deadline for submission of 20 May 2019.
- 1.2 At the last meeting of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership on 21 March 2019, members agreed a draft set of priorities for the Local Partnership. The priorities identified for The Villages were:
 - ❖ Connectivity and transport
 - ❖ Environment and parks
 - ❖ Access to services, facilities and assets
 - ❖ Village identity and character
- 2.2 Applications for funding from Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership have been invited to reflect these priorities. A description of the priorities is set out at paragraph 4.1.
- 2.3 The available allocation for Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership is £51,191. The total value of applications received is £178,928.82. In addition a sum of £50 per community representative requires to be ringfenced for potential claim of expenses, as agreed at the March 2019 meeting.
- 2.4 The Youth Challenge Fund component of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership Funding is

£23,609. This funding will be allocated by young people through a Participatory Budgeting process to take place later in 2019.

- 2.5 Three gala days within this area take place before the Local Partnership would be able to meet to consider funding applications. Delegated authority has been given on a one-off basis for 2019 only to Renfrewshire Council's Director of Communities, Planning and Housing to consider applications by gala day committees that are specifically impacted by the scheduling of Local Partnership meetings. The name date and value of application for each gala day is as follows:

Gala day	Date	Amount Applied For
Kilbarchan Lillas Day	1 June 2019	£1,000
Lochwinnoch	8 June 2019	£2,000
Elderslie	22 June 2019	£1,500

3. Recommendations

- 3.1 It is recommended that members of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership consider the applications for Local Partnership grant funding, as set out below in Appendix 1 and Appendix 2.

4. Background

- 4.1 The priorities of Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Local Partnership are:

Connectivity and transport

The Local Partnership want to see villages which are well-connected to each other, when people can connect with other too. Transport is a clear focus in this area, including both public transport and green routes.

Environment and parks

The Local Partnership want well-maintained villages, with high quality public public parks and a focus on street scene, including fly tipping, dog fouling and litter.

Roads and transport

The Local Partnership want to address a range of issues related to roads and transport, including congestion, speed, parking and public transport connections.

Access to services, facilities and assets

The Local Partnership want to improve access to what's going on in the community, including community activities, and making the most of their community buildings and facilities.

Village identity and character

The Local Partnership want to maintain the identity and character of the villages in the area. Key to this is developing and sustaining local community groups, and the delivery of local events.

4.2 Guidance and Criteria for funding

To assist all interested groups and organisations with the application process, guidance was produced and promoted across a variety of communication channels. Potential applicants were also invited to attend drop in sessions to receive advice on making an application and to ask questions about the guidance. More than 70 groups participated in the drop-in sessions.

The guidance set out criteria against which applications should be made. For example, guidance was provided on applications made to more than one partnership, indicating that Local Partnerships would require applications to evidence how an application would meet identified local priorities, and would anticipate that funded activity was being delivered locally. The guidance also includes criteria relating to maximum levels of investment, applications from partner organisations and what funding should and should not be used to support amongst other issues.

Further support and information will be made available to those applicants who are not successful in gaining funding, and in particular to signpost applicants to other sources of funding. For reference, the guidance can be accessed [here](#).

What does your Organisation/Group do?	1.10	This will be the 19th, 12 day arts festival for Lochwinnoch embracing surrounding villages in Renfrewshire and wider afield. We believe that art in all its forms has a positive and nurturing influence on wellbeing and health. In addition, art can bring different parts of the community together and enhance the quality of life for those living in our village and other close villages. In addition, the festival celebrates the culture and heritage of our community. Lastly, the festival bring considerable numbers of visitors to the village who use the businesses and facilities thus helping sustaining economy employment of our fragile rural economy.

How much grant funding are you seeking?	2.10	£4,440.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>The main purpose of our project is to develop and nurture the identity and character of the Lochwinnoch and close partner villages the festival via the arts and culture. We in collaboration with many community groups and individuals we deliver 12 days of quality local art and participation in our community . Art and artistic participation is well known to provide social cohesion and wellbeing. Lochwinnoch prides itself of being ' A village of culture and heritage and he festival nurtures and celebrates this.</p> <p>Like many rural areas we have almost no public transport that can take residents directly to the larger towns and cities close by for example Paisley, Renfrew. Linwood and Glasgow, for Lochwinnoch</p>	

		<p>residents to access art and entertainment. We only have a small bus that takes residents to Johnstone. In addition, we have a railway station one mile outside the village with roads that often floods and there are often no links to and public transport. Thus, we have over the years developed the festival to let those with low income or no cars to access the arts. In addition, it showcases our village and many artists in the village and lets all the residents participate in the arts. The festival is in its 19th year and has grown to be the largest multi arts festival in Renfrewshire all run by volunteers. In 2019 we recorded footfall and participation which grows yearly to over 4000 people attending and participating.</p> <p>The funding will support us to provide quality publicity and media coverage to not only Lochwinnoch, Howwood and Kilbarchan residents but all renfrewshire and beyond. In addition, it will let us hire quality sound engineers for a few of our headline artists.</p> <p>The outcome are to deliver as many forms of rt and culture to Lochwinnoch, and to surrounding neighbour villages and Renfrewshire. We believe that the festival maintains and enhances the identity and unique character of our community. The festival helps support and sustain many local community groups including local drama, choirs, art groups, church groups, numerous local writers, musicians and performers. One of our 2020 outcomes is to support and nurture the young artists in the villages and surrounding communities</p>

What does your Organisation/Group do?	1.10	The Scout Association aims to provide young people with the skills to become responsible citizens, and encourages their physical, and mental Development, through engaging in outdoor activities and pursuits.	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	All Local Partnership areas Ayrshire, East Renfrewshire, Inverclyde, Argyll, Dunbarton Children and Young People	
How much grant funding are you seeking?	2.10	£5,000.00 (Applications totalling £55,000 made across the 7 Local Partnerships)	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	Scoutreach Community Partnership project is an opportunity to offer each local partnership 4 days funded free accommodation and activities supported by our qualified staff, groups of up to 40 people from your area, meeting your local priorities of tackling social isolation and to promote healthy living. We are currently creating a modernised facility at Lapwing Lodge Activity Centre, at a cost of £70,000. To support the existing facilities at the Hobbit houses, which provide accommodation for 40 people complete with kitchen and dining facilities. Our new LEADER funded activity hall and outdoor learning centre is due to commence construction May 2019, supporting the hobbit houses with activities and indoor space, complete with toilets and showers. The refurbishment, modernisation, and adaptation to the existing games hall will provide camp staff accommodation, and an indoor space for training, meetings, group activities and indoor learning opportunities. This project will provide a central point at the site to operate our water sports, archery, climbing, mountain biking etc. This	

