

# Renfrewshire Valuation Joint Board

**Report to:** Renfrewshire Valuation Joint Board  
**Meeting on:** 20 January 2017  
**Subject:** Staffing Changes  
**Author:** Depute Assessor & Electoral Registration Officer

## 1.0 Introduction

The Board gave permission to advertise the two posts of Temporary Property Assistants as Permanent Posts at its August meeting.

I am happy to report these posts have now been successfully filled, following competitive interviews, by the two individuals who had been working with us on the temporary contracts.

I am certain they will be a great help to the teams they are working with and would like to note our congratulations to both Yasmin Gray and James Fraser on their new appointments.

## 2. Recommendation

The Board notes this report.
