Report by Director of Finance and Resources

Heading: Developments in Health, Safety and Wellbeing

1. **Summary**

This report outlines the developments which have taken place since the last meeting of the Joint Consultative Board: Non-Teaching.

2. **Recommendations**

- 2.1 This report is for information only and to note that this is a retrospective record of health, safety and wellbeing activities undertaken by Finance and Resources, HR, Health and Safety section and other council services.
-

3. **Background**

This section of the report details the activities undertaken since the last JCB.

The report below focusses on the actions and activities to continue to support the council's response and recovery plans. The Health and Safety team have been an integral part of the council's emergency management team, providing clear guidance as documents have been released from the UK and Scottish Governments, NHS and Health Protection Scotland. The team links with fellow colleagues in other local authorities to share knowledge and introduce any new learning to our guidance and procedures.

The Health and Safety team, as part of the wider HR and OD team, continue to work collaboratively with all key stakeholders, including the Trades Unions, across the council and external partners such as the NHS to ensure that any activities being undertaken, were risk assessed. More importantly the controls being reviewed in line with any changes to the guidance including COVID Levels as they emerged to ensure staff and clients health, safety, and wellbeing.

We continue to work closely with the communications team to ensure key messages to managers and employees are issued timeously to remind them of the requirements to keep safe.

3.1 Policies and Guidance

The following have been issued or under review:

- Homeworking guidance (under review)
- HAZID and workplace specific risk assessments
- RIDDOR reporting under review
- Fire risk assessment (sleeping risk) under review
- Health and Wellbeing Strategy (under review)

3.2 The Health and Safety team has continued to support front line services in the delivery of emergency and prioritised work across the council area. Other business as usual tasks such as accident investigation and fire safety continue.

3.3 The team have continued support to the Vaccination Centres (Renfrew/Johnstone/ Paisley) providing advice and guidance as well as undertaking spot-checks.

3.4 The Health and Safety team have worked closely with Occupational Health and Timefortalking (the employee counselling service) to ensure the council are supporting employees throughout the different phases of the pandemic. Planning for health surveillance activities is underway.

3.5 The Corporate Health and Safety Committee last met on 17 March 2022. The Committee members have been consulted on several new documents including Health and Wellbeing at work.

3.6 Since the last JCB meeting, the Health and Safety team have undertaken **29** High risk and **19** Low risk evaluations of contractor's and supplier's health and safety documentation when they apply for contracts with Renfrewshire Council. Priority was given to Covid related activity. All applicants are required to provide evidence of COVID-19 Risk assessment and mitigation measures.

- 3.7 The Health and Safety team respond on a regular basis to Freedom of Information requests as well as Insurance claims. Since the last JCB meeting, 6 have been processed. Most of the FOI's relate to generic incident/accidents at work.
 - 3.8 The Corporate Personal Protective Equipment Group continues to support services to ensure that stocks are maintained at a reasonable level and monitors forthcoming guidance to ascertain the impact.
 - 3.9 The Health and Safety team continue to produce health and wellbeing guidance and campaigns to support the workforce. Further discussions are ongoing as how best to provide information, guidance, and support to staff. No smoking day was highlighted during March.
 - 3.10 The Health and Safety Team continue to review all injury accidents occurring within the Council activity. If required (for more serious type incidents) we report the incident to the HSE as required under the Reporting of Injuries, Diseases and Dangerous Occurrence Regulations.

Implications of the Report

1. **Financial** - Continuing to improve health and safety performance will reduce accidents/occupational ill health, claims and the costs associated with this.
2. **HR & Organisational Development** - This report supports the Council's commitment to the health, safety and well being of Renfrewshire Council employees.
3. **Community Planning –**
 - Community Care, Health & Well-being** - We will improve the physical and emotional wellbeing of staff across services through the Healthy Working Lives programme.
 - Empowering our Communities** - We will promote learning and encourage employees to fulfil their individual potential and ensure that the council delivers high-quality services in the most effective and efficient way to meet the needs of local people.
 - Greener** - The E-management system will reduce the amount of paper used for risk assessment and accident forms.
 - Safer and Stronger** - Facilitating the health, safety, and wellbeing of our employees by ensuring that appropriate policies and procedures are developed and adhered to, and that all legal requirements for health and safety are fulfilled.

4. **Legal** - This report will support the Council's continued compliance with current health and safety legislation.
5. **Property/Assets** – None
6. **Information Technology** - The E-management systems require to be facilitated through the Council's email server system.
7. **Equality & Human Rights** - The Recommendations contained within this report have been assessed in relation to their impact on equalities and human rights. No negative impacts on equality groups or potential for infringement of individuals' human rights have been identified arising from the recommendations contained in the report because for example it is for noting only. If required following implementation, the actual impact of the recommendations and the mitigating actions will be reviewed and monitored, and the results of the assessment will be published on the Council's website. (Report author will arrange this).
8. **Health & Safety** - This document supports and demonstrates the council's commitment to ensuring effective health, safety and well being management.
9. **Procurement** – low impact as still at post tender negotiations.
10. **Risk** – low impact as legal and statutory requirements are being maintained.
11. **Privacy Impact** – not applicable to this report.
12. **Climate Risk** - none