	<p>new reception and staff area will offer us a central meeting point for our visitors and users.</p> <p>This Scoutreach Community Partnership Project was identified by the Management Board and young people on the camp staff, and our active support unit as a desirable addition to our existing facilities at Lapwing Lodge. The creation of the Hobbit houses in 2017 offered us a new opportunity to expand the facilities and activities available on site to smaller Community Groups, linked with outdoor activities currently on offer. The construction of a new activity hall and outdoor learning centre has opened up a wet weather facility complete with showers and toilets, to support groups taking part in our activities and outdoor learning. New facilities are needed for our growing voluntary camp staff team and active support unit, this project will provide training opportunities and outdoor learning skills for new community groups, from the local partnership within Renfrewshire council areas.</p> <p>This upgraded facility will achieve 4 main aims 1. It will provide small local groups with accommodation and indoor space for learning and activities. 2. It will open the centre to a complete range of people within the local community tackling isolation, poverty, inclusion with new groups. 3. It will help centralise the centre management, offering a meeting point for groups undertaking activities at the centre. 4. This enhanced facility will open new learning and training facilities for a variety of current and future users. We propose in partnership with the newly formed Community Partnerships to identify suitable groups within each area who may benefit from this project and offer them the opportunity of a 4 day residential experience, complete with activities to support their work within their communities.</p> <p>Our anticipated outcomes are varied and form part of the strategy for development at the Lapwing Lodge Activity Centre. Going forward we will offer out Scoutreach Community partnership project to existing and new users within the local community partnerships being developed within Renfrewshire council.</p> <p>Outcome 1 - To encourage new user groups from local partnerships to facilitate the hobbit houses Mon - Thur 40 people, accommodation and activities, suggested groups, vulnerable families, carers, people experiencing isolation, families recovering from addiction.</p> <p>Outcome 2 - To create new activities for existing user groups, youth organisations, churches, language schools, Kilbble Care, Turning Point, offering new</p>

How much grant funding are you seeking?	2.10	£ 1,500.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3	<p>Move it or Lose it is our exercise programme that we run within our complexes it encourages tenants to engage in some physical exercise to become fitter. We will also encourage them to walk more and join our walking group called the Paisley Puffins</p> <p>Our tenants are wanting to improve their health and wellbeing and lead a healthy lifestyle. With this project they can have the best of both. Many of our tenants get lonely and depressed when they are not active. But sometimes their fitness and health is poor and they are not able to engage in an activity. With this project they will be able to choose what is the best activity for them and what level they want and be able to do something rather than nothing. By keeping out tenant's fitness level up this has a great knock on effect on our ratio of falls as the stronger they are they are unlikely to end up in hospital through a fall.</p> <p>What we are proposing to do is create a project that will enable older adults to create their own health and fitness programme. This programme would include a variety of activities such as gentle exercise and walking groups. The instructors are all trained in many areas to give experience talks on health and nutrition, alcohol abuse, smoking sensation etc and this will also help them lead a healthier lifestyle.</p> <p>For our tenants to be more physically and mentally active. To be able to engage socially and be more</p>

		<p>confident within themselves. It will also guide them to lead a healthier lifestyle. As this is for Elderslie and surrounding villages our outcome will include being able to help our tenants access services and use community buildings while when we are on our walks. The tenants like to go for a refreshment and this will bring some revenue to any coffee shops in the area. The Soopir Bus is a great asset to our walking group because having transport it keeps us connected to the surrounding areas. And this is another priority that we are able to promote.</p>

What does your Organisation/Group do?	1.10	To develop/maintain; A locally based community run ice hockey team, A focus for local & junior ice hockey players to enable them to develop their skill levels, A focus for local volunteers to enable them to develop their skills in areas such as literacy, numeracy & oral skills, An affordable facility for locally based ice hockey supporters & parents of young players, An interest in the sport at a local, Renfrewshire based level from an early age onwards.	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	All Local Partnership areas Children & Young People	
How much grant funding are you seeking?	2.10	£2000.00 (which is app 8.2% of the total ice costs. NB the total operational costs per season are just short of £39,000.00)	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.9	To provide part funding re hiring of ice to permit ice related activities for adults/young persons to take place at Braehead Arena, the only such facility available within a 30 mile radius of Paisley. That part of funding required & not included within the application (&, indeed, all other costs) will be met from club fundraising. It should be noted that Renfrewshire Council approved a motion seeking to assist the club in developing an ice facility within the Paisley area which would allow PPIHC & other clubs generated to develop base premises which would preclude the need to apply annually for grant assistance to rent premises elsewhere (ie Braehead Arena, currently the most expensive such facility in Scotland). To encourage more people to watch/play ice hockey to encourage a healthier lifestyle. The club seeks only to ask for assistance re ice rental, which accounts for approximately 70% of the total costs likely to be incurred, and seeks assistance to meet 30% of that total cost within a ring fence for ice rental costs. All other expenditure will	

	<p>be met from within its own resources.</p> <p>Paisley Pirates were first formed in 1946 & from then until the 1960's played at East Lane. In 1992 they were resurrected at the Lagoon Leisure Centre & from then until 2006, when Renfrewshire Leisure Ltd withdrew ice facilities there. While Pirates were successful in relocating to Braehead Arena, the cost there is prohibitive, currently standing at almost £200 per hour with an 8% increase pending. The various other activities such as junior development fell due to the high cost. Due to the paucity of ice facilities Pirates have on occasions gone as far as Dundee & Dumfries to secure ice.</p> <p>Because of rising demand for a skills based approach the club has appointed a second volunteer coach for the senior team & intends to appoint commensurate numbers of volunteer coaches in respect of the planned re-introduction of junior ice hockey for players under the age of 20.</p> <p>NB - The club are actively working in conjunction with Renfrewshire Council to establish an ice facility within Renfrewshire for all ice sports It will enable</p> <ol style="list-style-type: none">1 The club to continue providing a local focus for the sport given that no other suitable venue is currently available at either senior or junior level.2 The continued development of on-ice skills at senior/junior level.3 The continued & enhanced development of off-ice skills for volunteers & adults with learning difficulties able to carry out duties on match nights requiring numeracy/organisational/interpersonal skills.4 The club to publicise the existence of an ice hockey team in Paisley through local media outlets & maintain a significant profile in the area eg the club has featured regularly in an annual project run by a Canadian tourist agency (circulation 0.25m) which promotes Paisley as an ice hockey town for potential tourists.6 The club continues to promote itself & its volunteers through various local competitions publicising the work done by such volunteers &, indeed, has won a number of them.7 The high profile enjoyed by the club will help it attract young people <p>Outcomes:</p> <ol style="list-style-type: none">1 Development of enhanced on-ice skills through regular practice/game situations.2. Connectivity & Transport

Matches are staged at Braehead Arena and usually take place at 5.00pm on Sundays between September and April. This time is set specifically to allow families and individuals to attend fixtures at a comparatively convenient time by public transport, and to permit a relatively sensible return time on what is a 'school night'. Supporters attending from these localities, as with those from other parts of Renfrewshire, make friends and contacts which, from experience, are continued for many years.

