6 **POLICY TO SUPPORT THIRD PARTY APPLICATIONS TO THE PRIVATE RENTED HOUSING PANEL**

There was submitted a report by the Director of Community Resources relative to the policy to support third party applications to the private rented housing panel.

The report intimated that at the Renfrewshire Council Housing and Community Safety Policy Board on 17 May 2016 progress on developing criteria and a policy for Renfrewshire Council to make third party applications to the Private Rented Housing Panel was noted and it was agreed that a finalised policy and criteria would be developed and brought back for approval. The policy was taken to the Renfrewshire Council Housing and Community Safety Policy Board on 10 November 2016. The policy was attached as Appendix 1 to provide an update to the Safer and Stronger Thematic Board.

Information from the Private Rented Housing Panel indicated that there were twelve Repairing Standard applications by tenants within Renfrewshire during

2013/14 (latest published data). To date, there have been three applications made by Community Resources to the Private Rented Housing Panel on behalf of private tenants using the proposed criteria; these cases were in progress with several other potential applications under consideration. It was noted that the onus still remained on the tenant to refer their application to the Private Rented Housing Panel and Renfrewshire Council would only become involved when the necessary criteria was met.

It was intimated that there was a possibility that the policy might have implications for services providing support to vulnerable residents that were private tenants. In instances where it was felt a tenant could make a referral this can be passed on to Renfrewshire Council (Community Resources) for review and action as appropriate. There was therefore a role for Community Planning Partners to ensure that their officers were aware that where problems were identified with tenants and their property, a third party referral could be made on behalf of the tenant by Renfrewshire Council in appropriate circumstances.

DECIDED:

- (a) That it be noted that the policy on third party referrals to the Private Rented Housing Panel had been approved by the Renfrewshire Council Housing and Community Safety Policy Board and the benefits that this could bring to ensuring private rented accommodation was safe and maintained to an appropriate condition.
- (b) That the role and opportunity for partners providing support to vulnerable residents to increase awareness of the opportunity that private rented sector tenants had to raise concerns with the PRHP directly be noted; and
- (c) That it be noted that Renfrewshire Council now had a policy to do this on a third party basis where certain criteria was met.

7 UPDATE REPORT ON RENFREWSHIRE CHILD PROTECTION COMMITTEE ANNUAL CONFERENCE, GENDER BASED VIOLENCE AND PI CHILDREN LOOKED AFTER AWAY FROM HOME

There was submitted a report by the Head of Child Care and Criminal Justice updating the members on the annual Child Protection Committee Conference, Gender Based Violence and PI Children Looked After Away from Home.

The report advised that the annual Renfrewshire Child Protection Committee conference was held in Johnstone Town Hall on 8 September 2016. It was heavily oversubscribed and attracted 233 delegates from across all agencies. There was a strong field of speakers and the event was positively evaluated by participants. At the conference there was a video link with David Mandel from Ending Violence. This was a precursor to training for staff who worked directly with domestic abuse and coercive control.

The report also gave an update on gender based violence and the four day gender based violence training programme which was delivered to 39 members of staff from across the partnership at the beginning of October. The Gender Based Violence Steering group had been keen to offer staff working in this field training that supported the development of their skills by using the Safe and Together Model suite of tools. The immediate evaluation from staff was very positive and further evaluation would be taken forward to understand the impact of the training.

It was noted that Renfrewshire Council, in partnership with CELCIS, had been implementing tests of change in permanency planning for children which would contribute incrementally to a long term reduction in accommodated placements as arrangements for the most appropriate long-term placements which include kinship care, adoption and permanent return home were made consistently for children. There had been significant reductions in the number of older children being accommodated, and services such as intensive family support, the Whole Systems Team and Functional Family Therapy support older children and teenagers to remain at home. It was anticipated that further reductions would be achieved as the impact of early intervention and preventative work was realised but it was recognised that such programmes achieved results over many years.

DECIDED: That the report be noted

DECIDED:

- (a) That it be agreed to investigate the possibility of forming a short-life working group to look at the synergy between synergy between the Grey Space programme, the SIMD data, the ADP and the Mental Health Strategy Group, to be led by the Head of Public Protection, with a view to better facilitating the links in these areas of work.