As well as weekly features in the Paisley Express during the season, we have our own website, Facebook with 2184 Followers and 2179 Likes, Twitter 2180 Followers, Instagram 483 Followers and various other digital outlets within Renfrewshire such as Whats on Renfrewshire etc

Environment & Roads

The club has supported local safety campaigns such as the Paisley Daily Express project which promoted a safer environment by taking knives off the streets. The team was featured holding anti knife car stickers which the players then distributed to supporters and the local community.

Access to Services, Facilities and Assets

As Connectivity & Transport.

With no disrespect intended to any other service providers, the staging of matches at this time on a Sunday late afternoon perhaps affords residents in these localities an opportunity to experience a form of entertainment not otherwise easily afforded to them.

NB - The club are actively working in conjunction with Renfrewshire Council to establish an ice facility within Renfrewshire for all ice sports.

What does your Organisation/Group do?	1.10	<p>Renfrewshire Leisure's main aim is to provide facilities for recreation, sport and cultural pursuits which are of maximum benefit to the community and in doing so ensure this provision is truly inclusive. There is no doubt that sport and culture can bring real benefits for communities and individuals alike and participation in physical activity can make a significant and positive contribution to many areas of our lives. It is vital that everyone has the opportunity to participate.</p> <p>Renfrewshire Leisure will provide a range of programmes, projects and initiatives which target inequalities and aim to improve life chances for the most disadvantaged. We will provide the opportunities to improve the health and wellbeing of the population of Renfrewshire in general.</p>

(Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>The purpose of this project is to get kids active within the Houston, Bridge of Weir, Brookfield and Lochwinnoch area. At present there are over 367 pupils that have either self-identified or been identified by their parents as being inactive. This data was found using an Active Schools survey that was conducted across all schools in Renfrewshire. This programme will help to improve activity levels by offering a variety of free activity sessions whilst tackling the barriers to participation. This programme will also aim to up skill local high school senior pupils to enable them to provide sport sessions within their community as volunteers. This will help to increase the future sustainability of this project and continue to improve activity levels.</p> <p>This project was identified using the data collected from the 2018-19 Active Schools activity survey. This survey was issued to all high school and primary</p>	

		<p>school pupils within Renfrewshire. The survey received over 19,000 returns from a possible 23,544 pupils. The survey highlighted that 367 pupils from within Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie are currently completing less than 3 hours of activity per week. This programme will help to improve activity levels by offering a variety of free activity sessions whilst tackling the barriers to participation.</p> <p>This project will work with the families to encourage participation in free activity sessions within the local primary schools. These sessions will focus on the sports requested by the pupils through the activity survey.</p> <p>The project will also provide training opportunities such as level 1 sports courses and first aid training for 25 senior pupils from the high schools. Once their training is completed the pupils will be provided with placement opportunities within the local primary schools. This will allow them to provide volunteer led sessions at zero cost to the participants and wider community.</p> <p>The anticipated outcome of this programme is that the number of inactive pupils within the Houston, Bridge of Weir, Brookfield and Lochwinnoch area will decrease during the 19-20 school year.</p> <p>This project will also train 25 new young leaders who will hold the appropriate qualifications to enable them to volunteer within their own community of Houston, Bridge of Weir, Brookfield and Lochwinnoch area .</p>

We think the majority of dog owners are responsible and would like to assist them when they forget to bring their bags out with them. With this in mind we have sourced a supplier that can provide us with dog waste bag dispensers throughout the village. In doing this we hope to reduce the amount of dog waste on the streets and pavements of the village. As mentioned, this is an issue not only in our village. It is mentioned time and time again in our meetings and we have issues during our own TUTCU events and whilst we have used the stencils provided by the TUTCU team, it remains an issue. We found the supplier on-line and we believe this could reduce the problem in our village.</p> <p>We will purchase 'Retriever City' bag dispensers to place strategically around the village. We hope that responsible dog owners will keep this replenished and make use of it on the occasions where they forget to grab a bag on the way out when walking their dogs. It can also be useful for pointing out to 'less responsible' dog owners that they are available should their dog make a mess and it is not picked up by the owner. Less mess and complaints of mess in our beautiful village.</p>

(Please use a separate sheet if required)	2.3 2.4 2.5 2.6	To continue our success in hosting a Fayre with tea/coffee and cakes alongside stall holders in the Village Hall to celebrate the Christmas Lights switch on and bring the village together. This year we are hoping to once again have multiple venues for people to move about. Kids craft tables and tea and coffee in East Gate church and the Railway Club in the Scouts hut. After last years amazing event we would like to once again host a Christmas Fayre. The lights brought so many more people down to the square and this year we are expecting even more people as word has spread and more people have seen the lights so it looks like it's going to be our most popular event yet! So many people have asked when it's happening and have been ever since the lights went up last year. Santa has once again agreed to make an appearance to give out free presents to each and every child who pops in to say hello. We have our regular stall holders who bring their own bit of Christmas sparkle along to the event and each one gives us a donation for the raffle to raise funds for Queens Road. We are hiring the Village Hall for the day and have tea and coffee alongside home baking in East Gate Church for the grown-ups and an indoor inflatable activity centre alongside Christmas crafts for the kids. We will have a	

		<p>raffle and we have the scouts and the model railway club involved as well. We hope to have both of the local primary schools along to sing carols as this was a very popular part of last years festivities. Our 'celebrity' to perform the switch-on will be chosen by the community via nominations.</p> <p>To continue building a community feel in the village and get more engagement on fundraising for Queens Road and attendances at TUTCU events and ECC meetings. What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>To purchase more Christmas lights for Main Road to enhance the already great Christmas feeling in the village and to encourage more community interaction. It will provide a further focal point for the village during the festive season for years to come. Other villages have an obvious boundary being further away from the main towns of Renfrewshire whereas Elderslie is still perceived as just a thoroughfare from Paisley to Johnstone and we would like to ensure passing traffic identify us as a village. In extending the lights in the village along the Main Road we believe we can achieve this.</p> <p>Last year we had an amazing reaction to having lights in the village for the first time on the back of a grant kindly given by the council. Everyone was really pleased with how they turned out and the help we had from John Flood and his team was fantastic. The last few years we have held community events around the Christmas tree lights switch on. The council kindly provides some lights for the tree and this is very much appreciated. We have had feedback from members of the community asking if we were going to further extend the display along the Main Road so that more of the community could benefit from the installation. We feel having lights from the Golf Course, down past Stoddard Square and up to the Wallace Monument will ensure passing traffic realise they are traveling through a village and not just going along a road.</p>	

		<p>As mentioned in last years successful application we had always hoped to extend the lights. We intend to purchase similar lights to the ones installed already. We admit we exceeded all our own expectations with the reaction to the lights that were bought last year but Elderslie has been a forgotten village in many respects for historical reasons. Now that we have an enthusiastic and committed team on the Community Council we would dearly love to further demonstrate to the village that we are doing what our community wants and the extension of the lights has been asked for from many residents.</p> <p>The anticipated outcome is that Elderslie will have even more enchanting up to date Christmas Lights in the centre of the village which can be enjoyed by all members of the community and those passing through it for many years to come. The lights will make the village significantly more festive and attractive, in line with surrounding villages. It will also further increase business to the local area.</p>

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	Improve facilities in the Town of Johnstone for individuals living with dementia and their carers. Encouraging those living in isolation to take part in meaningful activities and social events organised by the group. Encourage those living with dementia and their carers who live in outlying areas around Johnstone to feel welcome to join us. Educate shops, cafes, restaurants and businesses in how to meet the needs of these individuals and their carers. Create a social network amongst those living with Dementia and		

		<p>their carers. Erase the feeling of fear and embarrassment for those concerned when visiting Johnstone and surrounding areas.</p> <p>Creating Dementia Friendly Communities is happening throughout Scotland. There is a huge need for more understanding of Dementia. The embarrassing stigma that surrounds the illness has to be eradicated. More support from individual members of the community is necessary. Businesses must start to become more informed as to how they can alter their business module (even in the slightest way) to assist in this project working. There is no community support system in this area. In the town centre of Johnstone the number of people living in the High Street with Dementia is very high for such a small area.</p> <p>This is a brand new project that has never been done before in this area, bringing dementia awareness to the community, developing socialisation and creating a network of support for those living with dementia. Local fundraising has already started, donations, advertising posters, newspapers, social media. We have been in touch with several community councils around Johnstone and made a presentation to the Johnstone Community Council on the 09/05/2019. We have been in communication with several Renfrewshire councillors, including councillor Lorraine Cameron. Other grant applications are being submitted as well to. Wide spread knowledge of understanding and awareness of Dementia in the area and the life inhibiting aspects of the disease. The understanding that positive help for the individuals and their carers and families is life enhancing for all concerned. The subject of the illness will be less embarrassing and ignored. A sense of community spirit amongst all involved will encourage others to take part. Rather than pretending the illness and the individual does not exist. The lives of those living with dementia and their carers will become enhanced.</p>

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>The purpose is to implement the first year proposals of a recently approved three year Choir Development Strategy. It aims to - improve access to singing opportunities and encourage singing development in Lochwinnoch/surrounding areas for all age groups - improve and develop the proficiency and quality of singing in senior and junior choirs - encourage and develop community engagement and cohesion and help combat loneliness and isolation and break down barriers, taboos, negative perceptions related to singing - promote singing and music generally and encourage people of all ages, ethnic and social groups to join our, or other, junior and senior choirs and enjoy the benefits of active participation - increase the sustainability of local singing by increasing choir membership and quality of performance and thence the financial stability of the choral society</p> <p>Lochwinnoch retains a strong community focus which manifests itself in an impressive range of clubs, societies and activities. The choir is one such activity, but it has been agreed that the talent for singing and music is not being fully tapped into. Feedback from local choirs, groups, bands etc, indicate significant interest and it has been agreed that there is a need to develop a strategy for going forwards for the next three</p>	

		<p>years. During its preparation the benefits of community participation at all levels and ages became apparent. It was felt that there were significant opportunities for greater community engagement and participation and singing generally. We are aware that there are people who would like to sing in the choir or other musical groups but lack the experience or confidence to do so and we aim to address this via a programme of singing lessons/workshops. The choir itself would also benefit from basic to more advanced singing lessons to improve performance and singing generally.</p> <p>The programme will - raise the general awareness of the health and social benefits of singing. - provide local opportunities for singing eg workshops for new or returning singers - engage young people in special workshops - provide the opportunity for singers to have advanced lessons to develop confidence and capacity. We will provide and send out a singing ambassador or coach to groups, including schools to demonstrate benefits of singing and encourage further involvement - run workshops tailored to participants in appropriate local venues - run advanced singing lessons</p> <p>By the end of February 2020 we will - have delivered 5 ambassador sessions/workshops - have delivered 10 workshops for new or returning singers - have delivered 3 masterclasses for lead of solo singers - have prepared and printed a booklet/brochure summarising the mental, physical, psychological and social benefits of singing in groups/choirs in public - we anticipate an increase in both junior and senior choir members - a general increase in musical activities in the village - an increase in audience numbers at choir concerts and other musical events in the village</p>

The Kennel Club have introduced new standards for agility equipment to benefit canine health and safety. It is essential that we have equipment that meets these standards to host kennel club shows, maintain a safe training environment and provide affordable training to current and prospective members.</p> <p>Last year, the Kennel Club announced new standards for several pieces of equipment to be introduced this year and next year, including jumps and the dog walk. For the health and well-being of the dogs, heights for the jumps and dog walk have been lowered. We require new equipment to meet these standards while keeping our fees affordable.</p> <p>New equipment will allow us to host Kennel Club</p>	

		<p>shows and train more safely. We will obtain quotes from agility suppliers for equipment that meets the new Kennel Club regulations. In addition, we will recruit local trade people to adjust our current equipment, thereby helping to keep our fees affordable and supporting local businesses.</p> <p>1. We can hold Kennel Club shows, thereby representing Renfrewshire within the greater dog agility community.</p> <p>2. When monitored by the Kennel Club, our equipment will be up to standard.</p> <p>3. The new standards were introduced to reduce wear and tear on dogs' joints and reduce the risk of injury while training. By practicing on equipment that meets these standards, the number of years a dog/handler combination can train will likely increase.</p>

We have to travel all over the country to play in the inter countries league and cups. The price of the coach hire has become very expensive over recent year. Also, our team wear which we give to all our players, as we don't want to single out individuals from deprived backgrounds.</p> <p>Our under 25 team was founded in 1994, this year is out 25th anniversary. Over the years our team has developed into one of the top teams in Scotland. We are now reaching all the major finals, and due to our success, we have to provide more coaches.</p> <p>It will help us promote Renfrewshire as we travel to the other counties within Scotland and showcase the talent of our young players. Last year we were runners up in the Scottish League Championship but this year we hope to go one step further and bring the league championship back to Renfrewshire.</p> <p>To become Scottish Champions for the 1st time. Last year we had 4 members of our team who were selected to play for Scotland's under 25's. We also had 2 under 17 internationalists hopefully this year we can increase these numbers.</p>

How much grant funding are you seeking?	2.10	£10,000.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>We aim to help tackle fly tipping and littering with a targeted approach which will work to prevent, reduce and recycle waste materials in rural Renfrewshire.</p> <p>We will increase awareness of the fly tipping, provide communities with equipment and strategies to prevent fly tipping and promote the facts via flyers, social media, our website, community websites and face to face talking with people across the local communities we work in.</p> <p>Many local residents blame the council for taking measures to prevent commercial waste at local amenity sites as the cause for fly tipping. We don't agree!</p>	

		<p>Firstly, through a number of community consultations across Rural Renfrewshire where the environment has been highlighted as a key issue. We have consulted with over 200 people over the course of the last years project where tackling waste, litter and fly tipping was a key outcome that people wanted to see.</p> <p>The main outcomes identified within the Local Partnership Grants also highlight very similar needs, which is great in that we have heard people's feedback from a breadth of the community and they are saying the same things.</p> <p>We have spoken with departments of the council to see where they are able to take action and where communities may be better placed to tackle the issues. Plus, we see the negative impact of litter and fly tipping on local people and tourism. Prevent fly tipping. Through site surveillance cameras, education, business engagement and social media campaigns across rural Renfrewshire.</p> <p>Reuse materials such as recyclable plastics to re-print into new materials.</p> <p>develop a campaign at a local level to help tackle the issue and address hot-spots.</p> <p>We will work with local volunteers and community members to tackle litter and fly tipping. Reduced fly tipping and litter across the villages.</p> <p>Costs savings for the Local Authority to address illegal fly tipping.</p>

What does your Organisation/Group do?	1.10	To ascertain, co-ordinate and reflect the views of the community, to express the views of the community to the local authority. to take action in the interests of the community, to promote the well-being of the community, and to be a means whereby people of the community shall be able to voice their opinion	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie	
How much grant funding are you seeking?	2.10	£4,500	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>The purpose of the project is to obtain additional Christmas Lights for the centre of the village of Howwood to complement the ones fitted in 2017. We wish to extend these further along Main Street and Beith Road. The lights will be of similar style to the existing - lamp post mounted motifs - to compliment the ones which are already there and which are greatly admired by the community.</p> <p>Each year the village has a 'Christmas Light Switch On' event. This is extremely popular and always has a large turnout. However, when the lights were switched on, there was always an air of disappointment, as the existing lights were minimal. It was then that the need for the project was identified. In 2016 we applied for funding from the Local Area Committee to purchase Christmas Lights, which the Roads Department agreed to install and store. We applied for less 50% of the value of the project, which was £3240.00, hoping an application to the lottery would fund the other 50%. However, the application to the lottery was unsuccessful. We also paid £900 from our own funds to purchase lights for the Christmas Tree.</p>	

		<p>We did, however, secure £3,000 from the Local Area Committee. With this, we purchased refurbished Christmas lights in the form of lamp post motifs. The reaction to these has been overwhelmingly positive and the community absolutely love them! However, due to the limited budget, we could not buy as many as we would have liked, hence this application to purchase more. We have discussed the proposals with the Roads Department with regards to fitting and storing additional lights, and they have agreed to do this.</p> <p>Having purchased Christmas lights for the village in 2016, and having liaised with the Roads Department and Christmas light supplier, we have the experience required to take the project forward. Once funding has been secured, we shall select the Christmas lights required following consultation with the community. We shall order these, and they will be delivered directly to the Roads Department. We will liaise with the Roads Department as to which lights are to be fitted on which lamp posts. The Roads Department shall complete a survey of the lamp posts to ensure there are no issues. The Roads Department will then add the additional lighting to the Festive Lights Programme. They shall install the lights before Christmas, will remove them after Christmas, and will store them when not in use. The anticipated outcome is that Howwood will have an enchanting up to date Christmas Lights on a slightly larger scale than existing in the centre of the village, which can be enjoyed by all members of the community and those passing through it for many years to come. The lights will make the village significantly more festive and attractive, in line with surrounding villages.</p>

What does your Organisation/Group do?	1.10	To provide a vehicle for the wider community in the participation in the act of singing and the appreciation of listening to choral music. To add to the cultural and creative heritage of Renfrewshire and its villages. To provide an opportunity for the singing of a wide variety of music from early music up to and including 21st century composers. To promote the health benefits of music as a whole and the joy of singing in particular.	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie	
How much grant funding are you seeking?	2.10	£3,210.00	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>To develop the singing of this established choir and its members by the participation of young students who are being coached to degree level, and to assist the students by providing valuable experience otherwise unavailable to them. To develop the relationship amongst the villages within Renfrewshire by helping local charities, whose patients/clients will come from all the surrounding areas. To enable those patients/clients to have a fulfilling musical experience which can enrich their lives. The aim is to give them something new and different to listen to and later to talk about with each other.</p> <p>Over the last few years, the Kilbarchan Singers has provided an opportunity for 2 student singers to participate in rehearsals and perform with them at concerts and charity events.</p>	

		<p>This has undoubtedly helped their singing development and provided them with different performance opportunities. Their contribution over the years has helped the choir improve and their participation has developed the learning experience of all members. This project has proved too successful to abandon. Choir members live in varying areas throughout Renfrewshire and we would therefore like to give something back to the community as a whole by supporting 3 local charities.</p> <p>Through contacts within the Royal Conservatoire we will provide honoraria for 2 students, 1 bass and 1 tenor for a term September 2019 until May 2020. We will offer each of the three charities/organisations 15 tickets for each of our two concerts, enabling their patients/clients to attend at no cost to them. The charities identified are St Vincent's Hospice, Adams House and Sheltered Housing Paisley.</p> <p>The students will grow musically through the experience of singing alongside people of varying ages and musical ability. Choir members will learn from the students, both of whom would be aiming at a musical career. Those attending from the charities will have a rare musical experience, which will help them feel they are still participating in society. They will hear music, perhaps unknown to them, giving them something to talk and thank about thereafter, and help them feel fulfilled. The involvement of the charities will ensure that villages stay connected which promotes the identities of Kilbarchan and its surrounding villages.</p>

What does your Organisation/Group do?	1.10	To enhance the profile of Fair Trade in Renfrewshire by: * campaigning and education e.g. talks, workshops, conferences and activities in schools and community groups; * organising special events for Fairtrade Fortnight, producer visits etc., often in partnership with other third sector organisations; * working in partnership with producers in developing world.	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie Renfrewshire wide	
How much grant funding are you seeking?	2.10	£8000 (Applications totalling £72,000 made across the 7 Local Partnerships)	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	To build on Rainbow Turtle's education work, creating informed and active global citizens locally, particularly from young people and their teachers. This will include the facilitation of workshops and activities on Fair Trade and its environmental impact, to connect not only with the Fairtrade Schools awards system but also the Eco Schools and Rights Respecting Schools awards. Several of the villages in this local partnership have Fairtrade status, as does Gryffe High School, and so Rainbow Turtle's work to continue this will strengthen village character and identity as an area active in the Fair Trade community. Thanks to LAC funding in previous years, and our own resources, demand continues to be high from schools to provide regular input on Fair Trade and Global Citizenship more widely. This has included visits to	

		<p>individual schools, as well as conferences where several schools from Renfrewshire share in their learning. In 2019, during Fairtrade Fortnight, Rainbow Turtle organised two such events: the very successful Primary School conference at St Mirren Park, with 8 schools in attendance, as well as a visit from a Rwandan Fairtrade coffee producer to Mary Russell School, with other local Secondary Schools (including Gryffe) also attending.</p> <p>Our specific aims are:</p> <ul style="list-style-type: none"> * to meet increased demand to host schools conferences during the year, enabling young people to engage actively with issues of social justice, the environment, Global Citizenship and Fair Trade; * to host and facilitate at least 1 producer visit, combining with one of the above conferences as we have in 2019 and in previous years; * to work directly with the young people on school Fair Trade and Eco committees to embed Fair Trade issues deeper into the curriculum. * Increased collaboration with Renfrewshire Council and other local organisations, building on networks already developed; * further production of an Education programme which will increase understanding of global issues within a local context; * engagement with a greater number of schools, young people, teachers and community groups with Fair Trade issues, both local and global.

	2.6	Festive atmosphere at the start of the run up to Xmas. A previous Xmas Lights committee disbanded and the village was without a display except for the Renfrewshire Council Xmas Tree. No useable lighting was left.	
		There were many comments and complaints about how dismal the village was and that there was nothing for the children.	
		The new committee formed in January 2016 and started work to bring back some Xmas Lighting and a Switch-on Event. The display brightens up the dark period prior to Xmas and brings light and pleasure to all.	

		<p>John P Wallace (Renfrewshire Council Lighting Dept) has quoted for two additional street light lamps for two additional lamp posts and the fitting to be done by Renfrewshire Council at £1000.</p> <p>These two lamps will help to spread additional lighting in an area adjacent to the two Churches and will benefit the warm Xmas feeling for Churchgoers and general community.</p> <p>These lamps will help to brighten an otherwise dark and gloomy area of the village.</p> <p>A warm and happier environment at Xmas, especially as the new lamps are near to an area of elderly housing. Some of these residents have restricted mobility and the additional lighting in their area will give a more cheerful look during the shortest days of December and early January.</p> <p>A Christmas Lighting display for all the village to enjoy over the Festive Season.</p> <p>We will provide an occasion for the villagers to group together. We will combine the switch on with a Carol Service with Santa for the children.</p>		
What is your group's current bank balance?	1.14	£796.17		
Are there any significant items of expenditure to be set against this bank balance?	1.14	<p>Yes.</p> <p>Purchase and fitting of 2 lamps at the Church/Cenotaph area £1000</p> <p>Purchase of three new projector bulbs £810</p> <p>Hire of venue £216.46</p> <p>Event Insurance £13</p>

What does your Organisation/Group do?	1.10	As a cancer support group, we bring people together to support each other through their cancer journey. We do this in various ways by promoting the benefits of friendships and helping our peers who have been affected by this terrible illness. We promote improved health and wellbeing by encouraging members to participate in various activities including varying degrees of exercise with a qualified

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>To help cancer sufferers improve and maintain their overall quality of life albeit physical health, mental health and general wellbeing. We do this with a support network of friends who understand and share their experience of the cancer journey, thus helping them to move on with their lives, with more mobility, motivation, friendship and a willingness to help others in a similar situation. We encourage our members to look to the future more positively by taking part in exercise, partaking in the walking group, singing with our community choir, creative writing and other activities including chatting over tea. This all helps to alleviate loneliness and isolation</p> <p>Rays of Hope was established in August 2015 as a community outreach project run by East Gate Church, in direct response to the needs of people living in our local communities. We provide support services for anyone who has had a cancer diagnosis or cared for a loved one following a cancer diagnosis, including: exercise sessions (the exercise developed this year from light Exercise for everyone to a more fitter form of exercise, men only exercise and relaxation exercise); holistic therapy; counselling, community choir (all instigated last year) craft classes; walking groups;</p>	

		<p>cooking classed, and more. We offer a safe, confidential environment where people can openly discuss their cancer journey with others who share a similar experience.</p> <p>We will continue to grow and add other activities as resources become available. It's fantastic to see the difference this year has made and therefore we will continue to do much of the same as last year. We have seen a steady overall display of wellbeing within the group and how friendships have blossomed and peer support has strengthened. Discussions take place regularly on how each person is developing and growing and how best the group can work for them, We are looking to start the H.O.P.E course - Help to Overcome Problems Effectively, As well as helping the people physically our aim is also to help emotionally as many issues arise through cancer</p> <p>Improved health and wellbeing for those who are having or have had cancer treatment, overall improved family relationships thus improving the overall quality of life for those affected by cancer. Aspiring individuals to try new things in life or to move on with their lives to whatever level they are happy with and helping others in a similar situation. This year we have added many activities to our programme which has HOPE uses evidence based activities such as goal setting, gratitude diaries, relaxation techniques, methods to improve physical and mental health, all aimed towards creating an upward spiral of positive emotions.</p>

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>We would like to provide a number of different activities for our members over the coming months. These will include attending arts & crafts sessions, sewing lessons and looking at other types of crafts that we can access from other groups around Renfrewshire.</p> <p>We meet weekly in the middle of Paisley. So we have plenty of opportunities to chat and talk about the different types of things or members would like us to arrange. We have also run a variety of different activities for the members. These have included, card making, gift making for Christmas, blanket knitting and other types of things. From this we have put together a kind of wish list that our members would like to take part in when we all return from summer and look towards what will bring us out of the house during the worst of autumn and winter. These lists always have trying out more and more arts & craft styles.</p> <p>This project is about offering a way for our members to get involved in something they really enjoy. Due to their previous lifestyles they may have lost confidence in being in crowds, in coming out during the day, or even connecting with people they barely know.</p>	

		<p>Our members will improve their social skills, which have been affected by their chaotic lifestyles.</p> <p>We will enhance the soft skills of our members, again something that has been affected by their previous problems.</p> <p>We will increase the number of people taking part in fun, risk-free activities.</p>

How much grant funding are you seeking?	2.10	£2,385	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3	To bring together the community to celebrate Christmas and this annual event. It has proven very popular in the past and we would like to build on the success of the last years event; after the last minute changes, we hosted Santas grotto at Hope Hall; local businesses and the churches opened their doors to residents to visit stalls; and enjoy some free food. The evening was a big success; however we would like the support of a grant to help replace existing light that has reached the end of its lifespan. And run more of the event outdoors with a Christmas Market, on maxwell Place. As the Gala day was cancelled this year we will not have a Festival Queen to switch on the lights; but instead engage the children in the community to design our new light the winner getting to turn on the Christmas lights on the night. This event brings together the local community; including residents and local businesses. As the British Legion was closed last year; the local businesses and churches joined us in celebrating the Christmas light switch on; opening their doors to all in attendance, with free food from some of the restaurants in the area. The event will run one evening week commencing the 2nd December 2019. Approx Times 4pm- 8:30pm preferably Thursday 5th December 2019. The lights will be switched on at approx. 7pm. Stalls to run from 4pm-8pm approx. (Location Maxwell

What does your Organisation/Group do?	1.10	To act as a voice for the people of Houston on issues of public concern and to act in their common interest.	
Local Partnership applied to for funding and Local Partnership area(s) covered activity	1.13	Houston, Bridge of Weir, Brookfield Kilbarchan, Howwood, Lochwinnoch and Elderslie	
How much grant funding are you seeking?	2.10	£9,750	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3	1. To enhance the appearance of Houston village during the Christmas period.	
	2.4		
	2.5	2. To foster community spirit and a sense of pride in the village.	
	2.6	3. To engage children and schools in the project by repeating the highly successful competitions for local schoolchildren to design a Christmas light motif, with the winning entries from each school having their design fabricated and displayed in the village centre.	
		4. To add to social cohesion in the village by means of item 3 above and by repeating and further developing the joint carol singing event with our two primary schools.	
		5. To add to the celebratory nature of the switch-on event by rounding off with a firework display.	
		6. To enhance local trade by attracting visitors to the village	
		This is phase 4 of a 4 year plan which will concentrate on completing the Christmas lights display in the village. with future years being replacement at the end of life, general repairs and maintenance and the continuation of the children's Christmas motif design competition	
		In addition we plan to repeat the highly successful competitions for local schoolchildren to design a Christmas motif, the winners of which will have their designs fabricated and displayed in the village centre.	

	<p>The children who win the competition will switch on the Christmas lights."</p> <p>1. Christmas Street Decorations are part of our national culture and are commonplace in other communities in the locality.</p> <p>2. Feedback from local residents who attended our community council meetings when we first took office in 2015 and commented on the lack of Christmas lights in Houston,</p> <p>3, We consulted with the head teachers of both local primary schools and were given enthusiastic agreement to participate in the children's Christmas Motif design element of the display and the joint carol singing event with Houston Primary School and St. Fillan's Primary School.</p> <p>4. Feedback from residents following the first three switch-on events in 2016, 2017 and 2018 has been uniformly positive. Over 1000 people attended in 2016 and over 2000 in 2017 and 2018. Our Facebook page was inundated with messages of support after all three previous years' events.</p> <p>1. Project will provide additional Christmas lights to be suspended from lampposts on Main Street.</p> <p>2. Project will provide an illuminated Christmas tree at the corner of Barrochan Road and Magnus Road</p> <p>3. Project will provide additional Christmas light motifs designed by local schoolchildren, with the winners of the competitions in each school having their designs fabricated by the manufacturers and displayed in the village centre. The winning children will jointly switch on the Christmas lights on the evening of 1st December 2019.</p> <p>4. The event will close with a firework display</p> <p>1. Community spirit within the village will be enhanced. We know this from the very positive feedback we received from Houston residents, following our two previous Christmas lights displays and switch-on events. The first in 2016, was attended by over 1000 people. The next two, in 2017 and 2018, were attended by over 2000 people.</p> <p>2. Local children as well as their schools and families will be at the heart of the project and will be closely involved in a major community event.</p> <p>3. The switch-on will closely involve both primary schools, and we will take this opportunity to draw the community even more closely together.</p> <p>3. Civic pride within the village will be enhanced.</p>

What does your Organisation/Group do?	1.10	Renfrewshire Access Panel is a small charity based in Renfrewshire dealing with accessibility. Originally we started with access to the built and natural environment and access to services although we are now delighted to be at the forefront of promoting access across its widest remit and endeavors to be fully inclusive in its approach. This means working across the private, public and third sector to remove physical and attitudinal barriers to equality, and to promote all aspects of independent living within the Renfrewshire community.

How much grant funding are you seeking?	2.10	£2,239.32	
What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	The purpose of the Grant is to assist the Local Partnership meet the objectives they have set out for this year. This project will enable all members of the community to access all the services they require and enjoy the benefits of facilities in the local partnership. Our main priority is the disabled community but ensuring that the area is suitable for them, we include other age groups such as the elderly, children learning to walk and even people with sports injuries and so many more. Renfrewshire Access Panel would like to ensure that everyone in the community is included to reduce isolation and loneliness. We would also like to ensure that the members of the local partnership are able to read and interpret plans for future meetings so that the best possible changes are made to any renovation or new build in the community ensuring all the current buildings and venues are used to their full potential.	

	<p>We would also like to offer training and assistance to the what's on guide for the area, whether its use of a computer or even a quiet space to work on it, we would be happy to assist.</p> <p>The need for the project has been established by the concerns of the Local Area Partnership and we will assist in anyway we can to ensure safe places for children to play in the current green spaces available by ensuring accessible equipment for all children. We also provide work experience for children from mainstream and additional needs schools as well as adults returning to work by providing volunteering opportunities for them. We have also identified that a lot of the disabled community have little or no access to technology which we can provide training for and we will provide this training for any member of the community.</p> <p>We will provide access audits/surveys to ensure spaces are safe and meet the requirements for accessibility. We will also provide advice on the best accessible play equipment for unused green spaces to ensure disabled children can play safely and interact with their peers. We will provide training and work experience for both children and adults on technology along other training courses we provide and offer volunteering opportunities for anyone in the community. we will also provide access to computers, training and support to set up the whats on guide for the area. We will continue to work with transport providers to obtain the best possible service</p> <p>We would also like to offer training to the Local Area Partnership on reading and interpreting plans to ensure everyone is fully aware of the process and implications.</p> <p>The outcomes that are anticipated are that the Local Area Partnership will meet many of the objectives they have raised for this year for health and wellbeing, connectivity, community id, planning and environment and community involvement as result of including disabled people within the community by boosting confidence and showing them how to be part of the community which in turn reduces isolation and by assisting with the roads, pavements and park walkways are safe to walk on so that everyone can work/play in a safe environment of their peers and disabled children and adults can walk easily wherever they would like to go enabling them to take a more active approach to community issues.</p>

What does your Organisation/Group do?	1.10	<p>Our 100 beneficiaries are children and young people 12-25 years, their families and carers who live in West Central Scotland. We provide support in residential care in Howood, Loch Winnoch and Kilbirnie, as well as within the communities of Renfrewshire: Paisley; Johnstone; Barrhead; Linwood, Neilston, Netherlee and surrounding villages to prevent children and young people entering the care or criminal justice systems. We engage with young people in extreme difficulty and trauma and help them to a better place, equipping them with the resources to embrace and embark on a more positive future by contributing to the economy and community.</p>

(Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>Our purpose is to improve the health and wellbeing of the young people we care for who have virtually no family support. Shields Holding was restored from a derelict ruin to a purpose-built residential unit. The external environment is in a desperate state of disrepair and inaccessible. We want our young people to invest in their community by helping us transform the space which is an eyesore for local residents. Transforming the garden area would provide a safe space to learn, play and improve wellbeing. Improving our external environment would help develop positive relations with our neighbours and local community.</p> <p>The need was identified at the point of purchase but the allocated fund re-deployed to resolve requirements related to our water supply. We are committed to fulfilling our responsibility to enhance the village identity and character rather than detract from it and one of our strategic priorities is to raise funds to</p>

We have consulted with all of our neighbours, our staff and young people to gather their views and develop this proposal which will improve quality of life for everyone.</p> <p>Building on relationships and networking with local trades, we will excavate the space removing rubble and levelling the ground, leaving a working environment for planned projects. In partnership with young people, managers, staff and community members we will design and create four separate garden areas: an outdoor leisure space offering a family experience for contact arrangements and outdoor celebrations; a vegetable garden, an exercise course and chill out area. Active engagement will contribute to the GIRFEC wellbeing indicators of Safe, Healthy, Achieving, Nurtured, Active, Responsible, Respected and Included and reduce the risk to the community of vulnerable young people.</p> <p>The main anticipated outcome for this project is to improve wellbeing, particularly positive mental health for young people and reduce anti-social behaviour by extending their facilities, horizons, opportunities and aspirations. We know this space could be used to develop new skills, improve physical activity and health, as well as benefiting young people's emotional wellbeing by stepping away from: indoor activities, anti-social behaviour including substance misuse; and create alternative memories to replace negative childhood experiences. Our unit sits in the most beautiful rural location and we are not able benefit from the outdoor space because it is not safe or appropriate for young people.</p>

What will this grant be used for? Please provide a breakdown of the costs to be incurred. (Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>To educate and provide hands on animal care and welfare facilities to the local community and surrounding areas. Lamont Farm offers a wide variety of services to various groups and organisations within the local area and further a field, work experience placements are provided to jobcentres, high schools, community service, kibble project and many more. The farm provides hands on experience for over 40 children who wish to pursue a career in animal care and veterinary practice, educational workshops are ran throughout the year for primary schools, nurseries and visitors.</p> <p>Lamont farm was founded by a group of individuals in march 1977 with a strong desire to establish a local education and community facility. We were the first City Farm in Scotland and the farm is very popular with families, nurseries and disabled groups as well as local schools. Around 10,000 people visit Lamont Farm annually. We aim to educate people from all walks of life in animal care, welfare and husbandry.</p>	

		<p>The farm has many social connections to help promote mental health, wellbeing and to help lessen isolation. Animals are a great source of therapy and have a great ability to bring many different people together some people prefer being round the animals as a gentle way of reintroducing them into the community. Some of the connections we have are RAMH, spark of genius, community service, West college Scotland's adults with addition needs and kibble we believe everyone should have the chance to be involved in their community. These connections help provide placements for anyone suffering mental health issues, physical disabilities, someone who has been out of the community, anyone who is looking to get back into work or anyone who just wants to volunteer, its a placement where everyone is included in every aspect of the farm with no judgement. We offer work experience placements to many different high schools throughout Renfrewshire and beyond, we have had many successful work experience placements with students from Gryffe high school. The work experienced placements are invaluable to pupils wishing to pursue a career in the animal sector as not many places allow under 16's to work so closely with such a variety of animals, in recent years our volunteers have went on to become fully qualified veterinary nurses.</p> <p>The farm is working with a local artist by providing a disused area of the farm to build a free and legal graffiti wall, this was established to encourage more youths to use the wall rather than putting graffiti around their local areas. The hope is this wall will help to reduce the vandalism in many areas by providing something different for everyone to try. The local artist will hold regular demonstrations and the idea is proving to be popular amongst the local and surrounding communities being supported by local newspapers the paisley express and the gazette.</p> <p>We regularly litter pick the pathways clearing the glass, dog mess and litter to ensure safety to the public using these paths and for any wildlife. We have had extra cctv installed after the farm itself was vandalised using graffiti this has helped reduce vandalism in the immediate area.</p>
--	--	---

		<p>We regularly attend local events with our animals including Lili's day in Kilbarchan. Lamont Farm has been a part of the Erskine Community for 42 years and was the first city farm in Scotland and is now one of the only two remaining.</p> <p>The grant will help towards running costs to ensure the project can continue to provide a variety of services and continue to work with a number of local educational establishments within the community.</p> <p>To continue to provide services to local educational establishments and to continue to increase the number of placements offered through these.</p> <p>To continue to provide an outreach service to the local community to allow an experience that many people can enjoy.</p>

(Please use a separate sheet if required)	2.3 2.4 2.5 2.6	<p>Now in its fifth year, Fèis Phàislig delivers opportunities in traditional music and Gaelic for those aged 5-25. Our 2019-20 programme of activity builds on the success of previous events, such as our annual Fèis Week and Weekly Lessons, and creates new opportunities for young people across Renfrewshire. This includes:</p> <p>Fèis Week (July) - 130 participants, Fèis Bheag (Wee Fèis) - 30 participants, Sma shot day (July) - 30 participants, Weekly lessons (year round) 40 participants, Gaelic choir (year round) - 15 participants, Ceilidh trail (summer tour) - 6 musicians The Spree (October) - 60 participants, schools Tour (April) - 4400 pupils</p> <p>Fèis Phàislig was formed as a legacy of the Royal National Mòd in 2013. Building on the success of the Mòd, and working with key partners such as Creative Scotland and Renfrewshire Council, Fèis Phàislig have delivered a hugely successful programme of events in</p>	

		<p>the years following. We have seen continued growth within our delivery and in 2018-19, we have reached over 4500 young people through one or more of our events. We continue to develop new and existing projects and work with our participants to develop youth-led opportunities wherever possible.</p> <p>Our 2019-20 programme will build on new and existing events with a focus on engaging young people who may otherwise not have the opportunity to experience traditional music. Through a new Funded Places scheme, we will provide fully subsidized opportunities for pupils to participate in our events. We will deliver events for a wider age range than in previous years with our new Fèis Bheag for 5-7 year olds and through existing activity, such as our Weekly Lessons and Fèis Week, we will have opportunities for all young people aged 5-25 to participate in, regardless of their background or ability level.</p> <p>Deliver high quality tuition and opportunities for all young people, including those who may otherwise not have access to it. Bringing together communities through showcases and public events, add significantly to the local and national cultural calendar, participation in local and national events/competitions, employment opportunities for local tutors and musicians, to raise awareness of Gaelic and traditional music with Renfrewshire, increasing quality of life and providing enriching experiences for all those taking part. Supplementary Information from Feis Phaislig for Houston, Bridge of Weir, Brookfield, Kilbarchan, Howwood, Lochwinnoch and Elderslie

Paisley has an emerging traditional music scene with a new generation of young musicians now coming through. Through our inclusive approach to teaching, participants are able to attend classes and learn together, strengthening community involvement and benefit. The awareness of Gaelic culture and local heritage has increased significantly since the establishment of Fèis Phàislig in 2014 and has allowed those interested in traditional music and culture to participate, regardless of background or ability.

- **Access to services, facilities and assets**

Regular showcase events, ceilidhs and concerts allow us to deliver events across the local partnership area. Performances and events will assist the establishment of a caring, community atmosphere and as well as participants benefitting socially, families and others within the community will come together. Our touring Ceilidh Trail group will perform across all of the areas within the local partnership, making use of community buildings and venues and working with other local organisations.

- **Village identity and character**

With a focus on local and national heritage, identity and character within the villages will play a key role within our delivery. Our School Visits scheme will help to increase pupils awareness of Gaelic language, traditional music and Scottish culture. Performances and events delivered with the local partnership area will also add to the local cultural calendar.
